THE LICENSURE PROCESS

Licensure is the process by which an agency of state government or other jurisdiction grants permission to individuals to engage in the practice of a particular profession, vocation, or occupation, and prohibits all others from legally practicing that profession. By ensuring a minimum level of competence, the licensure process protects the general public. The state regulatory agency is responsible for establishing the acceptable level of safe practice and for determining whether an individual meets that standard.

The State of Kansas has retained the services of Pearson VUE to develop and administer its insurance licensing examination program. Pearson VUE is a leading provider of assessment services to regulatory agencies and national associations.

PRACTICE TESTS

Practice tests are offered exclusively online at www.pearsonvue.com, giving candidates even more opportunity to succeed on insurance examinations. Our practice tests will not only help prepare candidates for the types of questions they will see on the licensure exam, but also familiarize them with taking computer-based examinations.

Pearson VUE offers practice tests in the areas of Life, Health, and Property and Casualty that contain questions developed by subject matter experts using concepts found in the general portion of the licensure examination. The tests closely reflect the format of the real licensure examination, can be scored instantly, and provide immediate feedback to help candidates identify correct and incorrect answers. Candidates can purchase practice tests anytime at www.pearsonvue.com.

REQUIREMENTS FOR LICENSURE IN KANSAS

DETERMINING THE QUALIFICATIONS OF A CANDIDATE

Candidates will receive a Kansas insurance producer's license after the Kansas Insurance Department receives the application and appropriate documentation, and determines if the candidate is qualified.

LICENSURE IN KANSAS

Candidates who would like to transact insurance business as an insurance producer in Kansas must pass the appropriate examination (resident applicant), apply for and be granted a license by the Kansas Insurance Department, and be appointed by an insurance company.

- Variable Contracts producers require FINRA registration and a Life Producer license, but no separate exam is required.
- Excess Lines, Auto Club, Travel, Self-Service Storage and Viatical Settlement licenses do not require an examination. Candidates may contact the Kansas Insurance Department for application instructions.

RESIDENT LICENSE APPLICATION PROCEDURE

1. Candidates should review this handbook and the latest Examination Content Outline Supplement, study the topics listed in the content outlines, and then take the appropriate examination.
2. Candidates may review a standard statute reference for Kansas by going to the library, by contacting the office of the Secretary of State for Kansas at (785) 296-4564, or by going online at www.kslegislature.org.
3. Candidates for licensure will need to submit their fingerprints for state and national criminal history background checks. Information regarding the fingerprint process is found at <http://www.ksinsurance.org/agentagency/agent-licensing.php>
4. Candidates should apply either online via the Producer Desktop or submit the *NAIC Uniform Application for Resident Individual License*, along with the application and fingerprint fees, to the Kansas Insurance Department. Information on how to apply is found at <http://www.ksinsurance.org/agentagency/agent-licensing/license-app-requirements.php>.
5. Candidates may apply either in advance of taking the exam or after passing the exam.

8. Candidates applying for a public adjuster license can find the application and the instructions at <http://www.ksinsurance.org/agentagency/public-adjusters.php>.

Once licensed, candidates should continue to keep their insurance knowledge current and meet continuing education requirements.

MAJOR LINES EXAMS

Candidates may choose to take the major lines individually or as a combined exam. Possible combinations are listed below.

- Life Producer—can be taken individually or with Accident & Health Producer
- Accident and Health Producer—can be taken individually or with Life Producer
- Property and Allied Lines Producer—can be taken individually or with Casualty and Allied Lines Producer
- Casualty and Allied Lines Producer—can be taken individually or with Property and Allied Lines Producer
- Personal Lines Producer

On combination exams, candidates' performance is reflected as one score. Each examination covers the general principle(s) sections for the line, as well as covering state specific rules and regulations. On combination exams, candidates must pass the entire combined exam to qualify for a Kansas insurance license.

LIMITED LINES

The limited lines listed below may be taken as individual examinations, with a non-combined major lines examination (above), or with one other limited line.

- Kansas Laws and Regulations
- Crop Insurance
- Title Insurance

REQUIREMENTS FOR BAIL BOND PRODUCERS

Please note that bail bond producers are required to pass the Kansas Laws and Regulations exam only.

CERTIFICATION REQUIREMENTS

The state of Kansas issues a renewable producer license. Candidates are required to maintain an accurate record of the insurance companies who have certified them.

Once the producer's license is received, candidates should advise each company they wish to represent of their qualifications and standing and ask for certification. Insurance companies are required to submit an appointment for each producer they certify.

The company is responsible for paying the certification fees and will be billed for the fees. The certification fee is \$2 for each producer or agency appointed by a Kansas-domiciled company or \$5 for each producer or agency appointed by a foreign-domiciled company.

