LIVE CHAT INFORMATION

THE LICENSURE PROCESS
Licensure is the process by which an agency of state government or other jurisdiction grants permission to individuals to engage in the practice of, and prohibits all others from legally practicing, a particular profession, vocation, or occupation. By ensuring a minimum level of competence, the licensure process protects the general public. The state regulatory agency is responsible for establishing the acceptable level of safe practice and for determining whether an individual meets that standard.

The state of Hawaii has retained the services of Pearson VUE to develop and administer its insurance licensing examination program. Pearson VUE is a leading provider of assessment services to regulatory agencies and national associations.

PRACTICE TESTS
Practice tests are offered exclusively online www.pearsonvue.com, giving candidates even more opportunity to succeed on insurance examinations. Our practice tests will not only prepare candidates for the types of questions they will see on the licensure exam, but also familiarize them with taking computer-based examinations.

Pearson VUE offers practice tests in the areas of Life, Health, and Property and Casualty that contain questions developed by subject matter experts using concepts found in the general portion of the licensure examination. The tests closely reflect the format of the real licensure examination, can be scored instantly, and provide immediate feedback to help candidates identify correct and incorrect answers. Candidates can purchase practice tests anytime at www.pearsonvue.com.

EXAM ELIGIBILITY
The Hawaii Insurance Division does not require a specific program of prelicensing education, or otherwise prescreen examination candidates. Candidates may refer to Hawaii Licensing Requirements on page 2.

MAKING AN EXAMINATION RESERVATION

Walk-in examinations are not available. Online reservations are the most efficient way for candidates to schedule their examination. Candidates must go to www.pearsonvue.com/hi/insurance to make an online reservation for an examination. First-time users are required to create an account. The candidate will need to fill in all required fields, which are preceded by an asterisk (*), on the online form in order to create an ID and be assigned a password. Step-by-step instructions will lead the candidate through the rest of the examination reservation process.

Candidates must make an online reservation at least twenty-four (24) hours before the desired examination date. Candidates who wish to make a phone reservation at (800) 274-2608 must do so at least twenty-four (24) hours before the desired examination date.

Before making a reservation, candidates should have the following:
- Legal name, address, Social Security number, daytime telephone number, and date of birth
- The name of the examination(s)
- The preferred examination date and test center location (A partial list of test centers appears at the end of this handbook.)

ALLOWABLE EXAM COMBINATIONS

Candidates may take up to two examinations at one session with the exception of the Adjuster and the Personal Lines examinations, which must be taken separately. Candidates who wish to take more than two examinations must schedule additional sessions at test center locations only. Exams can not be combined if taking exams through OnVUE.

EXAM FEES

The examination fee ($75) must be paid at the time of reservation by credit card, debit card, or voucher. Fees will not be accepted at the test center. Examination fees are non-refundable and non-transferable, except as detailed in the Change/Cancel Policy.

Vouchers

Vouchers offer another convenient way to pay for tests. Vouchers can be purchased online at www.pearsonvue.com/vouchers/pricelist/hiins.asp by credit card either singly or in volume. To redeem a voucher as payment when scheduling a test, simply indicate Voucher as the payment method and provide the voucher number. All vouchers are pre-paid. Vouchers are non-refundable and non-returnable.

Vouchers expire twelve (12) months from the date they are issued. Voucher expiration dates cannot be extended. The exam must be taken by the expiration date printed on the voucher.

CHANGE/CANCEL POLICY

Candidates are strongly encouraged to change or cancel a reservation online at www.pearsonvue.com but they can also call Pearson VUE at (800) 274-2608 no less than forty-eight (48) hours before the examination. Candidates who change or cancel a reservation with proper notice may either transfer the fee to a new reservation, or may request a refund. Candidates who change or cancel a test center reservation without proper notice (forty-eight (48) hours) will forfeit the examination fee. Refunds for credit/debit cards are immediate, while refunds for vouchers will be processed in two to three (2-3) weeks.

Candidates are individually liable for the full amount of the examination fee once a reservation has been made, whether paid individually or by a third party.

If a candidate has a reservation with an accommodation, they must call Pearson VUE to change or cancel their exam.
RETAKE POLICY
There are different retake rules based on whether the candidate took an online proctored exam and is looking to retake the same exam through online proctoring, or if the candidate took an exam in a test center and is looking to retake their exam in a test center again.

OnVUE Online Proctored Retake Rule
Candidates who take an online proctored exam and do not pass must wait 2 weeks to retest for that exam on OnVUE if this is their first time taking the exam using this method. Any additional OnVUE retests after the first OnVUE retest will require the candidate to wait 4 weeks after each subsequent not pass result.

