INTRODUCTION

This handbook is designed for candidates seeking enrollment on the Pennsylvania Nurse Aide Registry. It describes the process of applying for the National Nurse Aide Assessment Program (NNAAP®) and taking the NNAAP® Examination. **It should be kept for future reference.**

The Pennsylvania Department of Health has contracted with Pearson VUE, a nationally recognized leading provider of assessment services to regulatory agencies and national associations, to develop, score, and report the results of the competency examination for the Pennsylvania Nurse Aide Registry. Credentia will process applications, schedule examinations and administer the examinations.

NATIONAL NURSE AIDE ASSESSMENT PROGRAM (NNAAP®)

The Nursing Home Reform Act, adopted by Congress as part of the Omnibus Budget Reconciliation Act of 1987 (OBRA '87), was designed to improve the quality of care in long-term health care facilities and to define training and evaluation standards for nurse aides who work in such facilities. Each state is responsible for following the terms of this federal law.

The National Nurse Aide Assessment Program (NNAAP®) is an examination program designed to determine minimal competency to become a certified nurse aide in your state. The NNAAP was developed by the National Council of State Boards of Nursing, Inc., (NCSBN) to meet the nurse aide evaluation requirement of federal and state laws and regulations. Pearson VUE is the authorized administrator of the NNAAP in your state.

The NNAAP Examination is an evaluation of nurse aide-related knowledge, skills, and abilities. The NNAAP Examination is made up of both a Written (or Oral) Examination and a Skills Evaluation. The purpose of the NNAAP Examination is to test that you understand and can safely perform the job of an entry-level nurse aide.

EXAM OVERVIEW

The two parts of the NNAAP Examination, the Written (or Oral) Examination and the Skills Evaluation, will be administered on the same day. You must pass both parts in order to be listed on the Pennsylvania Nurse Aide Registry.

continued

The Written Examination consists of seventy (70) multiple-choice questions written in English. Sample examination questions are provided in this handbook. An Oral Examination may be taken in place of the Written Examination if you have difficulty reading English. The Oral Examination consists of sixty (60) multiple-choice questions plus ten (10) reading comprehension/word recognition questions. If you want to take the Oral Examination, you must request it when you submit your registration form.

For the Skills Evaluation you will be asked to perform five (5) randomly selected nurse aide skills. You will be rated on these skills by a Nurse Evaluator. A complete listing of the skills is shown on pages 24 to 39.

See *The Written (or Oral) Exam* and *The Skills Evaluation* for more details about the NNAAP Examination.

ELIGIBILITY

ELIGIBILITY BY EXAMINATION

*Please note that in order to be eligible for employment as a nurse aide in Pennsylvania, you **MUST** be sixteen (16) years of age or older. You **MUST** also submit to a criminal background check and you **MUST NOT** have any exclusionary convictions on record or have substantiated findings on any other state registry or licensing board.*

You are eligible for testing if:

E-0

You have completed a nurse aide training program, approved by the Pennsylvania Department of Education, within the last twenty-four (24) months.

E-3

Your Pennsylvania nurse aide registration has lapsed because you have not worked providing nursing-related services for at least 24 consecutive months. An E-3 candidate has one (1) opportunity to successfully pass the NNAAP Examination. If the examination is failed, the candidate must complete nurse aide training again and reapply under eligibility route E-0.

E-4

You are a certified nurse aide on another state's nurse aide registry but your certification has lapsed because you have not worked providing nursing-related servic-

es for at least 24 consecutive months. An E-4 candidate has one (1) opportunity to successfully pass the NNAAP Examination. If the examination is failed, the candidate must complete nurse aide training again and reapply under eligibility route E-0.

Note: Consistent with 42 CFR 483.75(e)(2), nursing home administrations may employ a non-registered individual as a nurse aide for up to 120 days while the individual works to achieve registration in PA either through the nurse aide training and testing program, or by way of reciprocity from another state.

REGISTRATION AND SCHEDULING

ONLINE REGISTRATION AND SCHEDULING

Online registration is quick, convenient and an environmentally responsible way to register for your examination. This process will eliminate the transit time associated with mailing a paper application.

After completing a Pennsylvania state-approved training course, your name will be sent to Pearson VUE. You will receive an email informing you to complete the application process.

First-time users are required to create an account and complete all required demographic information. Step-by-step instructions will lead the candidate through the rest of the examination reservation process.

- Payment is in the form of a credit card or pre-paid credit card (American Express, MasterCard, Visa or electronic voucher). Fees are non-refundable and non-transferable once submitted.
- You can access the online application at **<https://i7.integral7.com/pana>**
- You must make an online reservation via a PC (smart phones and tablets are not recommended) at least ten (10) calendar days prior to the test date.

continued on page 4

- You are responsible for completing the appropriate sections online. You may ask someone from your nurse aide training program or facility employer for assistance in completing the online application. If you need help or have any questions about the application process, contact a Pearson VUE support representative at 800-457-6752.

EXAM FEES

The fees listed below have been established for the National Nurse Aide Assessment Program in Pennsylvania:

		effective thru 2/14/21	effective starting 2/15/21
Written Examination & Skills Evaluation	<i>both exams</i>	\$102	\$135
Oral Examination & Skills Evaluation	<i>both exams</i>	\$102	\$135
Written Examination ONLY	<i>re-test exam</i>	\$32	\$50
Skills Evaluation ONLY	<i>re-test exam</i>	\$70	\$85
Oral Examination ONLY	<i>re-test exam</i>	\$32	\$50

You must pay for both the Skills Evaluation and the Written (or Oral) Examination the first time you test.

Under federal and Pennsylvania laws, nursing homes are required to pay the NNAAP fees for their nurse aide employees, including individuals required to re-test.

Payment must be made in the form of a credit card, debit card single-use card or electronic voucher. Vouchers can be purchased by the training programs.

Fees are not refundable.

REIMBURSEMENT FOR TRAINING AND TESTING

Federal law prohibits these charges from being imposed on the nurse aide. Nursing Care Facilities (Medicare and Medicaid) are responsible for the full payment of training and testing costs for individuals employed or offered employment at the time the individual enters a Nurse Aide Training and Competency Evaluation Program (CEP). An individual who does not have an employment relationship with a facility at the time the individual enters a NATCEP or CEP, but becomes employed, or obtains an offer of employment within 12 months of completing the program, will be reimbursed for the costs of training and testing by the facility that employs or offers employment to this individual. This reimbursement will be made on a pro rata basis for the period during which the individual is employed as a nurse aide. The nurse aide will be reimbursed for half the costs of training and testing after the nurse aide has worked at the facility as a nurse aide for 130 hours and the remaining half of the training and testing costs after the nurse aide has worked an additional 130 hours. The hours start accruing when the individual has successfully tested and is listed on the registry. This verifies that the individual has completed the program and qualifies for the training and testing reimbursement.

For instructions on reimbursement, please visit:

<http://www.pearsonvue.com/pa/nurseaides/>

EXAM SCHEDULING

Once you have completed your Profile (demographics) and application, your Home Page will state: "Click here to schedule your examinations." Select PR (skills evaluation) first. Select the test site you want to use and a calendar will appear with available test dates highlighted. Select the date you want and repeat the process for the AW (Written) or AO (Oral English). Proceed to checkout and select your form of payment. When completed, you will receive a Confirmation Notice and Receipt of Payment via email.

TESTING LOCATIONS

Please visit www.pearsonvue.com/pa/nurseaides or call 800-457-6752 to determine the schedule of the test site most convenient to you.

ACCOMMODATIONS

Pearson VUE complies with the provisions of the Americans with Disabilities Act as amended. The purpose of accommodations is to provide candidates with full access to the test. Accommodations are not a guarantee of improved performance or test completion. Pearson VUE provides reasonable and appropriate accommodations to individuals with documented disabilities who demonstrate a need for accommodations.

Test accommodations may include things such as:

- A separate testing room
- Extra testing time
- A Reader or Recorder, for individuals with mobility, hearing, or vision impairments and cannot read or write on their own

Test accommodations are individualized and considered on a case-by-case basis. All candidates who are requesting accommodations because of a disability must provide appropriate documentation of their condition and how it is expected to affect their ability to take the test under standard conditions. This may include:

- Supporting documentation from the professional who diagnosed the condition, including the credentials that qualify the professional to make this diagnosis
- A description of past accommodations the candidate has received

The steps to follow when requesting test accommodations vary, depending on your test program sponsor. To begin, go to <http://pearsonvue.com/accommodations>, and then select your test program sponsor from the alphabetized list. Candidates who have additional questions concerning test accommodations may contact the ADA Coordinator at accommodationspearsonvue@pearson.com.

