THE LICENSURE PROCESS

Licensure is the process by which an agency of state government or other jurisdiction grants permission to individuals to engage in the practice of a particular profession, vocation, or occupation, and prohibits all others from legally practicing that profession. By ensuring a minimum level of competence, the licensure process protects the general public. The state regulatory agency is responsible for establishing the acceptable level of safe practice and for determining whether an individual meets that standard.

The state of South Dakota has commissioned the services of Pearson VUE to develop and administer its insurance licensing examination program. Pearson VUE is a leading provider of assessment services to regulatory agencies and national associations.

PRACTICE TESTS

Practice tests are offered exclusively online at www.pearsonvue.com, giving candidates even more opportunity to succeed on insurance examinations. Our practice tests will not only help prepare candidates for the types of questions they will see on the licensure exam, but also familiarize them with taking computer-based examinations.

Pearson VUE offers practice tests in the areas of Life, Health, and Property and Casualty that contain questions developed by subject matter experts using concepts found in the general portion of the licensure examination. The tests closely reflect the format of the real licensure examination, can be scored instantly, and provide immediate feedback to help candidates identify correct and incorrect answers. Candidates can purchase practice tests anytime at www.pearsonvue.com.

SOUTH DAKOTA LICENSING REQUIREMENTS

The South Dakota Division of Insurance is empowered by SDCL Title 58 to qualify candidates who wish to operate as insurance Producers as defined in the South Dakota Statutes.

Candidates must pass an examination to certify their knowledge of the statutes and regulations affecting the insurance profession as well as the products and services they will sell to the public. To become licensed you must:

Pass the required examination(s) for the type of license you are seeking.

Apply for a license by submitting the appropriate application and fee.

Candidates, once licensed, are also expected to keep informed of any changes in the laws and rules that affect their occupational practice.

Important to Note

Passing an exam does not automatically guarantee that you will be issued a license. The issue of a License is also dependent upon a review and approval of all license application materials.

License application can be made 48 hours (2 days) after successfully passing an exam to allow for the exam results to be uploaded to SIRCON and NIPR.

TYPES OF LICENSES AND REQUIREMENTS

New Resident License Requirements

As a new resident, you may pretest and take South Dakota licensing exams in any Pearson VUE test center nationwide before moving to South Dakota.

Nonresident License Requirements

South Dakota is reciprocal in its licensing of nonresident Producers. Under a reciprocity agreement South Dakota offers Producers licensed in your state the same privileges in South Dakota that match to those that your state offers South Dakota Producers.

Procedures for qualifying as a nonresident Producer are exactly the same as those that your state uses to qualify South Dakota residents who want to represent insurers in your state.

For more information please contact the Division of Insurance for information on licensing requirements that apply.

For more information or an application, go to the NIPR website at www.nipr.com or Sircon at www.sircon.com/southdakota.

EXAM RESERVATION

MAKING A RESERVATION

Online reservations are the most efficient way for candidates to schedule their examination. Candidates must go to www.pearsonvue.com/sd/insurance to make an online reservation for an examination. First-time users are required to create an account. The candidate will need to fill in all required fields, which are preceded by an asterisk (*), on the online form in order to create an ID and be assigned a password. Step-by-step instructions will lead the candidate through the rest of the examination reservation process. Candidates must make an online reservation at least twenty-four (24) hours before the desired examination date.

Candidates who wish to make a phone reservation at (888) 873-6205 must do so at least twenty-four (24) hours before the desired examination date.

Before making a reservation, candidates should have the following:

- Legal name, address, E-mail address, Social Security number, daytime telephone number, and date of birth
- The name of the examination(s)
- The preferred examination date and test center location (a list of test centers appears on the back cover of this handbook)

ALLOWABLE EXAM COMBINATIONS

A separate exam is given for each major line of insurance. There are two exams that can be taken as combination exams, allowing qualification for multiple lines with a single examination. These are a combination of Life, Accident and Health or Sickness and a combination of Property and Casualty.

Combination exams results are presented as one score. For you to be licensed you must pass the complete exam, you cannot be licensed for either single line unless you pass the complete exam.

EXAM FEES

The examination fees are \$85 for an individual exam or \$95 for a combination exam. The fee must be paid at the time of reservation by credit card, debit card, or voucher. **Fees will not be accepted at the test center.** Examination fees are non-refundable and nontransferable, except as detailed in the *Change/Cancel Policy*. The examination fee includes the state of South Dakota administrative fee (\$10 per exam). Credit cards may be used for examination fees paid to Pearson VUE only.

Candidates are responsible for knowing proper examination fees.

Vouchers

Vouchers offer another convenient way to pay for tests. Vouchers can be purchased online at <http://www.pearsonvue.com/vouchers/pricelist/sddoi.asp> by credit card either singly or in volume. To redeem a voucher as payment when scheduling a test, simply indicate voucher as the payment method and provide the voucher number. All vouchers are pre-paid. Vouchers are non-refundable and non-returnable.

