OVERVIEW

The candidate handbook is a useful tool in preparing for an examination.
It is highly recommended that the Office of the Illinois State Fire Marshal Candidate Handbook be reviewed, with special
attention given ILOSFM policies and procedures, before taking the examination.

Individuals who wish to obtain an Office of the Illinois State Fire Marshal fire
service-related certification must:

1. **Read this handbook.**

   examination policies and procedures.

2. **Make an examination reservation.**
   For all available exams, go online to [https://home.pearsonvue.com/il/fire/marshal](https://home.pearsonvue.com/il/fire/marshal) click "view exams" on the left panel

   You will not be required to pay an examination fee if you are a first-time-taker and ILOSFM has designated you as
   such. If you are retaking an exam, you will be required to pay the examination fee of $59 at the time of the reservation.
   This applies to all examinations.

3. **Go to the test center.**
   Go to the test center on the reserved day to take the examination, bringing along proper identification. If the scheduled
   examination is not taken, the examination fee (either $0.00 for first time takers or $59 for retake candidates) will be

EXAM RESERVATIONS

EXAM AUTHORIZATION EXPIRATION
Candidates must be authorized by ILOSFM to test. Your fire department or instructor must submit an exam request to OSFM for approval. You will receive from Pearson VUE an email authorization letter after an exam request is approved. This will specify the examination for which you are authorized, together with an eligibility start date and an eligibility end date. Between the start and end date is the window in which you will be able to schedule and take your examination. If you do not schedule during this time and the eligibility end date is passed, you must request that your Fire Department or school submit a new exam request to OSFM.

ONLINE RESERVATIONS
Candidates are required to make an examination reservation online by visiting https://home.pearsonvue.com/Clients/Illinois-State-Fire-Marshal.aspx. The site will prompt candidates to create a log-in and password before being able to make an examination reservation. The candidate will need to fill in all required fields, which are preceded by an asterisk (*), on the online form to create an ID and be assigned a password. Step-by-step instructions will lead the candidate through the rest of the examination reservation process. For their convenience, candidates are welcome to make exam reservations at testing centers outside of Illinois.
Candidates must make an online reservation at least twenty-four (24) hours before the desired examination date. Candidates who wish to make a phone reservation at (877) 641-6806 must do so at least twenty-four (24) hours before the desired examination date. For assistance with online reservations call (877) 641 6806.
Monday–Friday, 7:00 a.m.–10:00 p.m. CT , Saturday, 7:00 a.m.–4:00 p.m. CT , and Sunday, 9:00 a.m.–3:00 p.m. CT ; closed on local holidays.

ACCOMMODATIONS
Pearson VUE complies with the provisions of the Americans with Disabilities Act as amended. The purpose of accommodations is to provide candidates with full access to the test. Accommodations are not a guarantee of improved performance or test completion. Pearson VUE provides reasonable and appropriate accommodations to individuals with documented disabilities who demonstrate a need for accommodations.
Test accommodations may include things such as:
- A separate testing room
- Extra testing time

Test accommodations are individualized and considered on a case-by-case basis. All candidates who are requesting accommodations because of a disability must provide appropriate documentation of their condition and how it is expected to affect their ability to take the test under standard conditions. This may include:
- Supporting documentation from the professional who diagnosed the condition, including the credentials that qualify the professional to make this diagnosis
- A description of past accommodations the candidate has received
The steps to follow when requesting test accommodations vary, depending on your test program sponsor. To begin, go to http://pearsonvue.com/accommodations, and then select your test program sponsor from the alphabetized list, Illinois State Fire Marshal or contact the OSFM PS&E office. Candidates who have additional questions concerning test accommodations may contact the ADA Coordinator at accommodationspearsonvue@pearson.com.

CHANGE/CANCEL POLICY
Candidates should go online at least forty-eight (48) hours before the examination to change or cancel a reservation. Candidates who change or cancel a reservation without proper notice will forfeit the examination fee. Candidates are individually liable for the examination fee once a reservation has been made, whether individually or by a third party.

ABSENCE/LATENESS POLICY
Candidates who are late or absent from an exam may call Pearson VUE within 14 days of the exam date to request an excused absence for the following reasons:
- Illness of the candidate or of the candidate's immediate family member
- Death in their immediate family
- Disabling traffic accident
- Court appearance or jury duty
- Military duty
- Weather emergency
A case number will be assigned, and instructions provided for emailing supporting documentation. Candidates absent from or late to an exam who have not changed or canceled the reservation according to the Change/Cancel Policy will not be admitted to the exam and will forfeit the exam fee.

WEATHER DELAYS AND CANCELLATIONS
If severe weather or a natural disaster makes the Pearson VUE test center inaccessible or unsafe, the examination may be delayed or canceled. Pearson VUE will notify and reschedule candidates in the case of severe weather.
EXAM DAY

REQUIRED MATERIALS
Candidates who do not present the required items will be denied admission to the examination, will be considered absent, and will forfeit the examination fee.

WHAT TO BRING
Required Materials
All candidates are required to bring identification that is deemed acceptable, listed under Acceptable Forms of Candidate Identification, to the test center on the day of examination.