LIGHT DUTY

Federal law prohibits any individual from taking the Skills Evaluation if he/she is on *restricted activity or light duty* due to medical reasons. Candidates must be able to complete all required skills included in the Skills Evaluation. **THERE ARE NO EXCEPTIONS TO THIS RULE.** Candidates who are on light duty are not permitted to take the Skills Evaluation; however, light duty does not prevent a candidate from taking the Written Examination. Appropriate medical documentation stating a return to full, unrestricted duty is required to reschedule the skills exam.

CANCELLATION

If you are unable to attend your examination, ***you MUST call Pearson VUE Customer Service at least nine (9) business days*** before the examination date to re-schedule (Saturday and Sunday and national holidays are not considered business days). If you do not call Pearson VUE at least nine (9) business days in advance of your examination date to re-schedule, and do not show up for your scheduled examination, you will be responsible for the examination fee. Your fee will not be refunded and cannot be transferred to a new examination date, and you may not give your examination date to another person.

- If you do notify Pearson VUE in time, there is no penalty, and your fee may be transferred to your new examination date. If your employer paid your examination fee, you should tell them about missing the examination or re-scheduling. Let them know how you have handled re-scheduling and when you plan to re-test.
- If you do not report to the testing location on the day of your scheduled examination, you will be considered a “no-show” and fees paid will be forfeited. An un-excused absence will also count as one of your 3 “opportunities” to pass the exam.

RE-SCHEDULING

To re-schedule your examination, please call Pearson VUE at (800) 457-6752. You are permitted to re-schedule your exam one time and you must contact Pearson VUE at least nine (9) business days prior to the exam.

REFUNDS

Once payment of exam fees is received, **NO REFUNDS WILL BE ISSUED.**

ABSENCE POLICY

Candidates who are late or absent from an exam may call Pearson VUE within 14 days of the exam date to request an excused absence for the following reasons:

- Illness of yourself or a member of your immediate family
- Death in the family
- Disabling traffic accident
- Court appearance or jury duty
- Military duty

A case number will be assigned and instructions provided for emailing supporting documentation. **Candidates absent from or late to an exam who have not changed or canceled the reservation according to the change/cancel policy will not be admitted to the exam and will forfeit the exam fee.**

WEATHER EMERGENCIES

The examination will be delayed or cancelled only in emergencies. If severe weather or a natural disaster makes the test site inaccessible or unsafe, the examination will be delayed or cancelled.

EXAM DAY

CHECKING IN

You must arrive 30 minutes prior to your scheduled time for BOTH the written examination and for the skills evaluation. If you are late for the written examination you will not be allowed to test and your fees will not be refunded. If you missed your written examination and are scheduled for a skills evaluation, please arrive 30 minutes prior to your scheduled time. Skills Evaluation test times are approximate.

You will be required to check in for both the written examination and for the skills evaluation. You will be required to present proper identification.

WHAT TO BRING

You **MUST** have the following items with you when you take the NNAAP Examination:

- Two (2) forms of official (**current, not expired**), legible, signature-bearing identification, one of which must be photo identification
- Three (3) No. 2 pencils (sharpened)
- Eraser
- Watch with a second hand

No other materials will be allowed.

PROPER IDENTIFICATION

You are required to bring two (2) forms of official, signature-bearing identification to the test site (one of which must be a photo identification). Photocopies of identification will NOT be accepted. Examples of proper identification include:

- Driver's license
- Your Social Security card
- Clinic card
- Credit card
- Library card
- State-issued identification card
- Passport
- Alien registration card

The name on your identification must be the same as the name you used on the application to register for the examination.

If you do not bring proper identification, you will not be allowed to test and your examination fee will not be refunded. This absence will count as one of your 3 opportunities to test because you were not prepared with the correct forms of identification.

SECURITY AND CHEATING

If you give help to or receive help from anyone during the NNAAP Examination, the examination will be stopped. The incident will be reported to the Pennsylvania Department of Health for review, and your examination will not be scored (see *Testing Policies*).

Please note that all examination questions, each form of the examination, and all other examination materials are copyrighted by, the property of, or licensed to Pearson VUE. Consequently, any distribution of the examination content or materials through any form of reproduction, or through oral or written communication, is strictly prohibited and punishable by law. ***Anyone who removes or tries to remove examination material or information from the test site will be prosecuted.***

TESTING POLICIES

The following policies are observed at each test site.

LATENESS

Plan to arrive thirty (30) minutes before the examination starts. If you are late for your scheduled examination, or do not bring all your required materials, you will **NOT** be allowed to test and your examination fee will **NOT** be returned.

ELECTRONIC DEVICES

Cellular phones, beepers, or any other electronic devices are not permitted to be used and must be turned off during testing, and there is no place for storage of personal belongings at the test sites.

STUDY AIDS

You are not permitted to take personal belongings such as briefcases, large bags, study materials, extra books, or papers into the examination room. Any such materials brought into the examination room will be collected and returned to you when you have completed the examination. Pearson VUE is not responsible for lost or misplaced items.

EATING/DRINKING/SMOKING

You are not permitted to eat, drink, or smoke during the examination.

MISCONDUCT

If you are discovered causing a disturbance of any kind or engaging in any kind of misconduct, you will be dismissed

from the examination and reported to the Department of Health. Decisions regarding disciplinary measures are the responsibility of that agency.

GUESTS/VISITORS

No guests, visitors, pets, or children are allowed at the test sites.

THE WRITTEN (OR ORAL) EXAM

WRITTEN EXAM

The Nurse Evaluator will hand out materials and give instructions for taking the Written Examination. The Written Examination has seventy (70) multiple-choice questions. You will have two (2) hours to complete the Written Examination. You will be told when fifteen (15) minutes are left to finish. Fill in only one (1) oval on the answer sheet for each question. Markings in the test booklet will not be accepted as answers. Your answers must appear on the separate answer sheet. Sample questions for the Written Examination are located on page 14.

ORAL EXAM

The Oral Examination is available by selecting AO as the option when you schedule your exam. The Oral Examination consists of sixty (60) multiple-choice questions and ten (10) reading comprehension questions and is given on an MP3 player. Each of the sixty (60) multiple-choice questions will be repeated two (2) times, after which you mark your answer on an answer sheet. The reading comprehension questions test your knowledge of and familiarity with common, job-related words. Each of these words is repeated three (3) times. You have two (2) hours to complete the entire Oral Examination. You must pass both the multiple-choice and reading comprehension sections in order to pass the Oral Examination.

SELF-ASSESSMENT READING TEST

A self-assessment reading test, found on page 15 of this handbook, will help you decide if you should take the Oral Examination.

2016 WRITTEN (OR ORAL) EXAM CONTENT OUTLINE

The revised content outline is based on the findings from the *2014 Job Analysis and Knowledge, Skill, and Ability Study of Nurse Aides* published by the National Council of State Boards of Nursing (NCSBN) in 2015. The examination content outline will be effective January 2016.

The NNAAP written examination is comprised of 70 multiple-choice items; 10 of these items are pretest (non-scored) items on which statistical information will be collected. The NNAAP oral examination is comprised of 60 multiple-choice items and 10 reading comprehension (word recognition) items. The candidate is allowed to choose between a written and an oral examination.

If your score is less than 17, you may have difficulty reading the Written Examination and should consider taking the Oral Examination in place of the Written Examination.

THE SKILLS EVALUATION

WHAT TO EXPECT

SETTING

The Skills Evaluation is set up to resemble an actual caregiving situation. The Skills Evaluation area will look similar to your work setting. It will have all the equipment necessary to perform the assigned skills. The Skills Evaluation will be administered by a Nurse Aide Evaluator. Before your skills evaluation begins, the evaluator will show you where equipment is located and answer questions about operating the equipment. **Please arrive 30 minutes early. Test times are approximate. Please plan to spend the day. See pages 24-39 for the complete skills listing.**

WHO WILL ACT AS A CLIENT?

