Information for Day of Test

Please arrive at the test center at least 30 minutes before your scheduled exam time. This will give you adequate time to complete the necessary sign-in procedures.

What to Bring to the Testing Center

Please be prepared to show one form of personal identification. The ID must be current (not expired) and include your signature and photo and match the name in your WorldatWork profile. For security reasons, testing centers also utilize some form of biometric technology (e.g., fingerprints, photographs, signatures, etc.) to identify and verify examinees on the day of exam only.

You will not be allowed to take any personal items with you into the testing room. This includes all purses, bags, books, notes, PDAs, cell phones, pagers, watches, wallets, hats, gloves and coats. For the GR2 and T3 exams, you will be allowed to bring your BA II Plus calculator into the testing room. You will not be allowed to bring any other brand or type of calculator. Basic calculators will be available at the testing center for any exam. Some testing locations offer lockers to secure your personal items during the test, or a staff member may hold these items at a desk. You are encouraged to leave your personal items in your car.

Refusal of Admission

If you arrive more than 15 minutes past your scheduled exam time or lack the proper ID, you may be refused admission. If you bring a calculator other than the BA II Plus Calculator for your T3 or GR2 exam, you will have to use a basic calculator provided by the testing center or be refused admission. You will be charged a nonrefundable fee of \$425 [USD](#) (premier member)/\$500 [USD](#) (nonmember) by WorldatWork at the time you reschedule this exam with WorldatWork.

Time Limit

The majority of WorldatWork certification exams have a time limit of two hours (120 minutes). The time limit includes a short tutorial and survey. Computer-based testing features a clock showing your remaining time. When you schedule your exam through Pearson VUE, the specific time limit for that test will be provided in the confirmation email.

Access the tutorial ahead of time by visiting www.pearsonvue.com/worldatwork and downloading the file from the box in the middle of the screen. (This may take a few minutes to load.)

To make a request for special accommodations to take your exam, please contact WorldatWork at 877-951-9191 or 480-951-9191.

Exam Score

Upon completion of your certification exam, you will immediately receive your preliminary score. Once confirmed by WorldatWork, you will receive an email with a link to your transcript when your official score has been posted. Your final score will generally be posted within two weeks of your exam. A 75% score is needed to pass all [WorldatWork Society](#) exams.
