Waiver Request for Virginia Insurance Continuing Education Requirements

Code of Virginia §§ 38.2-1868.1, -1870

Instructions: Requests for waiver of continuing education (“CE”) requirements should be submitted to the physical or email address shown above prior to the end of the CE compliance period for which such waiver is requested. The Virginia Insurance CE Board or its administrator will provide written notice of the Board’s decision within 30 days of receiving the waiver request. Any waiver granted pursuant to this section will be valid only for the compliance period stated in the application. **NOTE:** The filing of a waiver request does not toll the running of any time limit set forth in the Code of Virginia regarding compliance with CE requirements. Therefore, waiver requests should be promptly submitted when grounds for a waiver request become known to the agent or agent’s representative. Failure of an agent to file a waiver request in a timely manner may be considered by the Board in determining whether to grant the waiver. **A waiver of CE requirements does not include mandatory training requirements or payment of applicable fees.**