The part of the “client” will be played by a candidate who volunteers to act as a weakened elderly person. While you perform the skills, speak to the candidate volunteer as you would speak to an actual client in a nurse aide work setting. You are encouraged to speak to the candidate volunteer not only because it is part of quality care, but also because it will help you to relax as you perform the skills. Please note, you may not receive help from anyone during the Skills Evaluation, and the candidate and the client must speak to one another in English so that the evaluator can understand and correctly score the evaluation. If either candidate gives help or receives help during the test, or the client and candidate are communicating in a language other than English, the test will be stopped.

CANDIDATE VOLUNTEER REQUIREMENTS

You will need to act as a candidate volunteer for another nurse aide’s Skills Evaluation and play the role of a nursing home patient (client). The evaluator will give you verbal instructions that will describe how you should act in performing the role of the client.

You **must wear flat, slip-on, non-skid shoes**; a loose-fitting top with short sleeves that can be rolled up to the shoulder, or tank top; and loose fitting pants that can be rolled up. You will be required to put a gown on over your clothing. In no case may candidates remove clothing down to undergarments. Prior to beginning the exam, you should inform the evaluator of any food or latex allergy or sensitivity to skin soaps or lotion. Any limitations to range of motion must also be communicated to the evaluator prior to the start of the skills examination.

For infection control purposes, you should not come to the test site with open areas/sores on the skin. Candidates with any open areas or sores on their skin should reschedule their skills test to a later date after their skin fully heals.

THE TASKS

The NNAAP Skills List contains all of the skills that you may be asked to demonstrate during the Skills Evaluation. Each skill represents a task that you will be asked to perform in your job and has been broken down into a series of steps.

A step that is highlighted in *bold type* is called a **Critical Element Step**. Critical Element Steps are important steps that must be performed correctly in order for you to pass the skill. If you leave out a Critical Element Step or do not perform a Critical Element Step properly, you will not pass the skill. However, if you perform only the Critical Element Step correctly in a skill, you do not automatically pass that skill. You must also correctly demonstrate enough steps to meet the passing standard (or *cut score*) for each skill.

Before your Skills Evaluation begins, the Nurse Aide Evaluator will give you an instruction card that will list the five (5) skills selected for you to perform. Hand-washing will always be one of the skills to be performed. The remaining four (4) skills are randomly chosen from the complete set of skills listings on pages 24 to 39 of this handbook. You are strongly encouraged to perform the skills in the order they are listed on the instruction card.

If you make a mistake, say so, and you will be instructed to tell the evaluator which step(s) is to be corrected and then to perform the step(s). You will not have to redo the entire skill, just the steps you wish to correct. There are, however, some exceptions to this rule. If you fail to put on gloves or take them off when it is required to do so and the evaluator reminds you to do so, for infection control purposes, then you will not receive credit for attempting to correct this step. If you wish to correct an order-dependent step (a step stating that an action should be performed **before** or **after** another step) and you fail to say **when** the corrected step should be performed, you will not receive credit for the correction.

Once you begin a new skill, you may not go back to correct a previous skill. The Nurse Aide Evaluator will not answer questions **during** the Skills Evaluation and will not tell you whether you performed a skill correctly. You may not receive help from anyone during the Skills Evaluation. If you do have any questions, please ask them before the Skills Evaluation begins.

One (1) of the four (4) randomly-selected skills will include a measurement skill (see the section below, *Recording A Measurement*, for more information regarding measurement skills).

You must successfully complete five (5) out of the five (5) skills in the skill form to pass the Skills Evaluation. You will have 30 minutes to demonstrate all 5 skills. When 25 minutes have elapsed the nurse aide evaluator will advise you that you have 5 minutes left.

When you have completed your skills evaluation, the evaluator will direct you to wash your hands. Although this will not effect your examination results, for the purposes of infection control, you must wash your hands.

RECORDING A MEASUREMENT

The NNAAP Skills Evaluation requires every candidate to perform one measurement skill, such as blood pressure, radial pulse, respirations, urine output, or weight. You will be given a special form, called a Recording Sheet for Measurement Skills, to write down, or *record*, the measurement. For example, if performing the *Measures and Records Blood Pressure* skill, you will write the complete systolic and diastolic pressures of your blood pressure reading in a box labeled Candidate Results.

On the following page is a copy of the recording sheet that will be used during the skills exam. The candidate must record his/her results in the Candidate Results box on this sheet. This sheet will be used to record the results of the following measurement skills:

- Measures and Records Blood Pressure
- Measures and Records Weight of Ambulatory Client
- Measures and Records Urinary Output
- Counts and Records Radial Pulse
- Counts and Records Respirations

TIPS FOR THE SKILLS EVALUATION

- You will be expected to perform the skills as you would in a nursing home setting. When water is required, you must use running water. All candidates will be required to perform the *Hand Hygiene* skill. The evaluator will inform you after you have washed your hands for the first time that you should just tell him or her when you would wash your hands during your performance of the rest of the skills, rather than actually washing them for each skill. For all steps other than hand-washing, you must actually perform the skill in order to receive credit. You may not simply tell the evaluator what you would do for simulating a step. For example, you may not simply tell the evaluator that you would wash the client. You must actually demonstrate washing the client. You may not simply tell the evaluator that you would feed the client. You must actually demonstrate feeding the client.
- After you have introduced yourself to the client for the first time, it is not necessary for you to introduce yourself each time you begin a new skill.
- To receive full credit for a measurement skill, you must accurately make the required measurement and then write that measurement on the *Recording Sheet for Measurement Skills*. The evaluator will provide the Recording Sheet to you at the test site. A sample of the Recording Sheet is shown on page 22 of this handbook. You are encouraged to become familiar with the Recording Sheet before your scheduled test date.
- You must know how to operate both a standing and a non-digital bathroom scale and must know how to set both types of scales to zero.
- You **may not bring** any of your own equipment to the test site (i.e. transfer/gait belt).
- It is important for you to place the call signal within the client's reach whenever you leave the client.
- *Where the word "client" appears, it refers to the person receiving care.*

SKILLS LISTING

The 23 skills that follow are arranged in alphabetical order, except for the *Hand Hygiene (Hand Washing)* skill. Hand Hygiene is listed first as a reminder of the importance of performing this skill before all other skills. The numbered lines below each skill are the steps needed to perform that skill. Critical Element Steps are in bold type.

SKILL 1 — HAND HYGIENE (HAND WASHING)

- 1 Address client by name and introduces self to client by name
- 2 Turns on water at sink
- 3 Wets hands and wrists thoroughly
- 4 Applies soap to hands
- 5 **Lathers all surfaces of wrists, hands, and fingers producing friction, for at least 20 (twenty) seconds, keeping hands lower than the elbows and the fingertips down**
- 6 Cleans fingernails by rubbing fingertips against palms of the opposite hand
- 7 **Rinse all surfaces of wrists, hands, and fingers, keeping hands lower than the elbows and the fingertips down**
- 8 Uses clean, dry paper towel/towels to dry all surfaces of fingers, hands, and wrists starting at fingertips then disposes of paper towel/towels into waste container
- 9 Uses clean, dry paper towel/towels to turn off faucet then disposes of paper towel/towels into waste container or uses knee/foot control to turn off faucet
- 10 Does not touch inside of sink at any time

SKILL 2 — APPLIES ONE KNEE-HIGH ELASTIC STOCKING (Tested on the candidate volunteer with a clean, unused stocking)

- 1 Explains procedure, speaking clearly, slowly, and directly, maintaining face-to-face contact whenever possible
- 2 Privacy is provided with a curtain, screen, or door
- 3 Client is in supine position (lying down in bed) while stocking is applied
- 4 Turns stocking inside-out, at least to the heel
- 5 Places foot of stocking over toes, foot, and heel

Skill continues

- 6 Pulls top of stocking over foot, heel, and leg
- 7 Moves foot and leg gently and naturally, avoiding force and over-extension of limb and joints
- 8 Finishes procedure with no twists or wrinkles and heel of stocking, if present, is over heel and opening in toe area (if present) is either over or under toe area; if using a mannequin, candidate may state stocking needs to be wrinkle-free**
- 9 Signaling device is within reach and bed is in low position
- 10 After completing skill, wash hands

