THE LICENSURE PROCESS
Licensure is the process by which an agency of state government or other jurisdiction grants permission to individuals to engage in the practice of, and prohibits all others from legally practicing, a particular profession, vocation, or occupation. By ensuring a minimum level of competence, the licensure process protects the general public. The state regulatory agency is responsible for establishing the acceptable level of safe practice and for determining whether an individual meets that standard.

The state of Wisconsin has retained the services of Pearson VUE to develop and administer its real estate examination program. Pearson VUE is a leading provider of assessment services to regulatory agencies and national associations.

PRACTICE TESTS – NATIONAL PORTION ONLY
National-portion practice tests are offered exclusively online at www.pearsonvue.com, giving candidates even more opportunity to succeed on real estate examinations. The national-portion practice tests will not only help prepare candidates for the types of questions they will see on the national portion of the licensure examination but also familiarize them with taking computer-based examinations.

Pearson VUE offers a practice test for real estate that contains questions developed by subject matter experts using concepts found in the national portion of the licensure examination. The test closely reflects the format of the national portion of the licensure examination, can be scored instantly, and provides immediate feedback to help candidates identify correct and incorrect answers. Candidates can purchase national-portion practice tests anytime by visiting www.pearsonvue.com/practicetests/realestate
REAL ESTATE LICENSING REQUIREMENTS

APPLYING FOR A LICENSE

Applicants for a real estate license must pass the appropriate licensing examination. Applicants must submit the license application and required documentation to the DSPS before their examination scores are one (1) year old. They must have completed their education within five (5) years of application for license.

The license application includes questions concerning the applicant’s criminal convictions (if any), including driving while intoxicated, probation or parole status, and actions against any other license the applicant holds. Convictions could be cause for denial of application or limitation of license. The Department considers the following:

- If the crime substantially relates to the practice of real estate
- How recently the crime was committed
- Evidence of rehabilitation

Reciprocity

An applicant who is licensed as a broker in a state or territory that has entered into a reciprocal agreement with this state shall be licensed according to the terms of the Reciprocal agreement. WISCONSIN ONLY HOLDS RECIPROCAL AGREEMENTS WITH ILLINOIS AND INDIANA.

- Illinois Broker = Wisconsin Salesperson
- Illinois Managing Broker = Wisconsin Broker
- Education is waived for reciprocal applicants.

Endorsement

An applicant who is licensed as a broker in a state or territory that is not covered by a reciprocal agreement with this state shall be licensed according to the terms of the Endorsement agreement. THIS APPLIES TO ALL STATES EXCLUDING ILLINOIS AND INDIANA.

- Education requirement for Broker applying with Endorsement is the 13 hr. Salesperson Pre-licensing Course & 6 hr. Broker Pre-licensing Course
- Education requirement for Salesperson applying with Endorsement is the 13 hr. Salesperson Pre-licensing Course

Salesperson Applicants

Salesperson applicants must have satisfied one (1) of the following education requirements to be eligible for licensure:

- Completion of an approved educational program from an approved provider, a list of which appears on pages 4-5 and at http://dsps.wi.gov, and is available from the Department. Resident applicants must take seventy-two (72) hours. Out-of-state applicants who hold a salesperson’s license in a state without a reciprocal agreement with Wisconsin must take thirteen (13) hours.
- Completion of ten (10) semester-hour credits in real estate or real-estate-related law courses at an accredited institution of higher education. Transcripts must be submitted for Department approval.

- Completion of an approved educational program from an approved provider, a list of which appears on pages 4-5 and at http://dsps.wi.gov, and is available from the Department. Resident applicants must take seventy-two (72) hours. Out-of-state applicants who hold a broker's license in a state without a reciprocal agreement with Wisconsin must take three (3) hours, and if the applicant does not hold a Wisconsin salesperson's license, must take thirteen (13) hours of salesperson education requirements.
- Completion of twenty (20) semester-hour credits in real estate or real-estate-related law courses at an accredited institution of higher education. Transcripts must be submitted for Department approval.
- Hold a license to practice law in Wisconsin.

RENEWING A LICENSE

Licenses must be renewed by December 14th of each even-numbered year. The first license issued applies until this renewal date. Applicants who wish to receive renewal application materials must keep the Department informed of their current address. Continuing education is not required for the partial biennium when first licensed, but it is required each biennium thereafter. The current requirement for continuing education is eighteen (18) hours of approved courses from an approved school.