TERMINATIONS

If an insurance company needs to terminate a producer or agency, the proper form is required. The form is submitted at time of termination, and no fees are required.

CONTINUING EDUCATION REQUIREMENTS

The state of Kansas requires that insurance producers meet Continuing Education (CE) requirements after being licensed. Major lines require at least one hour of instruction in insurance ethics, and a producer may submit no more than three continuing education hours in insurance agency management.

Producers must provide evidence of compliance to CE standards every two years. For those producers who were born in an odd-numbered year, the biennial due date is the producer's date of birth in each odd year. For those producers born in an even-numbered year, the biennial due date is the producer's date of birth in each even year. Such due date shall not be earlier than two years following the producer's initial licensure.

Continuing Education Biennial Requirements

LICENSES	HOUR REQUIREMENTS
Life and/or Health Authority	12
Property and/or Casualty Authority including Personal Lines	12
Crop (only)	2
Title (only)	4

Candidates whose Kansas license has expired for failure to comply with the CE requirements and who wish to be relicensed must pay a reinstatement fee and provide proof that they have completed approved CE programs. The Kansas Insurance Department will issue a confirmation of compliance, and the producer may then request certification from an insurance company.

ADMINISTRATIVE SUPPORT SERVICES

Producer Desktop is now online. Kansas insurance producers may now conduct business with the Department through this new service. They can apply for initial license, view continuing education hours, process license renewal, request an address or name change, print individual licenses and wallet cards, and download certification letters.

CHANGE OF NAME OR ADDRESS

Producers should report any change in address or name to the Kansas Insurance Department within thirty (30) days of the change. When there is a legal name change, the Kansas Insurance Department will issue a corrected license. There is no fee for this service.

CHANGE OF AGENCIES

The Kansas Insurance Department should be notified immediately if a producer changes agencies.

Candidates who fail the examination the first time must wait at least seven (7) calendar days between the first and second examination attempt, and between the second and third attempt. Written verification and supporting documentation can be sent by fax to (888) 204-6291 or mailed to the following address:

WEATHER DELAYS AND CANCELLATIONS

If severe weather or a natural disaster makes the Test Center inaccessible or unsafe, the examination may be delayed or canceled. Candidates should contact Pearson VUE at (800) 274-2615 for details on delays and cancellations during severe weather.

ACCOMMODATIONS

Pearson VUE complies with the provisions of the Americans with Disabilities Act as amended. The purpose of accommodations is to provide candidates with full access to the test. Accommodations are not a guarantee of improved performance or test completion. Pearson VUE provides reasonable and appropriate accommodations to individuals with documented disabilities who demonstrate a need for accommodations.

Test accommodations may include things such as:

- A separate testing room
- Extra testing time
- A Reader or Recorder, for individuals with mobility or vision impairments and cannot read or write on their own

Test accommodations are individualized and considered on a case-by-case basis. All candidates who are requesting accommodations because of a disability must provide appropriate documentation of their condition and how it is expected to affect their ability to take the test under standard conditions. This may include:

- Supporting documentation from the professional who diagnosed the condition, including the credentials that qualify the professional to make this diagnosis
- A description of past accommodations the candidate has received

The steps to follow when requesting test accommodations vary, depending on your test program sponsor. To begin, go to <http://pearsonvue.com/accommodations>, and then select your test program sponsor from the alphabetized list. Candidates who have additional questions concerning test accommodations may contact the ADA Coordinator at accommodationspearsonvue@pearson.com.

ENGLISH AS A SECOND LANGUAGE (ESL)

Candidates for whom English is a second language may request additional time for the examination by sending the *English as a Second Language (ESL) Request Form* (found in the back of this handbook). Candidates should include with this form a letter from his/her English instructor or sponsoring company (on official letterhead, if from a company) stating that English is not a primary language for the candidate. Candidates should not attempt to make a reservation until after they have been notified by Pearson VUE that their request for additional time has been approved. Candidates who have additional questions about ESL examinations should contact the Special Examination Coordinator at (800) 466-0450.

Candidates who need to reschedule or need to retest should notify Pearson VUE Accommodations that special arrangements were used for the prior examination.

EXAM DAY

REQUIRED MATERIALS

Candidates who do not present the required items will be denied admission to the examination, will be considered absent, and will forfeit the examination fee.

WHAT TO BRING

Required Materials

All candidates are required to bring identification that is deemed acceptable, listed under *Acceptable Forms of Candidate Identification*, to the test center on the day of examination.

Candidates who have changed their names must provide written documentation of the change. This documentation may be a copy of a marriage license, divorce decree or other official document.

