## Fingerprint Hard Card Process

1. Have fingerprints collected on FD-258 card – you may print a card here ([link](#)), however it is possible that the local agency you go to have your prints taken will require you to use their card. You **MUST** make sure that the correct ORI and Reason Fingerprinted are entered into the ORI field and Reason Fingerprinted on the fingerprint card\*.

\* For fingerprint collection, we suggest contacting your local law enforcement office for assistance in finding available locations.