SKILL 3 — ASSISTS TO AMBULATE USING TRANSFER BELT

- 1 Explains procedure, speaking clearly, slowly, and directly, maintaining face-to-face contact whenever possible
- 2 Privacy is provided with a curtain, screen, or door
- 3 Before assisting to stand, client is wearing non-skid shoes/footwear**
- 4 Before assisting to stand, bed is at a safe level
- 5 Before assisting to stand, checks and/or locks bed wheels
- 6 Before assisting to stand, client is assisted to sitting position with feet flat on the floor**
- 7 Before assisting to stand, applies transfer belt securely at the waist over clothing/gown
- 8 Before assisting to stand, provides instructions to enable client to assist in standing including prearranged signal to alert client to begin standing
- 9 Stands facing client positioning self to ensure safety of candidate and client during transfer. Counts to three (or says other prearranged signal) to alert client to begin standing
- 10 On signal, gradually assists client to stand by grasping transfer belt on both sides with an upward grasp (candidate's hands are in upward position), and maintaining stability of client's legs by standing knee to knee, or toe to toe with client
- 11 Walks slightly behind and to one side of client for a distance of ten (10) feet, while holding onto the belt
- 12 Assists client to bed and removes transfer belt
- 13 Signaling device is within reach and bed is in low position
- 14 After completing skill, wash hands

SKILL 4 — ASSISTS WITH USE OF BEDPAN

- 1 Explains procedure speaking clearly, slowly, and directly, maintaining face-to-face contact whenever possible
- 2 Privacy is provided with a curtain, screen, or door
- 3 Before placing bedpan, lowers head of bed
- 4 Puts on clean gloves for placing bedpan under client
- 5 Places bedpan correctly under client's buttocks
- 6 Removes and disposes of gloves (without contaminating self) into waste container and washes hands
- 7 After assisting client with bedpan and removing gloves, raises head of bed
- 8 Toilet tissue is within reach
- 9 Hand wipes within reach and client instructed to clean hands with hand wipe when finished
- 10 Signaling device within reach and client is asked to signal when finished
- 11 Puts on clean gloves before removing bedpan
- 12 Head of bed is lowered before bedpan is removed
- 13 Ensures client is covered except when placing and removing bedpan
- 14 Empties and rinses bedpan and pours rinse into toilet
- 15 Places bedpan in designated dirty supply area
- 16 Removes and disposes of gloves (without contaminating self) into waste container and washes hands
- 17 Signaling device is within reach and bed is in low position

SKILL 5 — CLEANS UPPER OR LOWER DENTURE

- 1 Puts on clean gloves before handling denture
- 2 Bottom of sink is lined and/or sink is partially filled with water before denture is held over sink
- 3 Rinses denture in moderate temperature running water before brushing them
- 4 Applies denture toothpaste to toothbrush
- 5 Brushes all surfaces of denture
- 6 Rinses all surfaces of denture under moderate temperature running water
- 7 Rinses denture cup and lid
- 8 Places denture in denture cup with moderate temperature water/solution and places lid on cup

Skill continues

- 9 Rinses toothbrush and places in designated toothbrush basin/container
- 10 Maintains clean technique with placement of toothbrush and denture
- 11 Sink liner is removed and disposed of appropriately and/or sink is drained
- 12 Removes and disposes of gloves (without contaminating self) into waste container and washes hands

SKILL 6 — COUNTS AND RECORDS RADIAL PULSE

- 1 Explains procedure, speaking clearly, slowly, and directly, maintaining face-to-face contact whenever possible
- 2 Places fingertips on thumb side of client's wrist to locate radial pulse
- 3 Count beats for one full minute
- 4 Signaling device is within reach
- 5 Before recording, washes hands
- 6 Records pulse rate within plus or minus 4 beats of evaluator's reading**

SKILL 7 — COUNTS AND RECORDS RESPIRATIONS

- 1 Explains procedure (for testing purposes), speaking clearly, slowly, and directly, maintaining face-to-face contact whenever possible
- 2 Counts respirations for one full minute
- 3 Signaling device is within reach
- 4 Before recording, washes hands
- 5 Records respiration rate within plus or minus 2 breaths of evaluator's reading**

SKILL 8 — DONNING AND REMOVING PPE (GOWN AND GLOVES)

- 1 Picks up gown and unfolds
- 2 Facing the back opening of the gown places arms through each sleeve
- 3 Fastens the neck opening
- 4 Secures gown at waist making sure that back of clothing is covered by gown (as much as possible)
- 5 Puts on gloves

Skill continues

- 6 Cuffs of gloves overlap cuffs of gown
- 7 **Before removing gown, with one gloved hand, grasps the other glove at the palm, remove glove**
- 8 **Slips fingers from ungloved hand underneath cuff of remaining glove at wrist, and removes glove turning it inside out as it is removed**
- 9 Disposes of gloves into designated waste container without contaminating self
- 10 After removing gloves, unfastens gown at waist and neck
- 11 After removing gloves, removes gown without touching outside of gown
- 12 While removing gown, holds gown away from body without touching the floor, turns gown inward and keeps it inside out
- 13 Disposes of gown in designated container without contaminating self
- 14 After completing skill, washes hands

SKILL 9 — DRESSES CLIENT WITH AFFECTED (WEAK) RIGHT ARM

- 1 Explains procedure, speaking clearly, slowly, and directly, maintaining face-to-face contact whenever possible
- 2 Privacy is provided with a curtain, screen, or door
- 3 Asks which shirt he/she would like to wear and dresses him/her in shirt of choice
- 4 Avoids overexposure of client by ensuring client's chest is covered
- 5 Removes gown from the left (unaffected) side first, then removes gown from the right (affected/weak) side
- 6 Before dressing client, disposes of gown into soiled linen container
- 7 **Assists to put the right (affected/weak) arm through the right sleeve of the shirt before placing garment on left (unaffected) arm**
- 8 While putting on shirt, moves body gently and naturally, avoiding force and over-extension of limbs and joints
- 9 Finishes with clothing in place
- 10 Signaling device is within reach and bed is in low position
- 11 After completing skill, washes hands

SKILL 10 — FEEDS CLIENT WHO CANNOT FEED SELF

- 1 Explains procedure to client, speaking clearly, slowly, and directly, maintaining face-to-face contact whenever possible
- 2 Before feeding, looks at name card on tray and asks client to state name
- 3 Before feeding client, client is in an upright sitting position (75-90 degrees)**
- 4 Places tray where the food can be easily seen by client
- 5 Candidate cleans client's hands before beginning feeding
- 6 Candidate sits in a chair facing client during feeding
- 7 Tells client what foods and beverage are on tray
- 8 Asks client what he/she would like to eat first
- 9 Using spoon, offers client one bite of each type of food on tray, telling client the content of each spoonful
- 10 Offers beverage at least once during meal
- 11 Candidate asks client if they are ready for next bite of food or sip of beverage
- 12 At end of meal, candidate cleans client's mouth and hands
- 13 Removes food tray
- 14 Leaves client in upright sitting position (75-90 degrees) with signaling device within client's reach
- 15 After completing skill, washes hands

SKILL 11 — GIVES MODIFIED BED BATH (FACE AND ONE ARM, HAND AND UNDERARM)

- 1 Explains procedure, speaking clearly, slowly, and directly, maintaining face-to-face contact whenever possible
- 2 Privacy is provided with a curtain, screen, or door
- 3 Removes gown and places directly in soiled linen container while ensuring client's chest and lower body is covered
- 4 Before washing, checks water temperature for safety and comfort and asks client to verify comfort of water
- 5 Puts on clean gloves before washing client.
- 6 Beginning with eyes, washes eyes with wet washcloth (no soap), using a different area of the washcloth for each stroke, washing inner aspect to outer aspect then proceeds to wash face**

Skill continues

- 7 Dries face with dry cloth towel/washcloth
- 8 Exposes one arm and places cloth towel underneath arm
- 9 Applies soap to wet washcloth
- 10 Washes fingers (including fingernails), hand, arm, and underarm keeping rest of body covered
- 11 Rinses and dries fingers, hand, arm, and underarm
- 12 Moves body gently and naturally, avoiding force and over-extension of limbs and joints
- 13 Puts clean gown on client
- 14 Empties, rinses, and dries basin
- 15 Places basin in designated dirty supply area
- 16 Disposes of linen into soiled linen container
- 17 Avoids contact between candidate clothing and used linens
- 18 Removes and disposes of gloves (without contaminating self) into waste container and washes hands
- 19 Signaling device is within reach and bed is in low position