Acceptable Forms of Candidate Identification

Candidate must present two forms of current signature identification. The primary identification must be government-issued, photo-bearing with a signature and the secondary identification must contain a valid signature. Identification must be in English.

Primary ID (photograph, and signature, not expired)

- Government-issued Driver's License
- U.S. Dept of State Driver's License
- U.S. Learner's Permit (plastic card only with photo and signature)
- National/State/Country identification card
- Passport
- Passport cards
- Military ID
- Military ID for spouses and dependents
- Alien Registration Card (Green Card, Permanent Resident Visa)

Secondary ID (signature, not expired)

- U.S. Social Security card
- Debit (ATM) card or Credit card
- Any form of ID on the Primary list

If the ID presented has an embedded signature that is not visible (microchip), or is difficult or impossible to read, the candidate must present another form of identification from the Primary ID or Secondary ID list that contains a visible signature.

Pearson VUE does not recognize grace periods. For example, if a candidate's driver's license expired yesterday and the state allows a 30-day grace period for renewing the ID, the ID is considered to be expired.

EXAM PROCEDURES

Candidates should report to the test center thirty (30) minutes before the examination and check in with the test center administrator. The candidate's identification and other documentation will be reviewed and they will be photographed for the score report.

If the **Candidate Rules Agreement** is not followed and/or cheating or tampering with the examination is suspected the incident will be reported as such, and the appropriate action will be taken. The examination fee will not be refunded, the exam may be determined invalid, and/or the state may take further action such as prohibiting candidates from retaking the examination and/or denying a license.

Candidates will have an opportunity to take a tutorial on the computer on which the examination will be administered. The time spent on this tutorial will not reduce the examination time. The examination administrators will answer questions, but candidates should be aware that the administrators are not familiar with the content of the examinations or with the state's licensing requirements. Examination administrators have been instructed not to advise candidates on requirements for licensure.

Once candidates are familiar with the computer, they may begin the examination. The examination begins the moment a candidate looks at the first examination question. The time allotted for each examination is detailed on the back cover of the handbook. After the examination time has expired, the examination will automatically end. Candidates will leave the test center with their official scores in hand.

ABOUT THE EXAM

The content of the general examination is based upon information obtained from a job analysis performed by Pearson VUE. Responses from insurance professionals were analyzed to determine the nature and scope of tasks they perform and the knowledge and skills needed to perform them. This information is the basis upon which examination questions are written and ensures that examinations reflect the practice of insurance. The examination has been developed to reflect the laws, statutes, rules and regulations for the practice of insurance in Kansas, and has been reviewed and approved by Kansas insurance professionals.

Each major line examination is given in a multiple-choice format and consists of two parts. The general section deals with basic insurance product knowledge. The state section deals with insurance laws, rules, regulations, and practices that are unique to Kansas.

The passing score for the examination is determined by the Kansas Insurance Department. Through standardization and control, Pearson VUE ensures that no individual has an unfair disadvantage or advantage because of a particular examination format.

Pearson VUE maintains examination administration and examination security standards designed to ensure that all candidates are given the same opportunity to demonstrate their abilities and to prevent some candidates from gaining an unfair advantage over others because of testing irregularities or misconduct. Pearson VUE routinely reviews irregularities and examination scores believed to be earned under unusual or nonstandard circumstances.

Pearson VUE maintains the right to question any examination score whose validity is in doubt because the score may have been obtained unfairly. Pearson VUE first undertakes a confidential review of the circumstances contributing to the questions about score validity. If there is sufficient cause to question the score, Pearson VUE will refer the matter to the state licensing agency, which will make the final decision on whether or not to cancel the score.

The performance of all candidates is monitored and may be analyzed statistically for the purpose of detecting and verifying fraud. If it is determined that a score has questionable validity, the Insurance Department will be so notified and will determine whether the candidate's scores will be released.

EXAMINATION QUESTIONS

All examination questions, each form of the examination, and any other examination materials are copyrighted and are the property of Pearson VUE. Consequently, any distribution of the examination content or materials through any form of reproduction or oral or written communication is strictly prohibited and punishable by law.

SCORE REPORTING

When candidates complete the examination, they will receive a score report marked "pass" or "fail". Candidates who pass the examination will receive a score report that includes information on how to apply for a license.

Candidates who fail the examination will receive a score report that includes a numeric score and diagnostic information, as well as information about reexamination. **Additional information may be found in the *Requirements for Retaking an Exam* section on page 4. Reservations for reexamination are not made at the Test Center, and candidates must wait twenty-four (24) hours before making one.**

REVIEW OF EXAMS

For security reasons, examination material is not available for candidates to review.

SCORE EXPLANATION

The passing score of the exam is determined by the Kansas Insurance Department. Thorough standardization and control, Pearson VUE ensures that no individual has an unfair advantage or disadvantage because of a particular examination format. The passing score required on each examination is 70%.

