Step 2 – Read ‘Get Started’

Carefully read the ‘Get Started’ screen, which contains information needed to create your Testing Profile. When you are finished, click the ‘continue’ link near the bottom of the page as shown in the screen below.

Welcome

Getting Started

Welcome!

Before you create your Testing Profile, you will need to have three key pieces of information:

1. Your HPE Learner ID or HPE Employee ID.
2. Your last name and email address as it is presented in The Learning Center. Please note that your name must also match your government issued picture identification.
3. After your profile is set up, you will receive an email from pearsonvue.com that provides your login information. Please ensure that your firewall settings will allow emails from pearsonvue.com.

If you do not know your HPE Learner ID or remember how your name and email is presented in The Learning Center, please visit this [web page](#).

Step 3 – Enter personal information

Enter your personal information and press the 'submit' button at the bottom of the page. Please pay special attention to the following important details:

1. Your ***first and last name must match exactly how your name is displayed in The Learning Center and your government issued photo identification.***

**If your name in The Learning Center is in another language, please enter that as the name for your Testing Profile. If your name is displayed in The Learning Center with special characters or is not in roman characters; please note that when you create your profile, you will be asked to provide your name in English as shown below on the right side of the screen. As you continue your journey to purchase or schedule an exam, your English name will be used for the remainder of your test taking experience.

2. Your ***HPE Learner ID must match exactly how it is displayed in The Learning Center.*** If you are unsure of your HPE Learner ID, please contact [contact your regional HPE Certification and Learning program](#).

Step 4 – Profile Created Confirmation

After you have created your profile, you will see a message like the one below.