Vouchers expire twelve (12) months from the date they are issued. Voucher expiration dates cannot be extended. The exam must be taken by the expiration date printed on the voucher.

CHANGE/CANCEL POLICY

Candidates wishing to cancel or reschedule their examination without penalty can do so twenty four (24) hours before the examination.

Candidates can cancel or reschedule their exam online at www.pearsonvue.com/sd/insurance/ or can call Pearson VUE at (888)-873-6205 twenty four (24) hours before the examination. Candidates who wish to change or cancel a reservation with proper notice may either transfer their fees to a new reservation or request a refund. Refunds for credit/debit cards are immediate, while refunds for vouchers will be processed in 2-3 weeks. Candidates who change or cancel their reservations without proper notice will be responsible for the examination fee. **Candidates are individually liable for the full amount of the examination fee once a reservation has been made, whether paid individually or by a third party.**

ABSENCE/LATENESS POLICY

Candidates who are late or absent from an exam may call Pearson VUE within 14 days of the exam date to request an excused absence for the following reasons:

- Illness of the candidate or of the candidate's immediate family member
- Death in their immediate family
- Disabling traffic accident
- Court appearance or jury duty
- Military duty
- Weather emergency

A case number will be assigned and instructions provided for emailing supporting documentation. **Candidates absent from or late to an exam who have not changed or canceled the reservation according to the *Change/Cancel Policy* will not be admitted to the exam and will forfeit the exam fee.**

WEATHER DELAYS AND CANCELLATIONS

If severe weather or a natural disaster makes the Pearson VUE test center inaccessible or unsafe, the examination may be delayed or canceled. Pearson VUE will notify and reschedule candidates in the case of severe weather.

ACCOMMODATIONS

Pearson VUE complies with the provisions of the Americans with Disabilities Act as amended. The purpose of accommodations is to provide candidates with full access to the test. Accommodations are not a guarantee of improved performance or test completion. Pearson VUE provides reasonable and appropriate accommodations to individuals with documented disabilities who demonstrate a need for accommodations.

Test accommodations may include things such as:

- A separate testing room
- Extra testing time
- A Reader or Recorder, for individuals with mobility or vision impairments and cannot read or write on their own

Test accommodations are individualized and considered on a case-by-case basis. All candidates who are requesting accommodations because of a disability must provide appropriate documentation of their condition and how it is expected to affect their ability to take the test under standard conditions. This may include:

- Supporting documentation from the professional who diagnosed the condition, including the credentials that qualify the professional to make this diagnosis
- A description of past accommodations the candidate has received

The steps to follow when requesting test accommodations vary, depending on your test program sponsor. To begin, go to <http://pearsonvue.com/accommodations>, and then select your test program sponsor from the alphabetized list. Candidates who have additional questions concerning test accommodations may contact the ADA Coordinator at accommodationspearsonvue@pearson.com.

All registrations with accommodations must be rescheduled or canceled through the call center.

EXAM DAY

REQUIRED MATERIALS

Candidates who do not present the required items will be denied admission to the examination, will be considered absent, and will forfeit the examination fee.

WHAT TO BRING/NEEDED FOR EXAMS

All candidates are required to bring identification that is deemed acceptable, listed under *Acceptable Forms of Candidate Identification*, to the test center on the day of examination.

Acceptable Forms of Candidate Identification

Candidate must present a **valid and unexpired** form of current identification. The primary identification must be government-issued and photo-bearing with a signature. Identification must be in English and exactly match the name you used to register for the exam.

Primary ID (photograph and signature, not expired)

- Government-issued Driver's License
- U.S. Dept. of State Drivers License
- U.S. Learner's Permit (plastic card only with photo and signature)
- National/State/Country Identification Card
- Passport
- Passport card
- Military ID
- Military ID for spouses and dependents
- Alien Registration Card (Green Card, Permanent Resident Visa)

If the ID presented has an embedded signature that is not visible (microchip), difficult or impossible to read, the candidate must present another form of identification from the Primary ID or Secondary ID that contains a visible signature.

Pearson VUE does not recognize grace periods. For example, if a candidate's driver's license expired yesterday and the state allows a 30-day grace period for renewing the ID, the ID is considered to be expired.

EXAM PROCEDURES

At Physical Test Location

Candidates should report to the test center fifteen (15) minutes before the examination and check in with the test center administrator. The candidate's identification and other documentation will be reviewed and they will be photographed for the score report. Candidates are required to review and sign a **Candidate Rules Agreement** form. If the **Candidate Rules Agreement** is not followed and/or cheating or tampering with the examination is suspected it will be reported as such, and the appropriate action will be taken. The examination fee will not be refunded, the exam may be determined invalid, and/or the state may take further action such as prohibiting candidates from retaking the examination and/or denying a license.