STUDY MATERIALS

Wisconsin Statutes and Administrative Code for the Practice of Real Estate contains essential information for the examinations and is available at http://dsps.wi.gov, by calling Document Sales at (800) 362-7253, or by emailing docsales@doa.state.wi.us. Approved schools are also a source of the Code (list on pages 4-5).

MAKING A RESERVATION

Walk-in examinations are not available. Online reservations are the most efficient way for candidates to schedule their examination. Candidates must go to www.pearsonvue.com/wi/realestate/ to make an online reservation for an examination. First-time users are required to create an account. The candidate will need to fill in all required fields, which are preceded by an asterisk (*), on the online form in order to create an ID and be assigned a password. Step-by-step instructions will lead the candidate through the rest of the examination reservation process.

Candidates must make an online reservation at least twenty-four (24) hours before the desired examination date. Candidates who wish to make a phone reservation at (888) 204-6284 must do so at least twenty-four (24) hours before the desired examination date.

Before making a reservation, candidates should have the following:

• Full legal name, address, Social Security number, daytime telephone number, and date of birth
• The name of the examination
• The preferred examination date and test center location (a list appears on the back cover of this handbook)

Candidates are responsible for knowing which examination they need to take.

The reservation will be made based on the next available examination date.

EXAM FEES

The examination fee ($65) must be paid at the time of reservation by credit card, debit card, or voucher. Payment will not be accepted at the test center. Examination fees are non-refundable and non-transferable except as detailed in the Change/Cancel Policy.

Vouchers

Vouchers offer another convenient way to pay for tests. Vouchers can be purchased online at www.pearsonvue.com/vouchers/pricelist/widrl.asp by credit card either singly or in volume. To redeem a voucher as payment when scheduling a test, simply indicate voucher as the payment method and provide the voucher number. All vouchers are pre-paid. Vouchers are non-refundable and non-returnable.

Vouchers expire twelve (12) months from the date they are issued. Voucher expiration dates cannot be extended. The exam must be taken by the expiration date printed on the voucher.

CHANGE/CANCEL POLICY

Candidates should call Pearson VUE at (888) 204-6284 at least forty-eight (48) hours before the examination to change or cancel a reservation. Candidates who change or cancel a reservation with proper notice may either transfer their fees to a new reservation or request a refund. Candidates who change or cancel a reservation without proper notice will forfeit the examination fee. Refunds for credit/debit cards are immediate, while refunds for vouchers will be processed in two to three (2-3) weeks.

Candidates are individually liable for the full amount of the examination fee once a reservation has been made, whether paid individually or by a third party.

ABSENCE/LATENESS POLICY

Candidates who are late or absent from an exam may call Pearson VUE within 14 days of the exam date to request an excused absence for the following reasons:

• Illness of the candidate or of the candidate’s immediate family member
• Death in their immediate family
• Disabling traffic accident
• Court appearance or jury duty
• Military duty
• Weather emergency
A case number will be assigned and instructions provided for emailing supporting documentation. Candidates absent from or late to an exam who have not changed or canceled the reservation according to the Change/Cancel Policy will not be admitted to the exam and will forfeit the exam fee.

WEATHER DELAYS AND CANCELLATIONS

If severe weather or a natural disaster makes the test center inaccessible or unsafe, the examination may be delayed or canceled. Pearson VUE will notify and reschedule candidates in the case of severe weather.

ACCOMMODATIONS

Pearson VUE complies with the provisions of the Americans with Disabilities Act as amended. The purpose of accommodations is to provide candidates with full access to the test. Accommodations are not a guarantee of improved performance or test completion. Pearson VUE provides reasonable and appropriate accommodations to individuals with documented disabilities who demonstrate a need for accommodations.

Test accommodations may include things such as:

• A separate testing room
• Extra testing time
• A Reader or Recorder, for individuals with mobility or vision impairments and cannot read or write on their own

Test accommodations are individualized and considered on a case-by-case basis. All candidates who are requesting accommodations because of a disability must provide appropriate documentation of their condition and how it is expected to affect their ability to take the test under standard conditions. This may include:

• Supporting documentation from the professional who diagnosed the condition, including the credentials that qualify the professional to make this diagnosis
• A description of past accommodations the candidate has received

The steps to follow when requesting test accommodations vary, depending on your test program sponsor. To begin, go to http://pearsonvue.com/accommodations, and then select your test program sponsor from the alphabetized list. Candidates who have additional questions concerning test accommodations may contact the ADA Coordinator at accommodationspearsonvue@pearson.com.
EXAM DAY

REQUIRED ITEMS
Candidates who do not present the required items will be denied admission to the examination, will be considered absent, and will forfeit the examination fee.