SKILL 12* — MEASURES AND RECORDS ELECTRONIC BLOOD PRESSURE

***STATE SPECIFIC (EVALUATOR: DO NOT SUBSTITUTE THIS SKILL FOR SKILL 23 'MANUAL BLOOD PRESSURE')**

- 1 Explains procedure, speaking clearly, slowly, and directly, maintaining eye-to-face contact whenever possible
- 2 Places client's pillow with a chair, table, or door
- 3 Has client assume a comfortable lying or sitting position
- 4 Client's arm is positioned at level of heart with palm up and elbow at side and is exposed
- 5 Selects appropriate cuff size
- 6 Feels for brachial artery on inner aspect of arm, at bend of elbow
- 7 Places blood pressure cuff snug on client's upper arm and sensor is over the brachial artery
- 8 Turns on the machine and ensures device is functioning. If the machine has different settings for infants, children, and adults, selects the appropriate setting
- 9 Pushes start button. If cuff inflates to more than 200 mm Hg then stops machine and uses cuff on client's other arm

Skill continues

- 10 Waits until the blood pressure reading appears on the screen and then the cuff is deflated, then removes the cuff
- 11 Signaling device is within reach
- 12 Before recording, washes hands
- 13 **After obtaining reading using BP cuff, records both systolic and diastolic pressures exactly as displayed on the digital screen**

SKILL 13 — MEASURES AND RECORDS URINARY OUTPUT

- 1 Puts on clean gloves before handling bedpan
- 2 Pours the contents of the bedpan into measuring container without spilling or splashing urine outside of container
- 3 Rinses bedpan and pours rinse into toilet
- 4 Measures the amount of urine at eye level with container on flat surface (if between measurement lines, round up to nearest 25 ml/cc)
- 5 After measuring urine, empties contents of measuring container into toilet
- 6 Rinses measuring container and pours rinse into toilet
- 7 Before recording output, removes and disposes of gloves (without contaminating self) into waste container and washes hands
- 8 **Records contents of container within plus or minus 25 ml/cc of evaluator's reading**

SKILL 14 — MEASURES AND RECORDS WEIGHT OF AMBULATORY CLIENT

- 1 Explains procedure, speaking clearly, slowly, and directly, maintaining face-to-face contact whenever possible
- 2 Client has non-skid shoes/footwear on before walking to scale
- 3 Before client steps on scale, candidate sets scale to zero
- 4 Asks client to step on center of scale and obtains client's weight
- 5 Asks client to step off scale
- 6 Before recording, washes hands
- 7 **Records weight based on indicator on scale. Weight is within plus or minus 2 lbs of evaluator's reading (If weight recorded in kg weight is within plus or minus 0.9 kg of evaluator's reading)**

SKILL 15 — PERFORMS MODIFIED PASSIVE RANGE OF MOTION (PROM) FOR ONE KNEE AND ONE ANKLE

- 1 Explains procedure, speaking clearly, slowly, and directly, maintaining face-to-face contact whenever possible
- 2 Privacy is provided with a curtain, screen, or door
- 3 Ensures that client is supine in bed and instructs client to inform candidate if pain is experienced during exercise
- 4 **While supporting the leg at knee and ankle, bends the knee and then returns leg to client's normal position (flexion/extension) (AT LEAST 3 TIMES unless pain is verbalized). Moves joints gently, slowly and smoothly through the range of motion, discontinuing exercise if client verbalizes pain.**
- 5 **While supporting the foot and ankle close to the bed, pushes/pulls foot toward head (dorsiflexion), and pushes/pulls foot down, toes point down (plantar flexion) (AT LEAST 3 TIMES unless pain is verbalized). Moves joints gently, slowly and smoothly through the range of motion, discontinuing exercise if client verbalizes pain.**
- 6 Signaling device is within reach and bed is in low position
- 7 After completing skill, washes hands

SKILL 16 — PERFORMS MODIFIED PASSIVE RANGE OF MOTION (PROM) FOR ONE SHOULDER

- 1 Explains procedure, speaking clearly, slowly, and directly, maintaining face-to-face contact whenever possible
- 2 Privacy is provided with a curtain, screen, or door
- 3 Instructs client to inform candidate if pain experienced during exercise
- 4 **While supporting arm at the elbow and at the wrist, raises client's straightened arm from side position upward toward head to ear level and returns arm down to side of body (flexion/extension) (AT LEAST 3 TIMES unless pain is verbalized). Moves joint gently, slowly and smoothly through the range of motion, discontinuing exercise if client verbalizes pain.**

Skill continues

- 5 While supporting arm at the elbow and at the wrist, moves client's straightened arm away from the side of body to shoulder level and returns to side of body (abduction/adduction) (AT LEAST 3 TIMES unless pain is verbalized). Moves joint gently, slowly and smoothly through the range of motion, discontinuing exercise if client verbalizes pain.
- 6 Signaling device is within reach and bed is in low position
- 7 After completing skill, washes hands

SKILL 17 — POSITIONS ON SIDE

- 1 Explains procedure, speaking clearly, slowly, and directly, maintaining face-to-face contact whenever possible
- 2 Privacy is provided with a curtain, screen, or door
- 3 Before turning, lowers head of bed
- 4 Raises side rail on side to which body will be turned
- 5 Candidate assists client to slowly roll onto side toward raised side rail
- 6 Places or adjusts pillow under head for support
- 7 Candidate repositions arm and shoulder so that client is not lying on arm
- 8 Supports top arm with supportive device
- 9 Places supportive device behind client's back
- 10 Places supportive device between legs with top knee flexed; knee and ankle supported
- 11 Signaling device is within reach and bed is in low position
- 12 After completing skill, washes hands

SKILL 18 — PROVIDES CATHETER CARE FOR FEMALE

- 1 Explains procedure, speaking clearly, slowly, and directly, maintaining face-to-face contact whenever possible
- 2 Privacy is provided with a curtain, screen, or door
- 3 Before washing, checks water temperature for safety and comfort and asks client to verify comfort of water
- 4 Puts on clean gloves before washing
- 5 Places linen protector under perineal area including buttocks before washing

Skill continues

- 6 Exposes area surrounding catheter (only exposing client between hip and knee)
- 7 Applies soap to wet washcloth
- 8 While holding catheter at meatus without tugging, cleans at least four inches of catheter from meatus, moving in only one direction, away from meatus, using a clean area of the washcloth for each stroke**
- 9 While holding catheter at meatus without tugging, using a clean washcloth, rinses at least four inches of catheter from meatus, moving only in one direction, away from meatus, using a clean area of the washcloth for each stroke**
- 10 While holding catheter at meatus without tugging, dries at least four inches of catheter moving away from meatus using a dry cloth towel/washcloth
- 11 Empties, rinses, and dries basin
- 12 Places basin in designated dirty supply area
- 13 Disposes of used linen into soiled linen container and disposes of linen protector appropriately
- 14 Avoids contact between candidate clothing and used linen
- 15 Removes and disposes of gloves (without contaminating self) into waste container and washes hands
- 16 Signaling device is within reach and bed is in low position

SKILL 19 — PROVIDES FOOT CARE ON ONE FOOT

- 1 Explains procedure, speaking clearly, slowly, and directly, maintaining face-to-face contact whenever possible
- 2 Privacy is provided with a curtain, screen, or door
- 3 Before washing, checks water temperature for safety and comfort and asks client to verify comfort of water
- 4 Basin is in a comfortable position for client and on protective barrier
- 5 Puts on clean gloves before washing foot
- 6 Client's bare foot is placed into the water
- 7 Applies soap to wet washcloth
- 8 Lifts foot from water and washes foot (including between the toes)

Skill continues

- 9 Foot is rinsed (including between the toes)
- 10 Dries foot (including between the toes) with dry cloth towel/washcloth
- 11 Applies lotion to top and bottom of foot (excluding between the toes) removing excess with a towel/washcloth
- 12 Supports foot and ankle during procedure
- 13 Empties, rinses, and dries basin
- 14 Places basin in designated dirty supply area
- 15 Disposes of used linen into soiled linen container
- 16 Removes and disposes of gloves (without contaminating self) into waste container and washes hands
- 17 Signaling device is within reach

