The candidate handbook is a useful tool in preparing for an examination.

All individuals who wish to acquire a New Jersey Lead Supervisor for Housing and Public Buildings, Supervisor for Commercial Buildings and Superstructures, or Inspector/Risk Assessor Permit, must first complete New Jersey-approved training and second, successfully pass the third party examination recognized by the New Jersey Department of Health (NJDOH).

This candidate handbook contains information regarding the lead certification exams recognized by the NJDOH.

Individuals who wish to obtain a Lead Abatement Permit in the state of New Jersey must:

1. Meet all eligibility requirements.
   Before taking an examination, candidates must meet all eligibility requirements. *(See page 1 for additional details.)*

2. Schedule an examination and pay the examination fee.
   Schedule an examination either by phone or online with Pearson VUE *(See page 2).*

3. Go to the test center.
   Go to the test center on the day of the examination, bringing along all required materials *(See page 5).*
**BACKGROUND**

Individuals who conduct lead-based paint activities in New Jersey must be permitted by the New Jersey Department of Health (NJDOH). The NJDOH permits the following disciplines:

<table>
<thead>
<tr>
<th>HOUSING &amp; PUBLIC BUILDINGS DISCIPLINES (HPB)</th>
<th>COMMERCIAL BUILDINGS &amp; SUPERSTRUCTURES DISCIPLINES (CBS)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Workers</td>
<td>Workers</td>
</tr>
<tr>
<td>Supervisors</td>
<td>Supervisors</td>
</tr>
<tr>
<td>Inspector/Risk Assessors</td>
<td></td>
</tr>
<tr>
<td>Planner/Project Designers</td>
<td></td>
</tr>
</tbody>
</table>

Of the above disciplines, the two Supervisor disciplines and the Inspector/Risk Assessor discipline are required to take a third party examination after they successfully complete training. This candidate handbook outlines the information necessary to schedule and take those examinations.

Many states conform with the model lead program proposed by U.S. Environmental Protection Agency’s (EPA) model, in which the Inspector/Risk Assessor discipline is two separate disciplines instead of one. In NJ they are one discipline, however, in accordance with the model, the exams are administered separately. The fee for both portions of the exam is the same as for each of the supervisor exams (see page 2 for more information on the exam fees).

**ELIGIBILITY**

To be eligible to take this examination, an individual must either:

1. Successfully complete a New Jersey Department of Health (NJDOH) certified lead training course; or
2. Have their non-NJ training approved by the NJDOH in accordance with NJ’s reciprocity requirements.

To learn more about reciprocity, you may contact the NJDOH at (609) 826-4950 or go to [https://www.nj.gov/health/ceohs/lead/](https://www.nj.gov/health/ceohs/lead/).

All major credit/debit cards are accepted. You will be required to provide a billing address, credit/debit card number, and card expiration date.
2. Vouchers

Vouchers offer another convenient way to pay for tests. Vouchers can be purchased online at [http://www.pearsonvue.com/vouchers/pricelist/njlead.asp](http://www.pearsonvue.com/vouchers/pricelist/njlead.asp) by credit card either singly or in volume. To redeem a voucher as payment when scheduling a test, simply indicate voucher as the payment method and provide the voucher number. **All vouchers are pre-paid. Vouchers are non-refundable and non-returnable.**

Vouchers expire twelve (12) months from the date they are issued. Voucher expiration dates cannot be extended. The exam must be taken by the expiration date printed on the voucher.

3. Electronic Checks

Candidates who choose to pay the examination fee by electronic check must have a personal checking account, and must be prepared to provide to Pearson VUE at the time of reservation the following information:

- Bank name
- Account number
- Routing number
- Social Security number, state-ID number, or driver’s license number
- Name and address on the account

Using this information, Pearson VUE can request payment from the candidate’s bank account just as if the candidate had submitted an actual paper check.

Candidates paying by electronic check must register at least five (5) days before the examination date in order for their check to be processed.

**CHANGE/CANCEL POLICY**

Candidates should call Pearson VUE at 800-275-8346 at least forty-eight (48) hours before the examination to change or cancel a reservation. Candidates who change or cancel a reservation with proper notice may either transfer their fees to a new reservation or request a refund. Candidates who change or cancel their reservations without proper notice will forfeit the examination fee. Refunds for credit/debit cards are immediate, while refunds for electronic checks and vouchers will be processed in two to three (2-3) weeks.

Candidates are individually liable for the full amount of the examination fee once a reservation has been made, whether individually or by a third party.

**ACCOMMODATIONS**

Pearson VUE complies with the provisions of the Americans with Disabilities Act as amended. The purpose of accommodations is to provide candidates with full access to the test. Accommodations are not a guarantee of improved performance or test completion. Pearson VUE provides reasonable and appropriate accommodations to individuals with documented disabilities who demonstrate a need for accommodations.