WHAT TO BRING

Required Materials
All candidates are required to bring identification that is deemed acceptable, as detailed under Acceptable Forms of Candidate Identification, to the test center on the day of examination.

Acceptable Forms of Candidate Identification
Candidates must present two (2) forms of current signature identification. The name on the identification must exactly match the name on the registration. The primary identification must be government issued and photo-bearing with a signature, and the secondary identification must contain a valid signature. Identification must be in English.

Primary ID (photograph and signature, not expired)
- Government-issued Driver’s License
- U.S. Department of State Driver’s License
- U.S. Learner’s Permit (plastic card only with photo and signature)
- National/State/Country Identification Card
- Passport
- Passport card
- Military ID
- Military ID for spouses and dependents
- Alien Registration Card (Green Card, Permanent Resident Visa)

Secondary ID (signature, not expired)
- U.S. Social Security card
- Debit (ATM) Card or Credit Card
- Any form of ID on the Primary list

If the ID presented has an embedded signature that is not visible (microchip), or is difficult or impossible to read, the candidate must present another form of identification from the Primary ID or Secondary ID list that contains a visible signature.

Pearson VUE does not recognize grace periods. For example, if a candidate’s driver’s license expired yesterday and the state allows a 30-day grace period for renewing the ID, the ID is considered to be expired.

EXAM PROCEDURES
Candidates should report to the test center thirty (30) minutes before the examination and check in with the test center administrator. (Candidates should allow themselves sufficient time to find the test center.) The candidate’s identification and other documentation will be reviewed and he/she will be photographed for the score report.

Candidates are required to review and sign a Candidate Rules Agreement form. If the Candidate Rules Agreement is not followed and/or cheating or tampering with the examination is suspected, the incident will be reported as such and the appropriate action will be taken. The examination fee will not be refunded, the exam may be determined invalid, and/or the state may take further action such as decertification.

Candidates will have an opportunity to take a tutorial on the PC on which the examination will be administered. The time spent on this tutorial will not reduce the examination time. The examination administrators will answer questions, but candidates should be aware that the administrators are not familiar with the content of the examinations or with the state’s licensing requirements.
Examination administrators have been instructed not to advise candidates on requirements for licensure. Candidates are responsible for determining which examinations they must take.

Candidates may begin the examination once they are familiar with the PC. The examination begins the moment a candidate looks at the first examination question.

<table>
<thead>
<tr>
<th>THE TIME ALLOTTED FOR EACH EXAMINATION IS AS FOLLOWS:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Salesperson........................................4 hours</td>
</tr>
<tr>
<td>Broker..................................................3.25 hours</td>
</tr>
</tbody>
</table>

The examination will end automatically after the examination time has expired, and candidates will leave the test center with their official scores in hand.

Some examination questions include narratives (scenario situations) and/or WB forms. These materials will be available on the computer as part of the examination question. These materials will be available only on questions dealing specifically with scenarios (narratives) or WB forms.

**SCORE REPORTING**

When candidates complete the examination, they will receive a score report marked “pass” or “fail.” Candidates who pass the examination will receive a score report that includes information on how to apply for a license. Candidates who fail the examination will receive a score report that includes a numeric score and diagnostic information relating to the examination, as well as information about reexamination.

**RETAKE THE EXAM**

Candidates who fail the broker or sales examination may retake it, but study between attempts is recommended to increase the chance of passing.

Candidates must wait twenty-four (24) hours before making a reservation to retake an examination. Reservations cannot be made at the test center.

**SCORE EXPLANATION**

There are multiple versions, known as forms, of each of the Wisconsin Real Estate licensing examinations. While all of these forms are developed from the content outlines printed in this handbook, the levels of difficulty of the forms may vary slightly because different questions appear on different forms. Since it would be unfair to require a candidate taking a slightly more difficult form to answer as many questions correctly (in order to pass) as a person taking an easier form, a statistical procedure known as equating is used to correct for differences in form difficulty.

The passing score of an examination was set by the Wisconsin Department of Safety & Professional Services (DSPS) (in conjunction with Pearson VUE) after a comprehensive study was completed for each examination. The examination score is reported as a scaled score on a scale of 0-100. It should not be interpreted as the percentage or number of questions answered correctly on the examination. With a passing score of 75, any score below 75 indicates how close the candidate came to passing, rather than the actual number or percentage of questions the candidates answered correctly.

