THE LICENSURE PROCESS

Licensure is the process by which an agency of state government or other jurisdiction grants permission to individuals to engage in the practice of, and prohibits all others from legally practicing, a particular profession, vocation, or occupation. By ensuring a minimum level of competence, the licensure process protects the general public. The state regulatory agency is responsible for establishing the acceptable level of safe practice and for determining whether an individual meets that standard.

The state of Arkansas has retained the services of Pearson VUE to develop and administer its real estate examination program. Pearson VUE is a leading provider of assessment services to regulatory agencies and national associations.

PRACTICE TESTS – GENERAL (NATIONAL) PORTION ONLY

General-portion practice tests are offered exclusively online at www.pearsonvue.com, giving candidates even more opportunity to succeed on real estate examinations. The general-portion practice tests will not only help prepare candidates for the types of questions they will see on the general portion of the licensure examination but also familiarize them with taking computer-based examinations.

Pearson VUE offers a practice test for real estate that contains questions developed by subject matter experts using concepts found in the general portion of the licensure examination. The test closely reflects the format of the general portion of the licensure examination, can be scored instantly, and provides immediate feedback to help candidates identify correct and incorrect answers. Candidates can purchase general-portion practice tests anytime by visiting www.pearsonvue.com/practicetests/realestate.

STATE LICENSING REQUIREMENTS

The Arkansas Real Estate Commission (AREC) established the requirements for qualification for a real estate sales or broker license. Applicants must read this candidate handbook and any other information provided by the Commission before applying for any license examination.

EXAM ELIGIBILITY

All first-time examination applicants **must** submit the *Application for Real Estate License Examination* (found in this handbook) to the Arkansas Real Estate Commission. If the application is complete and all education and experience requirements are met, the applicant will be emailed an *Authorization to Test letter by Email from Pearson VUE*. Candidates will be authorized for unlimited attempts to pass the exam portions (State and National) for which they qualify for one year.

Upon review of the application to the Arkansas Real Estate commission **and receipt of state and federal criminal background checks**, the Commission will determine the applicant's eligibility for licensure. Candidates will be authorized to test for one year from the date of approval from the Commission.

Military Members, Veterans, and Spouses

Active duty military members, returning military veterans and spouses may qualify for expedited application processing. Those active duty military members, returning military veterans and spouses who **hold a substantially equivalent real estate license issued by another jurisdiction** may qualify for automatic licensure under A.C.A. § 17-1-106. Please contact the AREC for additional information.

Reinstatement of Previous License

Applicants who have previously held an Arkansas real estate license may qualify for waivers of certain application requirements under Arkansas law A.C.A. §17-1-107. Please contact the AREC for additional information.

Workforce Expansion Act Waivers

As mandated by Act 725 of 2021, the Arkansas Real Estate Commission has implemented a waiver of the initial licensing fee for applicants who qualify for the Workforce Expansion Act of 2021. If the initial applicant is currently receiving assistance through the Arkansas Medicaid Program, Supplemental Nutrition Assistance Program (SNAP), Special Supplemental Nutrition Program for Women, Infants and Children (WIC), Temporary Assistance for Needy Families Program (TANF), Lifeline Assistance Program and/or the applicant was approved for unemployment with the last twelve (12) months and/or the applicant's income does not exceed two hundred percent (200%) of the federal poverty income guidelines that applicant may qualify for the waiver.

Pearson VUE provides reasonable and appropriate accommodations to individuals with documented disabilities who demonstrate a need for accommodations.

Test accommodations may include things such as:

- A separate testing room
- Extra testing time
- A Reader or Recorder, for individuals with mobility or vision impairments and cannot read or write on their own

Test accommodations are individualized and considered on a case-by-case basis. All candidates who are requesting accommodations because of a disability must provide appropriate documentation of their condition and how it is expected to affect their ability to take the test under standard conditions. This may include:

- Supporting documentation from the professional who diagnosed the condition, including the credentials that qualify the professional to make this diagnosis
- A description of past accommodations the candidate has received

The steps to follow when requesting test accommodations vary, depending on your test program sponsor.

To begin, go to <http://pearsonvue.com/accommodations>, and then select your test program sponsor from the alphabetized list. Candidates who have additional questions concerning test accommodations may contact the ADA Coordinator at accommodationspearsonvue@pearson.com.

EXAM DAY

WHAT TO BRING

All candidates must bring to the test center on examination day the following:

- Two (2) forms of signature identification, one of which must be government-issued and photo-bearing

REQUIRED ITEMS

Candidates who do not present the required items will be denied admission to the examination, will be considered absent, and will forfeit the examination fee.

