SOCIAL SECURITY ACT CERTIFICATION

This licensing board is obligated to inform each applicant or licensee from whom it requests a social security number on any application or form that disclosing such number is mandatory in order for this licensing board to comply with the requirements of the Federal Social Security Act pertaining to child support enforcement, as implemented in the Commonwealth of Pennsylvania at 23 Pa. C.S. Section 4304.1(a). In order to enforce domestic support orders, at the request of the Commonwealth's Department of Public Welfare (DPW), this licensing board must provide DPW information prescribed by DPW about the licensee, including the social security number.

In the event that this licensing board takes disciplinary action against an applicant or licensee, this board may disclose their social security number if applicant or licensee agrees to the disclosure of this information to the appropriate professional association. This organization compiles information about individual applicants and licensees and transmits that information to other licensing boards in order to coordinate licensure and disciplinary activities between the individual states. If you do not voluntarily provide your social security number for this purpose, information about you will still be transmitted to this organization should you be disciplined by this licensing board, but that information will not include your social security number.

I certify that I have read the above statement, understanding the full intent and I do give this licensing board permission to report my social security number to the appropriate professional association or licensing board.