Test accommodations may include things such as:

- A separate testing room
- Extra testing time
- A Reader or Recorder, for individuals with mobility or vision impairments and cannot read or write on their own

Test accommodations are individualized and considered on a case-by-case basis. All candidates who are requesting accommodations because of a disability must provide appropriate documentation of their condition and how it is expected to affect their ability to take the test under standard conditions. This may include:

- Supporting documentation from the professional who diagnosed the condition, including the credentials that qualify the professional to make this diagnosis
- A description of past accommodations the candidate has received

The steps to follow when requesting test accommodations vary, depending on your test program sponsor. To begin, go to [http://pearsonvue.com/accommodations](http://pearsonvue.com/accommodations), and then select your test program sponsor from the alphabetized list. Candidates who have additional questions concerning test accommodations may contact the ADA Coordinator at [accommodationspearsonvue@pearson.com](mailto:accommodationspearsonvue@pearson.com).
EXAM DAY

ABSENCE/LATENESS POLICY
Candidates who are late to or absent from an examination may be excused for the following reasons:
• Illness of the candidate or of the candidate’s immediate family member
• Death in the immediate family
• Disabling traffic accident
• Court appearance or jury duty
• Military duty
• Weather emergency

Candidates who are late to an examination will not be admitted and will forfeit the examination fee. Candidates who are absent from an examination and have not changed or canceled the reservation according to the Change/Cancel Policy will forfeit the examination fee. Written verification and supporting documentation for excused absences must be submitted to Pearson VUE within fourteen (14) days of the original examination date.

WEATHER DELAYS AND CANCELLATIONS
If severe weather or a natural disaster makes travel to the test center inaccessible or unsafe, the examination may be delayed or cancelled. Pearson VUE will attempt to contact each candidate via phone or e-mail as soon as they become aware of an issue.

EXAMINATION PROCEDURES
Candidates should report to the Pearson VUE Center thirty (30) minutes before the exam is scheduled, to complete registration. When candidates arrive, they should check in with the test center manager and present their, identification, and proof of NJ approved training (see What to Bring to the Examination, on page 6). The manager will review this documentation and photograph each candidate for his/her score report.

Candidates must agree to abide by the Pearson VUE and NJ Department of Health’s test center security policies. The security policies are presented at the beginning of the examination. Candidates must select the “I agree” button to proceed. Candidates who do not agree or accidentally select the “Not Agree” button will not be allowed to test.

Candidates will have an opportunity to take a tutorial before proceeding to the actual examination. The time spent on the tutorial will not reduce the time allotted for the examination. Proctors will be able to answer questions regarding the operation of examination equipment, but will not answer any questions regarding examination content. Upon successful passing of the examination, Pearson VUE staff will generate a score report. Your ORIGINAL report must be sent to the NJDOH with your permit application as proof of passing the examination. Copies of the score report will not be accepted. You should keep a copy of the score report for your records. For more information on applying for your permit, call 609-826-4950.

TEST CENTER POLICIES

The following policies are observed at each test center. Candidates who violate any of these policies will not be permitted to finish the examination and will be dismissed from the test center, forfeiting the examination fee.

- **No personal items are allowed in the testing room.** Personal items include but are not limited to cellular phones, hand-held computers or other electronic devices, pagers, watches, wallets, purses, firearms or other weapons, hats, bags, coats, books, and/or notes, pens, or pencils.

- **CALCULATORS ARE PERMITTED.** Any type of calculator is allowed. However, test center staff must clear the memory before and after the exam.

- Candidates must store all personal items in a secure area as indicated by the administrator, or return items to their vehicle. All electronic devices must be turned off before storing them in a locker. **The test center is not responsible for lost, stolen, or misplaced personal items.**

- Studying **is not** allowed in the test center. Visitors, children, family, or friends **are not** allowed in the test center.

- Candidates must leave the testing room for all breaks. However, candidates are **not permitted to leave the floor or building for any reason during this time, unless specified by the administrator and the exam sponsor.** If a candidate is discovered to have left the floor or building, he or she will not be permitted to proceed with the examination and may forfeit the exam fees.

- While taking a break, candidates are permitted to access personal items that are being stored during the exam only if necessary—for example, personal medication that must be taken at a specific time. **However, a candidate must receive permission from the administrator prior to accessing personal items that have been stored.** Candidates are **not** allowed access to other items, including but not limited to cellular phones, exam notes, and study guides, unless the exam sponsor specifically permits this.

- Any candidate discovered causing a disturbance of any kind or engaging in any kind of misconduct—giving or receiving help; using notes, books, or other aids; taking part in an act of impersonation; or removing examination materials or notes from the examination room—will be summarily dismissed from the examination and will be reported to the state licensing agency. Decisions regarding disciplinary measures are the responsibility of the NJ State Department of Health for prosecution in accordance with the requirements of N.J.A.C. 8:62.