Test Center Retake Rule
Candidates who take an exam in a Test Center and do not pass must wait 24 hours to retest for that exam in a Test Center after each not pass result.

ABSENCE/LATENESS POLICY
Candidates who are late or absent from an exam may call Pearson VUE within 14 days of the exam date to request an excused absence for the following reasons:
• Illness of the candidate or of the candidate’s immediate family member
• Death in their immediate family
• Disabling traffic accident
• Court appearance or jury duty
• Military duty
• Weather emergency
A case number will be assigned and instructions provided for emailing supporting documentation. Candidates absent from or late to an exam who have not changed or canceled the reservation according to the Change/Cancel Policy will not be admitted to the exam and will forfeit the exam fee.

WEATHER DELAYS AND CANCELLATIONS
If severe weather or a natural disaster makes the Pearson VUE test center inaccessible or unsafe, the examination may be delayed or canceled. Pearson VUE will notify and reschedule candidates in the case of severe weather.

ACCOMMODATIONS
Pearson VUE complies with the provisions of the Americans with Disabilities Act as amended. The purpose of accommodations is to provide candidates with full access to the test. Accommodations are not a guarantee of improved performance or test completion. Pearson VUE provides reasonable and appropriate accommodations to individuals with documented disabilities who demonstrate a need for accommodations.

Test accommodations may include things such as:
• A separate testing room
• Extra testing time
• A Reader or Recorder, for individuals with mobility or vision impairments and cannot read or write on their own*

Test accommodations are individualized and considered on a case-by-case basis. All candidates who are requesting accommodations because of a disability must provide appropriate documentation of their condition and how it is expected to affect their ability to take the test under standard conditions. This may include:
• Supporting documentation from the professional who diagnosed the condition, including the credentials that qualify the professional to make this diagnosis
• A description of past accommodations the candidate has received
The steps to follow when requesting test accommodations vary, depending on your test program sponsor. To begin, go to http://pearsonvue.com/accommodations, and then select your test program sponsor from the alphabetized list. Candidates who have additional questions concerning test accommodations may contact the ADA Coordinator at accommodationspearsonvue@pearson.com.

**Candidates should not attempt to make a reservation until after they have been notified by Pearson VUE that their request for additional time has been approved.**

Candidates who need to reschedule or need to retest should notify Pearson VUE Accommodations that special arrangements were used for the prior examination.

*Not available for OnVUE examinations.*

**English as a Second Language (ESL)**

Candidates for whom English is a second language (ESL) may request additional time for the examination by going to http://pearsonvue.com/accommodations and then select test program sponsor from the alphabetized list. Candidates who have additional questions concerning test accommodations may contact the ADA Coordinator at accommodationspearsonvue@pearson.com. Candidates who need to reschedule or need to retest should notify Pearson VUE Accommodations that special arrangements were used for the prior examination.

**Candidates should not attempt to make a reservation until after they have been notified by Pearson VUE that their request for additional time has been approved.**

Any approved and scheduled accommodations will appear on the confirmation notice. If this information does not appear on the confirmation notice, please contact Pearson VUE to confirm that your appointment has been properly scheduled with your approved accommodation.
EXAM DAY

WHAT TO BRING/NEED FOR EXAM

Required Materials

All candidates are required to bring identification that is deemed acceptable, listed under Acceptable Forms of Candidate Identification, to the test center on the day of examination.

<table>
<thead>
<tr>
<th>REQUIRED ITEMS</th>
</tr>
</thead>
<tbody>
<tr>
<td>Candidates who do not present the required items will be denied admission to the examination, will be considered absent, and will forfeit the examination fee.</td>
</tr>
</tbody>
</table>

Acceptable Forms of Candidate Identification

Candidates must present two (2) forms of current signature identification. The name on the identification must exactly match the name on the registration. The primary identification must be government-issued and photo-bearing with a signature, and the secondary identification must contain a valid signature. Identification must be in English.

Primary ID (photograph, and signature, not expired)

- Government-issued Driver's License
- U.S. Dept of State Driver's License
- U.S. Learner's Permit (plastic card only with photo and signature)
- National/State/Country Identification Card
- Passport
- Passport cards
- Military ID
- Military ID for spouses and dependents
- Alien Registration Card (Green Card, Permanent Resident Visa)

Secondary ID (signature, not expired)

- U.S. Social Security Card
- Debit (ATM) or credit Card
- Any form of ID on the Primary list

If the ID presented has an embedded signature that is not visible (microchip), or is difficult or impossible to read, the candidate must present another form of identification from the Primary ID or Secondary ID list which contains a visible signature.

Pearson VUE does not recognize grace periods. For example, if a candidate's driver's license expired yesterday and the state allows a 30-day grace period for renewing the ID, the ID is considered to be expired.