Acceptable Forms of Candidate Identification

Candidate must present **two (2)** forms of current signature identification. The name on the identification must exactly match the name on the registration. The primary identification must be government issued and photo-bearing with a signature and the secondary identification must contain a valid signature. Identification must be in English.

Primary ID (photograph and signature, not expired)

Government-issued Driver's License

- U.S. Dept. of State Driver's License
- U.S. Learner's Permit (plastic card only with photo and signature)
- National/State/Country ID card
- Passport
- Passport Card
- Military ID
- Military ID for spouses and dependents
- Alien Registration Card (Green Card, Permanent Resident Visa)

Secondary ID (signature, not expired)

- U.S. Social Security card
- Debit (ATM) or Credit card
- Any form of ID on the Primary ID list

If the ID presented has an embedded signature that is not visible (microchip), or is difficult or impossible to read, the candidate must present another form of identification from the Primary ID or Secondary ID list that contains a visible signature.

Pearson VUE does not recognize grace periods. For example, if a candidate's driver's license expired yesterday and the state allows a 30-day grace period for renewing the ID, the ID is considered to be expired.

EXAM PROCEDURES

Candidates should report to the test center thirty (30) minutes before the examination and check in with the test center administrator. The candidate's identification and other documentation will be reviewed and they will be photographed for the score report.

Candidates are required to review and sign a **Candidate Rules Agreement** form. If the **Candidate Rules Agreement** is not followed and/or cheating or tampering with the examination is suspected, the incident will be reported as such and the appropriate action will be taken. The examination fee will not be refunded, the exam may be determined invalid, and/or the state may take further action such as prohibiting candidates from retaking the examination and/or denying a license.

Candidates will have an opportunity to take a tutorial on the computer on which the examination will be administered. The time spent on this tutorial will not reduce the examination time. The examination administrators will answer questions, but candidates should be aware that the administrators are not familiar with the content of the examinations or with the state's licensing requirements. Examination administrators have been instructed not

to advise candidates on requirements for licensure.

Candidates may begin the examination once they are familiar with the computer. The examination begins the moment a candidate looks at the first examination question. Candidates will be given two to four (2-4) hours to complete the examination. The examination will end automatically after the examination time has expired, and candidates will leave the test center with their official scores in hand.

SCORE REPORTING

When candidates complete the examination, they will receive a score report marked “pass” or “fail.” Candidates who pass the examination will receive a score report that includes information on how to apply for a license. Candidates who fail the examination will receive a score report that includes a numeric score and diagnostic information relating to the general section of the examination, as well as information about reexamination.

REVIEW OF EXAMS

For security reasons, examination material is not available to candidates for review.

RETAKING THE EXAM

The salesperson examination is divided into two parts: general and state law. Candidates may take the exam portions either together or as separate appointments. Those who pass one part of the examination and fail the other, need to retake only the failed part within six (6) months. Candidates who after six (6) months have not passed both parts must retake the entire examination.

The broker examination is a one-part comprehensive examination and cannot be divided into portions for reexamination. Reservations for reexamination may not be made at the test center, and **candidates must wait twenty-four (24) hours before making one.**

SCORE EXPLANATION

Scaled Score

There are multiple versions of each of the licensing examinations. These versions are known as *forms*. Although all forms of an examination are developed based on the content outlines, the difficulty of the forms of an examination may vary slightly because different questions appear on each form. To ensure that no candidate is put at an unfair advantage or disadvantage due to the particular form of an examination that he or she is given, a statistical procedure known as *equating* is used to correct for differences in form difficulty.

The passing score of an examination was set by the Arkansas Real Estate Commission (in conjunction with Pearson VUE) after a comprehensive study was completed for each examination. Raw scores are converted into scaled scores that can range from 0 to 100. To avoid misuse of score information, numeric scores are only reported to failing candidates. The scaled score that is reported to you is neither the number of questions you answered correctly nor the percentage of questions you answered correctly. With a passing score of 70, any score below 70 indicates how close the candidate came to passing, rather than the actual number or percentage of questions the candidates answered correctly.

The passing scores for each examination are presented as follows:

PASSING SCALED SCORES	GENERAL	STATE
Salesperson	70	70
Broker	Unified 70	

DUPLICATE SCORE REPORTS

Duplicate score reports - Additional score reports can be obtained by logging into your candidate account on Pearsonvue.com and navigating to exam results.