DUPLICATE SCORE REPORTS

Candidates may request a duplicate score report by completing the appropriate form found in this handbook.

QUESTIONS OR COMMENTS ABOUT THE EXAM

For security reasons, examination material is not available to candidates for review. Candidates who have questions, comments, or concerns related to the exams, scoring or score reports, or who wish to verify any data held in Pearson VUE files, should direct written inquiries to Pearson VUE at the address provided on the inside front cover of this handbook. Candidates may also email their questions directly to Pearson VUE Customer Service at pearsonvuecustomerservice@pearson.com.

In all correspondence, candidates should provide their name and address information. If questions or comments concern an examination already taken, candidates should also include:

- the name of the examination
- the date the examination was taken
- the location of the test center

TEST CENTER POLICIES

The following policies are observed at each test center. **Candidates who violate any of these policies will not be permitted to finish the examination and will be dismissed from the test center, forfeiting the examination fee.**

- **No personal items are allowed in the testing room.** Personal items include but are not limited to: cellular phones, hand-held computers or other electronic devices, pagers, watches, wallets, purses, firearms or other weapons, hats, bags, coats, books, and/or notes, pens or pencils.
- Candidates must store all personal items in a secure area as indicated by the administrator, or return items to their vehicle. All electronic devices must be turned off before storing them in a locker. **The test center is not responsible for lost, stolen or misplaced personal items.**
- Studying **is not** allowed in the test center. Visitors, children, family or friends **are not** allowed in the test center.
- Dictionaries, books, papers (including scratch paper), and reference materials are not permitted in the examination room (unless permitted by the exam sponsor), and candidates are strongly urged not to bring such materials to the test center. Upon entering and being seated in the testing room, the test administrator will provide the candidate with materials to make notes or calculations and any other items specified by the exam sponsor. The candidate **may not write on these items before the exam begins or remove these items from the testing room.**
- Eating, drinking, chewing gum, smoking and/or making noise that creates a disturbance for other candidates is prohibited during the exam.
- Break policies are established by the exam sponsor. Most sponsors allow unscheduled breaks. To request an unscheduled break, the candidate **must** raise their hand to get the administrator's attention. **The exam clock will not stop while the candidate is taking a break.**
- Candidates must leave the testing room for all breaks. However, candidates **are not permitted to leave the floor or building for any reason during this time, unless specified by the administrator and the exam sponsor.** If a candidate is discovered to have left the floor or building they will not be permitted to proceed with the examination and may forfeit the exam fees.
- While taking a break, candidates are permitted to access personal items that are being stored during the exam only if necessary—for example, personal medication that must be taken at a specific time. **However, a candidate must receive permission from the administrator prior to accessing personal items that have been stored.** Candidates are **not** allowed access to other items, including but not limited to, cellular phones, exam notes and study guides, unless the exam sponsor specifically permits this.
- Any candidate discovered causing a disturbance of any kind or engaging in any kind of misconduct—giving or receiving help; using notes, books, or other aids; taking part in an act of impersonation; or removing examination materials or notes from the examination room—will be summarily dismissed from the examination and will be reported to the state licensing agency. Decisions regarding disciplinary measures are the responsibility of the state licensing agency. Examination scores are based on the number of questions answered correctly. Candidates who are uncertain about the correct answer to a question may be able to eliminate one or more of the answer choices as incorrect. It is always better to guess at the correct answer than to not answer a question because there is no penalty for incorrect answers.

HOW TO PREPARE FOR THE EXAM

CONTENT OUTLINES

Each examination is based on a detailed content outline of topics, subtopics, and references to applicable state laws, statutes and regulations. These content outlines are provided to publishers of study materials and to state-approved education providers for their use in developing and updating their educational materials and programs. Content outlines are updated periodically to reflect changes in practice, state laws and regulations. Kansas offers these content outlines as part of the handbook.

Candidates may obtain copies of the Kansas Insurance Content Outlines by visiting the Pearson VUE web site (www.pearsonvue.com).

STUDY MATERIALS

Neither the Kansas Insurance Department nor Pearson VUE specifically endorses any particular study materials. Candidates are encouraged to visit the Kansas Insurance Department web site at www.ksinsurance.org for more information.

PRETEST QUESTIONS

Many of the examinations will contain "pretest" questions. Pretest questions are questions on which statistical information is being collected for use in constructing future examinations. Responses to pretest questions do not affect a candidate's score. Pretest questions are mixed in with the scored questions and are not identified.

The number of pretest questions are listed in the content outline heading of each examination for which they are available. If a number is not present then there are no pretest questions for that particular examination.