EXAM PROCEDURES

At Physical Test Location

Candidates should report to the test center thirty (30) minutes before the examination and check in with the test center administrator. The candidate's identification will be reviewed and they will be photographed for the score report.

Candidates are required to review and sign a Candidate Rules Agreement form. If the Candidate Rules Agreement is not followed and/or cheating or tampering with the examination is suspected, the incident will be reported as such and the appropriate action will be taken including reporting the matter to the Hawaii Insurance Division. The examination fee will not be refunded, the exam may be determined invalid, and/or the state may take further action such as prohibiting candidates from retaking the examination and/or denying a license.
Candidates will have an opportunity to take a tutorial on the computer on which the examination will be administered. The time spent on this tutorial will not reduce the examination time. The examination administrators will answer questions, but candidates should be aware that the administrators are not familiar with the content of the examinations or with the state's licensing requirements. Examination administrators have been instructed not to advise candidates on requirements for licensure.

Candidates may begin the examination once they are familiar with the computer. The examination begins the moment a candidate looks at the first examination question. The time allotted for each examination is detailed at the end of this handbook. The examination will end automatically after the examination time has expired, and candidates will leave the test center with their official scores in hand.

**OnVUE online procedures**

If you are testing online and not in a physical Pearson VUE testing location, you should first review the materials and watch the short video at [https://home.pearsonvue.com/Test-Owner/Deliver/Online-Proctored.aspx](https://home.pearsonvue.com/Test-Owner/Deliver/Online-Proctored.aspx) before you begin your online exam.

**SCORE REPORTING**

When candidates complete the examination, they will receive a score report marked “pass” or “fail.” Candidates who pass the examination will receive a score report that includes information on how to apply for a license. Candidates who fail the examination will receive a score report that includes a numeric score and diagnostic information relating to the general portion of the examination, as well as information about reexamination. Reservations cannot be made at the test center. **Candidates must wait 24 hours before making a reservation for reexamination.**

**REVIEW OF EXAMS**

For security reasons, examination material is not available to candidates for review.

**SCORE EXPLANATION**

**Scaled Score**

There are multiple versions of each of the licensing examinations. These versions are known as *forms*. Although all forms of an examination are developed based on the content outlines, the difficulty of the forms of an examination may vary slightly because different questions appear on each form. To ensure that no candidate is put at an unfair advantage or disadvantage due to the particular form of an examination that he or she is given, a statistical procedure known as *equating* is used to correct for differences in form difficulty.

The passing score of an examination was set by the Hawaii Department of Commerce and Consumer Affairs (in conjunction with Pearson VUE) after a comprehensive study was completed for each examination. Raw scores are converted into scaled scores. To avoid misuse of score information, numeric scores are only reported to failing candidates. The scaled score that is reported to you is neither the number of questions you answered correctly nor the percentage of questions you answered correctly. With a passing score of 70, any score below 70 indicates how close the candidate came to passing, rather than the actual number or percentage of questions the candidates answered correctly.

**DUPLICATE SCORE REPORTS**

To obtain your score report, log into your Pearson VUE account.

**QUESTIONS OR COMMENTS ABOUT THE EXAM**

For security reasons, examination material is not available to candidates for review. Candidates who have questions, comments, or concerns about the examinations, or who wish to verify any data held in Pearson VUE files, should direct written inquiries to the address provided on the inside front cover of this handbook.
In all correspondence, candidates should provide their name and address information. If questions or comments concern an examination already taken, candidates should also include:

- the name of the examination
- the date the examination was taken
- the location of the test center

**EXAMINATION QUESTIONS**

All examination questions, each form of the examination, and any other examination materials are copyrighted and are the property of Pearson VUE. Consequently, any distribution of the examination content or materials through any form of reproduction or oral or written communication is strictly prohibited and punishable by law.

**PEARSON VUE TESTING POLICIES**

**Test Center Location**

The following policies are observed at each test center. **Candidates who violate any of these policies will not be permitted to finish the examination and will be dismissed from the test center, forfeiting the examination fee.**

