THE LICENSURE PROCESS

Licensure is the process by which an agency of state government or other jurisdiction grants permission to individuals to engage in the practice of a particular profession, vocation, or occupation, and prohibits all others from legally practicing that profession. By ensuring a minimum level of competence, the licensure process protects the general public. The state regulatory agency is responsible for establishing the acceptable level of safe practice and for determining whether an individual meets that standard.

The state of Iowa has retained the services of Pearson VUE to develop and administer its insurance licensing examination program. Pearson VUE is a leading provider of assessment services to regulatory agencies and national associations.

PRACTICE TESTS

Practice tests are offered exclusively online at www.pearsonvue.com, giving candidates even more opportunity to succeed on insurance examinations. Our practice tests will not only prepare candidates for the types of questions they will see on the licensure exam, but also familiarize them with taking computer-based examinations.

Pearson VUE offers practice tests in the areas of Life, Health, and Property and Casualty that contain questions developed by subject matter experts using concepts found in the general portion of the licensure examination. The tests closely reflect the format of the real licensure examination, can be scored instantly, and provide immediate feedback to help candidates identify correct and incorrect answers. Candidates can purchase practice tests anytime at www.pearsonvue.com.

The candidate will need to fill in all required fields, which are preceded by an asterisk (*), on the online form in order to create an ID and be assigned a password. Step-by-step instructions will lead the candidate through the rest of the examination reservation process.

Our new website has been optimized to work on mobile devices such as phones and tablets as pictured below.

Candidates **must** make an online reservation at least twenty-four (24) hours before the desired examination date. Candidates who wish to make a phone reservation at (877) 540-5825 must do so at least twenty-four (24) hours before the desired examination date (unless an electronic check is used for payment, as detailed on page 4).

Before making a reservation, candidates should have the following:

Candidates are responsible for knowing which examination they need to take. A Pearson VUE representative will help candidates select a convenient examination date and location and will answer questions. The reservation will be made based on the next available examination date.

TEST CENTER LOCATIONS

A list of test centers appears on the back cover of this handbook. In addition, candidates may review the test center locations by going to <http://www.pearsonvue.com/vtclocator/>. If the candidate has questions regarding the confirmation of specific locations and/or examination schedules, please contact Pearson VUE.

Iowa Insurance licensure exams are now available at select Pearson VUE test centers on military installations across the globe. Service members, dependents, and contractors with authorized base access who want to gain Iowa Insurance licensure from their duty station or assignment in another state and foreign deployment will have the option to take their exams without having to leave their base. In addition to Pearson VUE's standard ID policy, candidates must have valid government ID and authorization to gain access to military testing sites. Civilians without valid government ID will be turned away by the test center and/or military entrance gate security. To locate a Pearson VUE authorized testing center, visit <https://home.pearsonvue.com/ia/insurance> and select the "Find an on-base test center" link on the lower right-hand side of the page.

EXAM FEES

The examination fee must be paid at the time of reservation by credit card, debit card, voucher or electronic check. **Fees will not be accepted at the test center.** Examination fees are non-refundable and non-transferable, except as detailed in the *Change/Cancel Policy*.

- Bank name
- Account number and routing number
- Social Security number, state-ID number or driver's license number
- Name and address on the account

Using this information, Pearson VUE can request payment from the candidate's bank account just as if the candidate had submitted an actual paper check.

Candidates paying by electronic check must register at least five (5) days before the examination date in order for their check to be processed.

Vouchers

Vouchers offer another convenient way to pay for tests. Vouchers can be purchased online at www.pearsonvue.com/vouchers/pricelist/iains.asp by credit card either singly or in volume. To redeem a voucher as payment when scheduling a test, simply indicate voucher as the payment method and provide the voucher number. **All vouchers are pre-paid. Vouchers are non-refundable and non-returnable.**

Vouchers expire twelve (12) months from the date they are issued. Voucher expiration dates cannot be extended. The exam must be taken by the expiration date printed on the voucher.

CHANGE/CANCEL POLICY

Candidates should call (877) 540-5825 forty-eight (48) hours before the examination to change or cancel a reservation. **Candidates who change or cancel a reservation with proper notice may either transfer the fee to a new reservation, or may request a refund.** Candidates who change or cancel their reservations without proper notice will forfeit the examination fee. Refunds for credit/debit cards are immediate, while refunds for electronic checks and vouchers will be processed in two to three (2-3) weeks.

Candidates are individually liable for the full amount of the examination fee once a reservation has been made, whether **paid** individually or by a third party.