Candidates will have an opportunity to take a tutorial on the computer on which the examination will be administered. The time spent on this tutorial will not reduce the examination time. The examination administrators will answer questions, but candidates should be aware that the administrators are not familiar with the content of the examinations or with the state's licensing requirements. Examination administrators have been instructed not to advise candidates on requirements for licensure.

Candidates may begin the examination once they are familiar with the computer. The examination begins the moment a candidate looks at the first examination question. The examination will end automatically after the examination time has expired, and candidates will leave the test center with their official scores in hand.

As part of the admissions procedure, a candidate may be required to confirm their Social Security Number. This is a verification process to ensure that the number matches the number that the candidate registered under and is done to ensure timely delivery of results for the production of licenses.

OnVUE online procedures

If you are testing online and not in a physical Pearson VUE testing location, you should first review the materials and watch the short video at <https://home.pearsonvue.com/Test-Owner/Deliver/Online-Proctored.aspx> before you begin your online exam.

ABOUT THE EXAM

The content of the general examination is based upon information obtained from a job analysis performed by Pearson VUE. Responses from insurance professionals were analyzed to determine the nature and scope of tasks they perform and the knowledge and skills needed to perform them. This information is the basis upon which examination questions are written and ensures that examinations reflect the practice of insurance. The examination has been developed to reflect the laws, statutes, rules and regulations for the practice of insurance in South Dakota, and has been reviewed and approved by South Dakota insurance professionals.

Pearson VUE maintains examination administration and examination security standards designed to ensure that all candidates are given the same opportunity to demonstrate their abilities and to prevent some candidates from gaining an unfair advantage over others because of testing irregularities or misconduct. Pearson VUE routinely reviews irregularities and examination scores believed to be earned under unusual or nonstandard circumstances.

Pearson VUE maintains the right to question any examination score whose validity is in doubt because the score may have been obtained unfairly. Pearson VUE first undertakes a confidential review of the circumstances contributing to the questions about score validity. Then, if there is sufficient cause to question the score, Pearson VUE will refer the matter to the state licensing agency, which will make the final decision on whether or not to cancel the score.

The performance of all candidates is monitored and may be analyzed statistically for the purpose of detecting and verifying fraud. If it is determined that a score has questionable validity, the Division of Insurance will be so notified and will determine whether the candidate's scores will be released.

SCORE REPORTING

When candidates complete the examination, they will receive a score report marked "pass" or "fail." Candidates who pass the examination will receive a score report that includes information on how to apply for a license.

Candidates who fail the examination will receive a score report that includes a numeric score and diagnostic information relating to the general portion of the examination, as well as information about reexamination. Each examination is divided into two parts: the general section and the state section. Candidates who pass one section of the examination and fail the other need to retake the entire examination.

South Dakota requires that candidates who pass their major line examination must apply within 180 days to be eligible for licensure. Reservations for reexamination cannot be made at the test center. **Candidates must wait 24 hours before making a reexamination reservation.**

REVIEW OF EXAMS

For security reasons, examination material is not available to candidates for review. Exam reviews are not available for an online exam. By registering for the exam to be delivered online, you will be required to waive the ability to review your examination. Reviews/Playbacks of exams are not available for online delivered exams.

If you would like the ability to review your exam then please register to take the exam at one of the testing centers.

SCORE EXPLANATION

The passing score for the examination is determined by the South Dakota Division of Insurance. Through standardization and control, Pearson VUE ensures that no individual has an unfair disadvantage or advantage because of a particular examination format. For this reason, the passing score for all examinations is reported as a score of 70.

Examination scores range from 0 to 100, but should **not** be interpreted as the percentage or number of correct answers. For example if the passing score is 70, any score below 70 indicates how close the candidate came to passing, not the actual percentage or number of questions answered correctly.

DUPLICATE SCORE REPORTS

To obtain a score report for an exam taken in a physical test center, please complete the form in the back of this handbook. For an exam taken online, please log into your Pearson VUE account to obtain your score report.

QUESTIONS OR COMMENTS ABOUT THE EXAM

For security reasons, examination material is not available to candidates for review. Candidates who have questions, comments, or concerns related to the exams, scoring or score reports, or who wish to verify any data held in Pearson VUE files, should direct written inquiries to Pearson VUE at the address provided on the inside front cover of this handbook. Candidates may also email their questions directly to Pearson VUE Customer Service at pearsonvuecustomerservice@pearson.com.

In all correspondence, candidates should provide their name and address information. If questions or comments concern an examination already taken, candidates should also include:

- the name of the examination
- the date the examination was taken
- the location of the test center

EXAMINATION QUESTIONS

All examination questions, each form of the examination, and any other examination materials are copyrighted and are the property of Pearson VUE. Consequently, any distribution of the examination content or materials through any form of reproduction or oral or written communication is strictly prohibited and punishable by law.