SKILL 20 — PROVIDES MOUTH CARE

- 1 Explains procedure, speaking clearly, slowly, and directly, maintaining face-to-face contact whenever possible
- 2 Privacy is provided with a curtain, screen, or door
- 3 Before providing mouth care, client is in upright sitting position (75-90 degrees)
- 4 Puts on clean gloves before cleaning mouth
- 5 Places cloth towel across chest before providing mouth care
- 6 Secures cup of water and moistens toothbrush
- 7 Before cleaning mouth, applies toothpaste to moistened toothbrush
- 8 Cleans mouth (including tongue and all surfaces of teeth), using gentle motions**
- 9 Maintains clean technique with placement of toothbrush
- 10 Candidate holds emesis basin to chin while client rinses mouth
- 11 Candidate wipes mouth and removes clothing protector
- 12 Disposes of used linen into soiled linen container
- 13 Rinses toothbrush and empties, rinses, and dries basin
- 14 Removes and disposes of gloves (without contaminating self) into waste container and washes hands
- 15 Signaling device is within reach and bed is in low position

SKILL 21 — PROVIDES PERINEAL CARE (PERI-CARE) FOR FEMALE

- 1 Explains procedure, speaking clearly, slowly, and directly, maintaining face-to-face contact whenever possible
- 2 Privacy is provided with a curtain, screen, or door
- 3 Before washing, checks water temperature for safety and comfort and asks client to verify comfort of water
- 4 Puts on clean gloves before washing perineal area
- 5 Places pad/ linen protector under perineal area including buttocks before washing
- 6 Exposes perineal area (only exposing between hips and knees)
- 7 Applies soap to wet washcloth
- 8 Washes genital area, moving from front to back, while using a clean area of the washcloth for each stroke**
- 9 Using clean washcloth, rinses soap from genital area, moving from front to back, while using a clean area of the washcloth for each stroke**
- 10 Dries genital area moving from front to back with dry cloth towel/washcloth
- 11 After washing genital area, turns to side, then washes rectal area moving from front to back using a clean area of washcloth for each stroke.
- 12 Using clean washcloth, rinses soap from rectal area, moving from front to back, while using a clean area of the washcloth for each stroke
- 13 Dries rectal area moving from front to back with dry cloth towel/washcloth
- 14 Repositions client
- 15 Empties, rinses, and dries basin
- 16 Places basin in designated dirty supply area
- 17 Disposes of used linen into soiled linen container and disposes of linen protector appropriately
- 18 Avoids contact between candidate clothing and used linen
- 19 Removes and disposes of gloves (without contaminating self) into waste container and washes hands
- 20 Signaling device is within reach and bed is in low position

SKILL 22 — TRANSFERS FROM BED TO WHEELCHAIR USING TRANSFER BELT

- 1 Explains procedure, speaking clearly, slowly, and directly, maintaining face-to-face contact whenever possible
- 2 Privacy is provided with a curtain, screen, or door

SKILL 23* — MEASURES AND RECORDS MANUAL BLOOD PRESSURE

***STATE SPECIFIC (EVALUATOR: DO NOT
SUBSTITUTE THIS SKILL FOR SKILL 12
'ELECTRONIC BLOOD PRESSURE')**

- 1 Explains procedure, speaking clearly, slowly, and directly, maintaining face-to-face contact whenever possible
- 2 Before using stethoscope, wipes bell/diaphragm and earpieces of stethoscope with alcohol
- 3 Client's arm is positioned with palm up and upper arm is exposed
- 4 Feels for brachial artery on inner aspect of arm, at bend of elbow
- 5 Places blood pressure cuff snugly on client's upper arm, with sensor/arrow over brachial artery site
- 6 Earpieces of stethoscope are in ears and bell/diaphragm is over brachial artery site
- 7 Candidate inflates cuff between 160mm Hg to 180 mm Hg. If beat heard immediately upon cuff deflation, completely deflate cuff. Re-inflate cuff to no more than 200 mm Hg
- 8 Deflates cuff slowly and notes the first sound (systolic reading), and last sound (diastolic reading) (If rounding needed, measurements are rounded UP to the nearest 2 mm of mercury)
- 9 Removes cuff
- 10 Signaling device is within reach
- 11 Before recording, washes hands
- 12 After obtaining reading using BP cuff and stethoscope, records both systolic and diastolic pressures each within plus or minus 8 mm of evaluator's readings**

Skill continues

While a formal nurse aide “scope of practice” does not exist, these skills addressed as part of the NATCEP program constitute the range of acceptable duties that may be assigned to a nurse aide and that a nurse aide will be deemed competent to perform. Duties inherent to another professional scope of practice, such as those associated with a Licensed Practical Nurse or Registered Nurse, are deemed inappropriate for a nurse aide to perform.

SCORE REPORTING

EXAM RESULTS

To access your score report, please log into your account at <http://www.pearsonvue.com/pa/nurseaides>. Score reports are generally available within a few hours after a testing event is completed for the day. If it has been more than 24 hours and you are unable to view your score report in the portal, please contact customer service at 800-457-6752.

SCORE REPORTING

Pearson VUE will provide you with your official examination results within a few hours after a testing event is completed for the day. Score reports are provided online and are available for you to print or download. Examinations results will not be given over the telephone nor can they be sent by Pearson VUE to your employer.

DUPLICATE SCORE REPORT

Score reports for exams taken on or after July 1, 2018 are available for instant download and printing online. Please log into your account at www.pearsonvue.com/pa/nursesides to access these reports. To request a duplicate score report for an exam taken prior to January 1, 2018, please complete an inquiry form by logging into your account or contact customer service at 800-457-6752.

FAILING

If you fail the Written (or Oral) Examination or the Skills Evaluation, your Score Report will provide you with information on how to re-take either or both parts.

If you fail either part of the NNAAP Examination three (3) times, you will need to complete another training program and re-take **BOTH** parts of the NNAAP Examination, not just the part that was failed. In addition, if you were scheduled to take the exam 3 times and did not become certified — either as a result of failing the exam or absence(s) — you will need to re-train.

If you are either an E3 or an E4 candidate (*see page 2*), you have **ONLY ONE** attempt to pass the examination. If you fail, you **MUST** re-train and re-apply under eligibility route E0.

See Registration and Scheduling for more details.

HOW TO READ A FAILING SCORE REPORT

If you do not pass the Skills Evaluation, you will receive a Failing Score Report. The score report will list the five (5) skills that you performed and a score of *Satisfactory* or *Unsatisfactory* for each skill. Any skill with an *Unsatisfactory* result is considered a failed skill. You must receive a *Satisfactory* result on all five (5) skills in order to pass the Skills Evaluation.

Use your Failing Score Report as an aid in studying to re-take the Skills Evaluation. A failed skill will show the reason for the failure. You may not have performed the steps of a skill correctly, or you may have forgotten a step, especially a Critical Element Step.

The Failing Score Report will list steps that were missed or incorrect—look for numbers printed directly under a skill marked *Unsatisfactory*. A list of all the skills and the steps needed for each skill can be found in this handbook. Find the skill you failed, and study the steps, especially steps listed as *Unsatisfactory* on the score report.

In the example below, a candidate received a result of *Unsatisfactory* on the skill *Hand Hygiene*. The numbers 1, 5, and 10 printed below the skill refer to steps that were missed or performed incorrectly. To study for re-taking the Skills Evaluation, this candidate should turn to the Skills Listing in this handbook, look for the *Hand Hygiene* skill, and review all the steps, especially steps 1, 5, and 10.

Pennsylvania NNAAP® Examination Results	
Exam: Skills	Result: Fail
Skills Performance:	
Hand Hygiene 1, 5, 10	Unsatisfactory
Provides Mouth Care	Satisfactory
Measures and Records Blood Pressure	Satisfactory
Puts One Knee-High Elastic Stocking on Client	Satisfactory
Assists Client to Ambulate using transfer belt	Satisfactory

PASSING

Once you have passed both the Written (or Oral) Examination and the Skills Evaluation, your name will be placed on the Pennsylvania Nurse Aide Registry. A Registry Card (also known as a Notice of Enrollment) will be mailed to you by Pearson VUE and will arrive approximately three (3) weeks after you successfully complete both the Written (or Oral) Examination and the Skills Evaluation. You must show this card to your employer. ***Do not make any changes to your Registry Card. Any changes to the Registry Card could affect your status as a nurse aide.***

You must successfully pass both parts of the NNAAP Examination within two (2) years of your training program completion date in order to be eligible for placement on the Pennsylvania Nurse Aide Registry.