**TEST QUESTION REVIEW**

Examination materials are not available for candidates’ review. However, candidates who have concerns regarding the examination content should submit them in writing to Pearson VUE. Include candidate name, candidate ID number, Social Security number, exam title, date tested, candidate signature, and the general details of the concern. Candidates should provide a rationale of why a test question(s) impacted their pass/fail status and warrants further review by Pearson VUE staff. There is no need to include the test question(s) verbatim; instead, only a general description of the question(s). Candidates should include their return address in the letter.

**LETTERS SHOULD BE SENT TO:**

TEST CENTER POLICIES
The following policies are observed at each test center. Candidates who violate any of these policies will not be permitted to finish the examination and will be dismissed from the test center, forfeiting the examination fee.

• No personal items are allowed in the testing room. Personal items include but are not limited to cellular phones, hand-held computers or other electronic devices, pagers, watches, wallets, purses, firearms or other weapons, hats, bags, coats, books, and/ or notes, pens, or pencils.

• A calculator is available as part of the exam and personal calculators are permitted only if they are silent, hand-held, nonprinting, and without an alphabetic key pad. Financial calculators are not permitted. Calculator malfunctions are not grounds for challenging examination results or requesting additional examination time.

• Candidates must store all personal items in a secure area as indicated by the administrator, or return items to their vehicle. All electronic devices must be turned off before storing them in a locker. The test center is not responsible for lost, stolen, or misplaced personal items.

• Studying is not allowed in the test center. Visitors, children, family, and/or friends are not allowed in the test center.

• Dictionaries, books, papers (including scratch paper), and reference materials are not permitted in the examination room (unless permitted by the exam sponsor), and candidates are strongly urged not to bring such materials to the test center. When the candidate enters and is seated in the testing room, the test administrator will provide the candidate with materials to make notes or calculations and any other items specified by the exam sponsor. The candidate may not write on these items before the exam begins or remove these items from the testing room.

• Eating, drinking, chewing gum, smoking, and/or making noise that creates a disturbance for other candidates is prohibited during the exam.

• Break policies are established by the exam sponsor. Most sponsors allow unscheduled breaks. To request an unscheduled break, the candidate must raise his/her hand to get the administrator’s attention. The exam clock will not stop while the candidate is taking a break.

• Candidates must leave the testing room for all breaks. However, candidates are not permitted to leave the floor or building for any reason during this time, unless specified by the administrator and the exam sponsor. If a candidate is discovered to have left the floor or building, he/she will not be permitted to proceed with the examination and may forfeit the exam fees.

• While taking a break, candidates are permitted to access personal items that are being stored during the exam only if necessary—for example, personal medication that must be taken at a specific time. However, a candidate must receive permission from the administrator prior to accessing personal items that have been stored. Candidates are not allowed access to other items, including but not limited to cellular phones, exam notes, and study guides, unless the exam sponsor specifically permits this.

• Any candidate discovered causing a disturbance of any kind or engaging in any kind of misconduct—giving or receiving help; using notes, books, or other aids; taking part in an act of impersonation; or removing examination materials or notes from the examination room—will be summarily dismissed from the examination and will be reported to the state licensing agency. Decisions regarding disciplinary measures are the responsibility of the state licensing agency.
PREPARING FOR THE EXAM

EXAM CONTENT
The content of the examination is based upon information obtained from a job analysis performed by the Wisconsin Department of Safety & Professional Services (DSPS). Responses from real estate professionals were analyzed to determine the nature and scope of tasks they perform, and the knowledge and skills needed to perform them. This information is the basis upon which examination questions are written and ensures that the examination reflects the actual practice of real estate. Questions are also reviewed and approved by recognized real estate professionals.

The examination has been developed to reflect the laws, regulations, and practice of real estate in Wisconsin, and has been reviewed and approved by real estate professionals in Wisconsin.

MATH CALCULATIONS
The information below is NOT available at the test center and should be memorized.
Candidates may use the following information in making mathematical calculations on the general section of the real estate examinations unless otherwise stated in the text of the question:

- 43,560 square feet/acre
- 5,280 feet/mile
- Round off calculations (where applicable)

The information below, if needed, will be contained within the test itself:
If a question requires the calculation of prorated amounts, the question will specify: a) whether the calculation should be made on the basis of 360 or 365 days a year; and b) whether the day of closing belongs to the buyer or seller

PRETEST QUESTIONS
Many of the examinations will contain “pretest” questions. Pretest questions are questions on which statistical information is being collected for use in constructing future examinations. Responses to pretest questions do not affect a candidate’s score. Pretest questions are mixed in with the scored questions and are not identified.

The number of pretest questions are listed in the content outline heading of each examination for which they are available. If a number is not present then there are no pretest questions for that particular examination.
