

# Important test center procedures regarding COVID-19

You will be asked to agree to the following requirements before entering the test center. Please review this document before your exam appointment. If you cannot agree, you should not enter the Pearson Professional Center. Please attempt to [reschedule your exam online](#) or contact your exam sponsor with questions.

## By appearing to test, you certify that:

- You have not been diagnosed with COVID-19 or been in close personal contact with someone who has a confirmed diagnosis.
- You have had no flu-like symptoms in the last fourteen days, such as fever or chills and a cough, sore throat, or shortness of breath.
- You are not under 14 days' home or centralized observation demanded by government and healthcare authorities.
- You have not been in close personal contact with someone who recently travelled outside of mainland China within the last 14 days.

If you meet the above requirements and enter the test center, please follow the guidelines below and be aware of the practices in place to protect yourself and other candidates:

## Requirements from local authorities:

- You must show your health monitor app (updated on the date of the test) before entering the test center.
- You will have your temperature taken with a contactless thermal sensor at your forehead. If your temperature is above 37.3 Celsius, you will be asked to reschedule your exam for a different day (free of charge).
- Bring and wear your own face mask in the testing room. The mask will be inspected prior to entering the test room.
- Stay > 1m away from other people in the waiting area and during admissions process.

\* Please note that the test center will log the temperature data and health code of test-takers for two months. However, if 1) you dispute with regard to attendance of the test in two months 2) you are suspected to be infected or 3) there is a request from authorities, then your health log will be maintained until no longer reasonably required.

## \* Requirements from Pearson VUE:

- Wash your hands in the restroom upon arrival at the test center.
- Be self-disciplined about following social distancing guidelines and stay > 1m away from other candidates.
- Use hand sanitizer upon guidance from test center staff before admissions process and before entering the testing room.
- Use the tissue provided to cover your nose and mouth in case of sneezing or cough.

Our test center staff is following strict cleaning regimens after each admission session and exam session, including disinfecting all items that candidates come into contact with.

We hope that, with the above measures, we can ensure a clean and hygienic testing environment. Thank you in advance for your cooperation.