TEST CENTER POLICIES

The following policies are observed at each test center. **Candidates who violate any of these policies will not be permitted to finish the examination and will be dismissed from the test center, forfeiting the examination fee.**

- **No personal items are allowed in the testing room.** Personal items include but are not limited to: cellular phones, hand-held computers or other electronic devices, pagers, watches, wallets, purses, firearms or other weapons, hats, bags, coats, books, notes, or pens or pencils.
- Candidates must store all personal items in a secure area as indicated by the administrator, or return items to their vehicle. All electronic devices must be turned off before storing them in a locker. **The test center is not responsible for lost, stolen or misplaced personal items.**
- Studying **is not** allowed in the test center. Visitors, children, family or friends **are not** allowed in the test center.
- Dictionaries, books, papers (including scratch paper), and reference materials are not permitted in the examination room (unless permitted by the exam sponsor), and candidates are strongly urged not to bring such materials to the test center. Upon entering and being seated in the testing room, the test administrator will provide the candidate with materials to make notes or calculations and any other items specified by the exam sponsor. **The candidate may not write on these items before the exam begins or remove these items from the testing room.**
- Eating, drinking, chewing gum, smoking, and/or making noise that creates a disturbance for other candidates is prohibited during the exam.
- Break policies are established by the exam sponsor. Most sponsors allow unscheduled breaks. To request an unscheduled break, the candidate **must** raise their hand to get the administrator's attention. **The exam clock will not stop while the candidate is taking a break.**
- Candidates must leave the testing room for all breaks. However, candidates **are not permitted to leave the floor or building for any reason during this time, unless specified by the administrator and the exam sponsor.** If a candidate is discovered to have left the floor or building they will not be permitted to proceed with the examination and may forfeit the exam fees.
- While taking a break, candidates are permitted to access personal items that are being stored during the exam only if necessary—for example, personal medication that must be taken at a specific time. **However, a candidate must receive permission from the administrator prior to accessing personal items that have been stored.** Candidates are **not** allowed access to other items, including but not limited to, cellular phones, exam notes, and study guides, unless the exam sponsor specifically permits this.
- Any candidate discovered causing a disturbance of any kind or engaging in any kind of misconduct—giving or receiving help; using notes, books, or other aids; taking part in an act of impersonation; or removing examination materials or notes from the examination room—will be summarily dismissed from the examination and will be reported to the state licensing agency. Decisions regarding disciplinary measures are the responsibility of the state licensing agency.

QUESTIONS OR COMMENTS ABOUT THE EXAM

For security reasons, examination material is not available to candidates for review. Candidates who have questions, comments, or concerns related to the exams, scoring or score reports, or who wish to verify any data held in Pearson VUE files, should direct written inquiries to Pearson VUE at the address provided on the inside front cover of this handbook. Candidates may also email their questions directly to Pearson VUE Customer Service at pearsonvuecustomerservice@pearson.com.

In all correspondence, candidates should provide their name and address information. If questions or comments concern an examination already taken, candidates should also include:

- the name of the examination
- the date the examination was taken
- the location of the test center

PREPARING FOR THE EXAM

PRETEST QUESTIONS

Many of the examinations will contain “pretest” questions. Pretest questions are questions on which statistical information is being collected for use in constructing future examinations. Responses to pretest questions do not affect a candidate’s score.

Pretest questions are mixed in with the scored questions and are not identified.

The number of pretest questions are listed in the content outline heading of each examination for which they are available. If a number is not present then there are no pretest questions for that particular examination.

SALESPERSON EXAM CONTENT

The content of the general section of the examination is based upon information obtained from a job analysis performed by Pearson VUE. Responses from real estate professionals were analyzed to determine the nature and scope of tasks they perform, and the knowledge and skills needed to perform them. This information is the basis upon which examination questions are written and ensures that the examination reflects the actual practice of real estate. Questions on the general section are also reviewed and approved by nationally recognized real estate professionals.

The state law section of the examination has been developed to reflect the laws, regulations, and practice of real estate in Arkansas, and has been reviewed and approved by real estate professionals in Arkansas.

UNIFIED BROKER EXAM CONTENT

The content of the broker examination is based upon the laws, regulations, and the practice of real estate in Arkansas and information obtained from a job analysis performed by Pearson VUE. Responses from real estate professionals were analyzed to determine the nature and scope of tasks brokers perform, and the knowledge and skills needed to perform them. The questions are written to ensure that the examination reflects the actual practice of real estate brokerage. The broker exam content has been reviewed and approved by Arkansas real estate professionals and the Arkansas Real Estate Commission.

MATH CALCULATIONS

The information below is NOT available at the test center and should be memorized.

Candidates may use the following information in making mathematical calculations on the general section of the real estate examinations unless otherwise stated in the text of the question:

- 43,560 square feet/acre
- 5,280 feet/mile
- Round off calculations (where applicable)

The information below, if needed, will be contained within the test itself:

If a question requires the calculation of prorated amounts, the question will specify: a) whether the calculation should be made on the basis of 360 or 365 days a year; and b) whether the day of closing belongs to the buyer or seller.