Acceptable Forms of Candidate Identification
Candidate must present one (1) form of current unexpired signature identification. The name on the identification must exactly match the name on the registration. The identification must be in English, government issued, photo-bearing with a valid signature.

Primary ID (photograph and signature, not expired)
• Government-issued Driver's License
• U.S. Dept. of State Driver's License
• U.S. Learner's Permit (plastic card only with photo and signature)
• National/State/Country Identification Card
• Passport
• Passport cards
• Military ID
• Military ID for spouses and dependents
• Alien Registration Card (Green Card, Permanent Resident Visa)

If the ID presented has an embedded signature that is not visible (microchip), or is difficult or impossible to read, the candidate must present another form of identification from the Primary ID list that contains a visible signature. Pearson VUE does not recognize grace periods. For example, if a candidate's driver's license expired yesterday and the state allows a 30-day grace period for renewing the ID, the ID is considered to be expired.

EXAM PROCEDURES
Candidates should report to the test center thirty (30) minutes before the examination and check in with the test center administrator. The candidate's identification and other documentation will be reviewed.

Candidates are required to view and sign a Candidate Rules Agreement form. If the Candidate Rules Agreement is not followed and/or cheating or tampering with the examination is suspected, the incident will be reported as such and the appropriate action will be taken. The examination fee will not be refunded, the exam may be determined invalid, and/or the state may take further action such as prohibiting candidates from retaking the examination and/or denying certification.

Candidates must store all personal items in a secure area as indicated by the administrator or return items to their vehicle. All electronic devices must be turned off before storing them in a locker. The test center is not responsible for lost, stolen, or misplaced personal items.

Candidates are not allowed to bring personal belongings such as phones, hand-held computers or other electronic devices, bags, money, purses, firearms or other weapons, hats, bags, coats, books, and/or notes, pens, or pencils.

Candidates must store all personal items in a secure area as indicated by the administrator or return items to their vehicle. All electronic devices must be turned off before storing them in a locker. The test center is not responsible for lost, stolen, or misplaced personal items.

Studying is not allowed in the test center.

Visitors, children, family, or friends are not allowed in the test center.

Dictionaries, books, papers (including scratch paper), and reference materials are not permitted in the examination room (unless permitted by the exam sponsor), and candidates are strongly urged not to bring such materials to the test center. Upon entering and being seated in the testing room, the test administrator will provide the candidate with materials to make notes or calculations and any other items specified by the exam sponsor. The candidate may not write on these items before the exam begins or remove these items from the testing room.

Eating, drinking, chewing gum, smoking, and/or making noise that creates a disturbance for other candidates is prohibited during the exam.

Break policies are established by the exam sponsor. Most sponsors allow unscheduled breaks. To request an unscheduled break, the candidate must raise their hand to get the administrator's attention. The exam clock will not stop while the candidate is taking a break.

Candidates must leave the testing room for all breaks. However, candidates are not permitted to leave the floor or building for any reason during this time, unless specified by the administrator and the exam sponsor. If a candidate is discovered to have left the floor or building, they will not be permitted to proceed with the examination and may forfeit the exam fees.

While taking a break, candidates are permitted to access personal items that are being stored during the exam only if necessary—for example, personal medication that must be taken at a specific time. However, a candidate must receive permission from the administrator prior to accessing personal items that have been stored. Candidates are not allowed access to other items, including but not limited to, cellular phones, exam notes, and study guides, unless the exam sponsor specifically permits this.

Any candidate discovered causing a disturbance of any kind or engaging in any kind of misconduct—giving or receiving help; using notes, books, or other aids; taking part in an act of impersonation; or removing examination materials or notes from the examination room—will be summarily dismissed from the examination and will be reported to the state certifying agency. Decisions regarding disciplinary measures are the responsibility of the state certifying agency.

ABOUT THE EXAM
All examination questions are the property of the Office of the Illinois State Fire Marshal, and candidates are forbidden under federal copyright law to copy, reproduce, record, distribute or display these questions by any means, in whole or in part, without written permission.

PRETEST QUESTIONS
The examination may contain pretest questions. Pretest questions are questions on which statistical information is being collected for use in constructing future examinations. Responses to pretest questions do not affect the score. Pretest questions are mixed in with the scored questions and are not identified.
SCORE REPORTING
When candidates complete the examination, they will receive a score report marked “pass” or “fail” before leaving the testing center. Should a candidate fail the exam, there is information pertaining to exam retakes and where to find missed objectives on the score report.

RETAking AN EXAM
Candidates who fail the exam must first have either their fire department or school submit another request for exam to the ILOSFM to be re-authorized to schedule the exam again.

No candidate shall be re-examined without further documented learning experiences in each of the failed subject areas, 141.200 (a)(7)(A).

DUPLICATE SCORE REPORTS
If there is an issue with the score report print at the test center, a copy of the score report can be printed from your Pearson VUE candidate profile.

QUESTIONS OR COMMENTS ABOUT THE EXAM
Candidates who have questions, comments, or concerns about the examinations, or who wish to verify any data held in Pearson VUE files, should direct written inquiries to Pearson VUE at the address listed on the inside front cover of this handbook. In all correspondence, candidates should provide their name and address. If questions or comments concern an examination already taken, they should also include:
