

FLORIDA DEPARTMENT OF LAW ENFORCEMENT: EXAMINATION REGISTRATION GUIDE

NOTE: You will not be able to create an account or schedule your exam until your training site uploads your scores to FDLE. Once your scores are received by FDLE, FDLE will then need to send a notice to Pearson VUE, authorizing you to schedule your exam. The entire process may take 2 – 3 days from the date your training center sends your scores to FDLE.

FDLE's New Computer Based Test (CBT)

FDLE is updating its paper and pencil Law Enforcement FCMS exam to a new, computer-based test (CBT) format. As part of this transition, you will be able to schedule your Law Enforcement FCMS exam at a Pearson VUE test center near your training location. The steps for making your reservation are outlined below.

The transition from paper and pencil to computer based tests will take place through the middle of 2014. Paper and pencil test facilities will be retired as more test centers begin offering the computer based version of the test.

Exam Authorization

If you are receiving this information from your training site, you have been or will be authorized to take a Florida Law Enforcement FCMS exam in the very near future. You must first be authorized by the Florida Department of Law Enforcement before you can schedule your exam with Pearson VUE. You will be authorized to take the exam shortly after your training facility submits your course passing status to FDLE. FDLE must then send an authorization file to Pearson VUE on your behalf. This process can take anywhere from 48-72 hours.
