

Nurse Aide Examination — COVID-19 Testing Requirements for Candidates

Nurse Aide Candidate Testing Requirements

- To protect other candidates and staff, you will not be admitted to the test center and you should reschedule your exam if you:
 - Have been diagnosed with COVID-19.
 - Have you been in close personal contact with someone with a confirmed diagnosis **Medical and healthcare professionals - please see exception below*
 - Have had any flu-like symptoms in the last fourteen days, including fever, chills, a cough, sore throat, or shortness of breath
 - Have been or are under home quarantine or centralized observation by government or healthcare authorities
- You will be asked to acknowledge that you meet the above health requirements and that you will follow health and safety guidelines while testing.
- **You must bring and wear your own face mask while you're at the test center and throughout your exam. Any surgical or cloth face mask, including a homemade face mask, is acceptable as long as your nose and mouth are fully covered. Candidates without a face mask will be denied testing services. We are unable to provide face masks to candidates. *Neither face masks with exhalation valves nor face shields are acceptable.***
- Stay 6 feet away from other people in the waiting area and during the admissions process.
- Candidates will wear disposable gloves during the Skills Evaluation. Gloves will be provided at the test site for the Skills Evaluation. Gloves will not be required or provided for the written examination.
- Some test centers may require candidates to provide a temperature check upon arrival.

Medical and healthcare professionals where **both the medical/healthcare professional and the patient were wearing the appropriate personal protective equipment (PPE) are an exception.*