Note: Although you were required to submit to a background check in order to participate in the nurse aide training and testing program, employers must conduct routine background checks at the time of employment to ensure your eligibility to work in their facility (<http://www.aging.state.pa.us/psonlinetraining/cwp/view.asp?a=3&Q=242763>). Consistent with 35 PS §10225.506, facilities may employ you on a provisional basis for a single period not to exceed thirty (30) days for candidates who have resided in Pennsylvania for two years immediately preceding the date of the application for employment; and, for applicants who have not been a resident of Pennsylvania for two years immediately preceding the date of the application for employment, a period of ninety (90) days, if all the following conditions are met:

- 1) The applicant has applied for the information required under the Act and the applicant provides a copy of the appropriate completed request forms to the administrator.
- 2) The facility has no knowledge of information pertaining to the applicant which would disqualify applicant from employment pursuant to the Act, subject to 18 Pa. C.S. § 4911 (relating to tampering with public records or information).
- 3) The applicant swears or affirms in writing that applicant is not disqualified from employment under the Act.

GRIEVANCE PROCESS

All grievances must be in writing and submitted through the online system. The candidate must provide as much detail as possible in the grievance form. The grievance must be submitted within 30 days of the candidate's exam date. After receipt of the grievance form, the complaint will be investigated.

Once the investigation is complete, Pearson VUE will send written correspondence back to the candidate informing him/her of the outcome of the investigation. If the grievance is substantiated, the candidate will be allowed to retest at no additional cost.

You can access the grievance form by logging into your account. Once you are in your account, go to Actions on the left side, and select Complete a Form. Under Other Forms you will select the Grievance Form. Please ensure you complete all information in the form and then Submit. You will receive a response within 30 days of receipt.

THE REGISTRY

REGISTRY RENEWAL

Once you are listed on the Registry, Pearson VUE will mail a notification of continued enrollment to your home address (as listed on the Registry) approximately ninety (90) days prior to expiration of your enrollment. To be eligible for continued enrollment, you are required to work as a nurse aide at least **one documented day (i.e. 8 consecutive hours) for pay in an approved facility** (such as a nursing home, personal care home, hospital, home health setting or intermediate care facility) during the previous twenty-four (24) months. *Self-employment, private-duty, or employment in doctors' offices are not acceptable forms of work experience for continued enrollment.*

Note: 42 CFR 483.75(e)(8) requires that facilities provide at least 12 hours of training to their nurse aides based on needs identified in yearly performance reviews. PA State Code 201.20 outlines a list of required yearly in-service topics that must be provided to facility personnel including: Infection Prevention and Control; Fire Prevention and Safety; Accident Prevention; Disaster Preparedness; Resident Confidential Information; Resident Psychosocial Needs; Restorative Nursing Techniques; Resident Rights, including Property Rights; Privacy; Preservation of Dignity; Abuse Prevention; and Reporting of Abuse. While these are requirements associated with State and Federal Long-Term Care regulations, they are not requirements inherent to the Nurse Aide Registry and have no impact on registry renewal.

Upon successfully renewing your status on the Registry, you will be mailed a new Registry Card (also known as a Notice of Enrollment), which will be valid for the next twenty-four (24) months. It is important that your current address is always listed on the Nurse Aide Registry to ensure that you get important documentation regarding your enrollment.

PULSE

PEARSON VUE UNIFORM LICENSING SOLUTION FOR E-GOVERNMENT

The Pearson VUE Uniform Licensing Solution for E-Government, or PULSE, allows for an on-line registration renewal process. PULSE allows individuals to:

- Renew their nurse aide registration
- Update their address (during and outside the renewal registration process)
- Initiate name and social security number changes

Name and Social Security number changes may be initiated at time of registration renewal (these changes require written documentation such as a copy of a marriage certificate, a divorce decree or other official document). Individuals may make **address updates** independently of the renewal process. PULSE also allows facilities to update employment history for individuals who are newly hired or terminated. Contact Pearson VUE to request **duplicate registration cards**.

To use PULSE, go to <https://pulseportal.com>.

CHANGE OF ADDRESS OR NAME

The Registry must be kept informed of your current address and name.

If you change your address or your name at any time after you are placed on the Registry, you **MUST** inform the Registry in order to keep your enrollment information up to date. Please use the *Change of Address or Name Form* in the back of this handbook (or go to <https://pulseportal.com> for address changes ONLY).

If you have changed your name, you must submit written documentation (copy of a marriage certificate, a divorce decree, or another official document) along with the *Change of Address or Name Form*.

If you do not have a *Change of Address or Name Form*, you may send a letter and supporting documentation to Pearson VUE informing them of your old name and/or address, your new name and/or address, your Social Security number, and your telephone number. There is no charge for this service. If you want your Registry Card (also known as a Notice of Enrollment) to show your new name, you must contact Pearson VUE at the address or phone number listed in the *Quick Reference* information on the inside front cover of this handbook.

LOST REGISTRY CARDS

If you lose your Registry Card (also known as a Notice of Enrollment), you may receive another copy by sending the *Duplicate Registry Card Request Form* in the back of this handbook to Pearson VUE. There is no charge for this service.

RE-ACTIVATING INACTIVE STATUS

Under federal requirements, enrollment on the Registry is no longer valid for any individual who has had a lapse of twenty-four (24) consecutive months or more in the performance of paid nursing-related services. It is important to update your employment history on the Pennsylvania Nurse Aide Registry. You will receive notification regarding continued enrollment at your home address listed on the Registry. Failure to inform the Registry of a change in employment may jeopardize your enrollment status.

If you were previously on the Registry but you have not worked (providing nursing-related services) for a period of twenty-four (24) consecutive months or more, you become “inactive” and are assigned a “denial of renewal” status. As a formerly active member of the Registry, you have one opportunity to take and successfully complete (pass) the NNAAP Examination. Contact Pearson VUE at (800) 852-0518 to request a Recertification Test Registration Form. If you successfully complete (pass) the NNAAP Examination, your status will change to “renewed” on the Nurse Aide Registry. If you are unsuccessful in passing the examination, you are required to re-train before re-testing. You may not be employed as a nurse aide until you have official notification of enrollment or a renewed active status. Employers are **NOT** required to pay the “renewal” examination fee; however, employers **MUST** pay when a reimbursement letter is presented.

RECIPROCITY

If you are a nurse aide currently listed on another state’s nurse aide (or equivalent) registry as active and in good standing (according to federal nursing home nurse aide statutes), and you are seeking enrollment on the Pennsylvania Nurse Aide Registry, you should contact the Registry at (800) 852-0518 for procedures.