- **No personal items are allowed in the testing room.** Personal items include but are not limited to: cellular phones, hand-held computers or other electronic devices, pagers, watches, wallets, purses, firearms or other weapons, hats, bags, coats, books, and/or notes, pens or pencils.
- Candidates must store all personal items in a secure area as indicated by the administrator, or return items to their vehicle. All electronic devices must be turned off before storing them in a locker. **The test center is not responsible for lost, stolen or misplaced personal items.**
- Studying is not allowed in the test center. Visitors, children, family or friends are not allowed in the test center.
- Dictionaries, books, papers (including scratch paper), and reference materials are not permitted in the examination room (unless permitted by the exam sponsor), and candidates are strongly urged not to bring such materials to the test center. Upon entering and being seated in the testing room, the test administrator will provide the candidate with materials to make notes or calculations and any other items specified by the exam sponsor. **The candidate may not write on these items before the exam begins or remove these items from the testing room.**
- Eating, drinking, or chewing gum, smoking and/or making noise that creates a disturbance for other candidates is prohibited during the exam.
- Break policies are established by the exam sponsor. Most sponsors allow unscheduled breaks. To request an unscheduled break, the candidate must raise their hand to get the administrator’s attention. **The exam clock will not stop while the candidate is taking a break.**
- Candidates must leave the testing room for all breaks. However, candidates are not permitted to leave the floor or building for any reason during this time, unless specified by the administrator and the exam sponsor. If a candidate is discovered to have left the floor or building they will not be permitted to proceed with the examination and may forfeit the exam fees.
- While taking a break, candidates are permitted to access personal items that are being stored during the exam only if necessary— for example, personal medication that must be taken at a specific time. **However, a candidate must receive permission from the administrator prior to accessing personal items that have been stored.** Candidates are not allowed access to other items, including but not limited to, cellular phones, exam notes and study guides, unless the exam sponsor specifically permits this.
- Any candidate discovered causing a disturbance of any kind or engaging in any kind of misconduct— giving or receiving help; using notes, books, or other aids; taking part in an act of impersonation; or removing examination materials or notes from the examination room—will be summarily dismissed from the examination and will be reported to the state licensing agency. Decisions regarding disciplinary measures are the responsibility of the state licensing agency.
**OnVUE Testing**
There are a few simple requirements for candidates to take an OnVUE online proctored exam:
- Quiet, private location
- Reliable device with a webcam
- Strong internet connection
- Breaks are not permitted

For more information, please go to https://home.pearsonvue.com/Test-Owner/Deliver/Online-Proctored.aspx. Please make sure to fully review the OnVUE online proctored page for important information about system check procedures and other assistance to ensure a successful testing experience.

**EXAM SECURITY**
Pearson VUE maintains examination administration and security standards designed to ensure that all candidates are given the same opportunity to demonstrate their abilities and to prevent some candidates from gaining an unfair advantage over others because of irregularities or misconduct. Pearson VUE routinely reviews irregularities and examination scores believed to be earned under unusual or nonstandard circumstances.

Pearson VUE maintains the right to question any examination score whose validity is in doubt because the score may have been obtained unfairly. Pearson VUE first undertakes a confidential review of the circumstances contributing to the questions about score validity. Then, if there is sufficient cause to question the score, Pearson VUE will refer the matter to the state licensing agency, which will make the final decision on whether or not to cancel the score.

The performance of all candidates is monitored and may be analyzed statistically for the purpose of detecting and verifying fraud. If it is determined that a score has questionable validity, the Department of Commerce and Consumer Affairs will be so notified and will determine whether the candidate’s scores will be released.

The examination will contain pretest questions on which statistical information is being collected for use in constructing future examinations. Pretest questions are mixed in with the scored questions and are not identified, nor do they affect the candidate’s score.

CONTENT OUTLINES

Each examination is based on a detailed content outline of topics, subtopics, and references to applicable state laws, statutes and regulations. These content outlines are provided to publishers of study materials and to state-approved education providers for their use in developing and updating their educational materials and programs. Content outlines are updated periodically to reflect changes in practice, state laws and regulations. These content outlines can be found at https://home.pearsonvue.com/Publications/121201.pdf.

STUDY MATERIALS

Study materials may not consistently cover exactly the same topics because they may be outdated. If there is any doubt as to what to study, the outlines in the handbook take priority. Pearson VUE does not review or endorse any particular study reference materials.

Standard Statute References

In addition to study materials, candidates may wish to consult a standard statute reference, which is available at public or law libraries.

References are to Insurance Hawaii Revised Statutes (HRS) and Insurance Hawaii Administrative Rules (HAR).

All Insurance Hawaii Revised Statutes can be located at the following location: http://cca.hawaii.gov/ins/hrs/
All Insurance Hawaii Administrative Rules can be located at the following location: http://cca.hawaii.gov/ins/har/

EXAM CONTENT

The content of the general examination is based upon information obtained from a job analysis performed by Pearson VUE. Responses from insurance professionals were analyzed to determine the nature and scope of tasks they perform and the knowledge and skills needed to perform them. This information is the basis upon which examination questions are written and ensures that examinations reflect the practice of insurance. The examination has been developed to reflect the laws, statutes, rules and regulations for the practice of insurance in Hawaii, and has been reviewed and approved by Hawaii insurance professionals.