PA NURSE AIDE REGISTRY — FREQUENTLY ASKED QUESTIONS

QUESTION	ANSWER AND REFERENCE (WHERE APPLICABLE)
1. What types of background checks are required for nurse aide training?	<p>A PA State Police Criminal History Record Information (CHRI) report is required for all nurse aides who have been PA residents for at least two consecutive years and a PA-CHRI and FBI report for students who have not resided in PA for the last 2 consecutive years. All reports must be submitted PRIOR to enrollment in a training class.</p> <p><i>Act 169</i> <i>35 P.S. §10225.502(a)(1) & (2)</i></p>
2. Can a nurse aide work for any period of time while awaiting a criminal background check clearance?	<p>In-state residents may work for 30 days while awaiting PA background clearance but may not enter a training class until the background check is completed.</p> <p><i>Act 169 of 1996</i> <i>35 P.S. §10225.506</i></p> <p>Out-of-state residents may work for 90 days while awaiting a FBI background clearance but may not enter a training class until all background checks are completed.</p> <p>(provided 5 specified conditions are met)</p>
3. What are the requirements for renewal of a nurse aide registry?	<p>A nurse aide must work as a nurse aide for a minimum of one documented day (i.e. 8 consecutive hours) for pay in an approved facility type during each twenty-four (24)-month period covered by the registry.</p> <p><i>42 CFR §483.75(e)(7)</i> <i>F496</i></p>

PA NURSE AIDE REGISTRY — FREQUENTLY ASKED QUESTIONS

QUESTION	ANSWER AND REFERENCE (WHERE APPLICABLE)
4. How many hours of training are required for eligibility to take the competency exam?	PA is an 80-hour state of which 37.5 hours must be supervised clinical experience. <i>42CFR§4842CFR§483.152(a)(1)</i>
5. How much can a nurse aide be charged for nurse aide training and competency evaluation program?	Nothing if employed or has an offer of employment on start date of program. <i>42CFR§483.152(c)(1)</i> If a nurse aide gains employment or offer of employment within 12 months of completing a program, the nursing facility must reimburse on a pro-rated basis for the period the individual is employed as a nurse aide. <i>42CFR§483.152(c)(2)</i>
6. How long can a nurse aide work in a facility prior to enrollment on the nurse aide registry?	A nurse aide may work for four (4) months or 120 days while participating in a nurse aide training and/or competency evaluation program. <i>42CFR§483.75(e)(5)(i) and (ii)</i>
7. What is considered an acceptable work setting for renewal of my nurse aide registry?	Employment of at least one documented day (i.e. 8 consecutive hours) for pay in nursing homes, personal care homes, hospitals, nursing agencies or intermediate care facilities are appropriate for renewal. Private duty, self-employment, and employment in doctor's offices is not sufficient for renewal credit.

PA NURSE AIDE REGISTRY — FREQUENTLY ASKED QUESTIONS

QUESTION	ANSWER AND REFERENCE (WHERE APPLICABLE)
8. If I was annotated on the Registry, how can I be reinstated?	Only those annotated for “neglect” may request reinstatement considerations after one (1) full year from the date of annotation on the Registry. The only other consideration will be given to those that a court of law overturned the Department’s decision. <i>42 U.S.C. 1396r §1919(g)(1)(D)</i>
9. How do I bring my registry up to date if I lapsed?	Nurse aides have one opportunity to re-test to update a lapsed registry or they may provide proof of employment for pay of at least one documented day (i.e. 8 consecutive hours) during each 24-month registry period. If you are lapsed on another state registry, you have to be updated on your original state registry to be eligible for reciprocity.
10. What duties fall under a nurse aide’s scope of practice?	Nurse aides do not have a formal “scope of practice”; however, they should only be performing those duties learned during their NA training & testing program. Duties covered under a “professional scope of practice” should only be performed by a licensed professional in that respective field. <i>42CFR§483.75(e)</i>
11. How many training hours must I have annually to renew my registry?	There are no “training requirements” to renew your registry. Rather, the nursing homes administration is required to provide nurse aides a minimum of twelve (12) hours of in-service education each year based on the results of yearly performance evaluations. <i>42CFR§483.75(e)(8)</i> <i>F497</i>

PA NURSE AIDE REGISTRY — FREQUENTLY ASKED QUESTIONS

QUESTION	ANSWER AND REFERENCE (WHERE APPLICABLE)
<p>17. I was sent home because an allegation of abuse, neglect or misappropriation of property was made against me. What does this mean?</p>	<p>Any time an allegation of abuse, neglect, or misappropriation of resident property is made, the facility is legally responsible to investigate and take whatever personnel action they deem necessary consistent with their local policy. However, only the Department of Health can take action against the nurse aide's Registry; therefore, the facility investigation must be forwarded to the DOH for review and action as appropriate. If the DOH initiates action, an Order to Show Cause will be issued. An Annotation Letter will be sent after due process is provided and a final decision made. If no action is taken, the nurse aide remains in good standing on the Registry and prospective employers will see nothing more than that when reviewing your Registry status.</p>
<p>18. I have a prior conviction on record. Will it prevent me from being able to work in nursing homes?</p>	<p>No. At this time, the prohibitive list does not prevent a nurse aide from being employed at a nursing home.</p> <p>Employment in a nursing home with a criminal conviction would be up to the facility and their policy. Nursing homes are mandated by Federal Regulations to complete pre-employment background checks.</p>

PA NURSE AIDE REGISTRY — FREQUENTLY ASKED QUESTIONS

QUESTION	ANSWER AND REFERENCE (WHERE APPLICABLE)
19. Does it make a difference re: reimbursement if a facility is Medicare/Medicaid/ or dually certified?	The Registry regulations clearly specify that a nurse aide is not to bear the expense of NATCEP participation if employment requirements are met.
20. If I completed NATCEP training but failed the test three (3) times, can I retrain and test again?	<p>If an individual fails the state competency examination three times, they may re-train and have another three opportunities.</p> <p>Some facilities will re-train if the individual is a good employee. However, the individual may re-train at any approved program.</p>
21. If I worked in a facility 60 days while in a NATCEP program and got fired, how many days can I work in another facility while working toward Registry status?	Nurse aide trainees have two (2) years after completion of nurse aide training to take the state competency examination. The 120 days start over every time the nurse aide trainee changes employers.

PA NURSE AIDE REGISTRY — FREQUENTLY ASKED QUESTIONS

QUESTION	ANSWER AND REFERENCE (WHERE APPLICABLE)
22. I have been on active duty in the military and have not been able to work the required eight (8) consecutive hours for pay during the two year registration period. Will my military service count for renewal?	Service in the military may count if you performed the duties inherent in the intent of the regulation. For military service time to count toward renewal, you must have performed duties associated with helping a care dependent population with activities of daily living in a supervised setting. This must be able to be officially verified in writing thru your Commanding Officer.
23. My address changed and I did not receive my renewal application through the mail. Can I still renew my registration on-line?	If you have not yet lapsed, you may contact Pearson VUE's office at (800) 852-0518 and request a renewal application be re-mailed to your new address. You may then use the log-in information to update your registry on-line. However, if your registration has already lapsed, you will not be able to renew on-line.
24. I lost my renewal ID or password, what should I do?	You must contact Pearson VUE's office at (800) 852-0518 to request a new renewal application be mailed to you. Renewal ID's and password information will not be able to be provided via telephone.

APPENDIX D: HOW TO SUBMIT FOR REIMBURSEMENT

If you are not employed with a long-term care facility at the time you are accepted into a nurse aide training and competency evaluation program, but become employed or receive an offer of employment within 12 months of completing the program, you will be reimbursed by the long-term care facility that employs you.

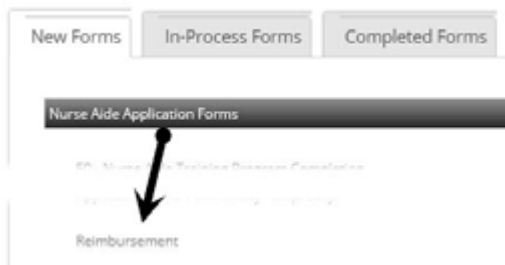

Reimbursement will be made on a prorated basis. You will be reimbursed for half the costs of training and testing after you have worked at the long-term care facility for 130 hours. You will then be reimbursed for the remaining half of the training and testing costs after you have worked an additional 130 hours. Your employer will need you to provide a valid reimbursement letter in order to reimburse you. You will receive the letter after you complete the information below and click “Submit Form”.

STEPS:

1. Log into your Credential Management account:
<https://i7lp.integral7.com/durango/do/login?ownername=pana>
2. On the left side of the screen, you'll see a menu bar. Scroll to “**Actions**”, then “**Complete a Form**”

3. Under Nurse Aide Application Forms, you'll see a link to the Reimbursement form. Select “**Reimbursement**”

continued on next page

4. The form opens. Complete all information and click “Submit Form”

The image shows a web form titled "Reimbursement". At the top right, there are three buttons: "Save for Later", "Save", and "Submit Form". A black arrow points from the bottom right towards the "Submit Form" button. On the left side, there are four input fields with labels: "Payment Amount", "Payer Name", "Employer's name", and "Employer's Address". In the center of the form, there is a rounded rectangular box containing the text: "Complete all information then click 'Submit Form'".

5. Within 48 hours of submitting the form, a valid reimbursement letter will be printed and mailed to you at the address you have on file in Credential Management.
6. If you need to access this in the future, select “**Printable Documents**”