WEATHER DELAYS AND CANCELLATIONS

If severe weather or a natural disaster makes the Pearson VUE test center inaccessible or unsafe, the examination may be delayed or canceled. Pearson VUE will notify and reschedule candidates in the case of severe weather.

ACCOMMODATIONS

Pearson VUE complies with the provisions of the Americans with Disabilities Act as amended. The purpose of accommodations is to provide candidates with full access to the test. Accommodations are not a guarantee of improved performance or test completion. Pearson VUE provides reasonable and appropriate accommodations to individuals with documented disabilities who demonstrate a need for accommodations.

Test accommodations may include things such as:

- A separate testing room
- Extra testing time
- A Reader or Recorder, for individuals with mobility or vision impairments and cannot read or write on their own

Test accommodations are individualized and considered on a case-by-case basis. All candidates who are requesting accommodations because of a disability must provide appropriate documentation of their condition and how it is expected to affect their ability to take the test under standard conditions. This may include:

- Supporting documentation from the professional who diagnosed the condition, including the credentials that qualify the professional to make this diagnosis
- A description of past accommodations the candidate has received

The steps to follow when requesting test accommodations vary, depending on your test program sponsor. To begin, go to <http://pearsonvue.com/accommodations>, and then select your test program sponsor from the alphabetized list. Candidates who have additional questions concerning test accommodations may contact the ADA Coordinator at accommodationspearsonvue@pearson.com.

English as a Second Language (ESL)

Candidates for whom English is a second language (ESL) may request additional time for the examination by sending *Special Accommodations Request Form* (found in the back of this Candidate Handbook) to Pearson VUE. Candidates MUST include a letter from either his/her English instructor or sponsoring company (on official letterhead if from a company) stating that English is not the candidate's primary language.

Candidates should not attempt to make a reservation until after they have been notified by Pearson VUE via email that their request for additional time has been approved. The length of the examination will be equal to $1\frac{1}{2}$ times the length of the examination. For example, a 2 hour examination will be extended to 3 hours. NOTE: NO OTHER accommodations will be granted for ESL, i.e. separate testing room, reader, marker, etc. These accommodations are for individuals who qualify under the American's with Disability Act (ADA) only.

Candidates who have additional questions about ESL examinations should contact the Special Examination Coordinator at (800) 466-0450.

Candidates should NOT attempt to make an examination reservation until after they have been notified by Pearson VUE that their request for additional time has been approved.

The approval of additional time will be for one (1) year from the date of the request for the level you have requested. Candidates who have additional questions about ESL examinations should contact the Special Examination Coordinator at (800) 466-0450.

Candidates who need to reschedule or need to retest should notify Pearson VUE Special Accommodations that special arrangements were used for the prior examination.

COMBINATION EXAMINATIONS

To schedule the IA Life and the IA Accident & Health OR the IA Property and IA Casualty exams together and pay only \$69, please follow the steps below once you have logged into your web account:

- Once you have selected the first exam, you will need to select the "Add another exam to take on the same day" box. You will then be able to add the second exam.
- Once both exams are selected, you will need to accept the box that states the following: I understand that after consecutive appointments have been scheduled, they can only be rescheduled or cancelled individually.
- When scheduling either of these exam combinations together, you will see the \$69 fee applied to Total Due on the "Enter Payment" screen. You can then proceed with payment as normal.

EXAM DAY

WHAT TO BRING

Required Materials

All candidates are required to bring identification that is deemed acceptable, listed under *Acceptable Forms of Candidate Identification*, to the test center on the day of examination.

Candidates who have changed their names must provide written documentation of the change. This documentation may be a copy of a marriage license, divorce decree or other official document.

For the Commercial Lines exam only: The Personal Lines exam must have been passed before the Commercial Lines exam can be scheduled.

REQUIRED ITEMS

Candidates who do not present the required items will be denied admission to the examination, will be considered absent, and will forfeit the examination fee.

Candidates who have changed their names must provide written documentation of the change. This documentation may be a copy of a marriage license, divorce decree, or other official document.

Acceptable Forms of Candidate Identification

Candidate must present **two (2)** forms of current signature identification. The name on the identification must exactly match the name on the registration. The primary identification must be government issued, photo-bearing with a signature and the secondary identification must contain a valid signature. Identification must be in English.

Primary ID (photograph, and signature, not expired)

- Government-issued Driver's License
- U.S. Dept of State Drivers License
- U.S. Learner's Permit (plastic card only with photo and signature)
- National/State/Country Identification Card
- Passport
- Passport cards
- Military ID
- Military ID for spouses and dependents
- Alien Registration Card (Green Card, Permanent Resident Visa)

Secondary ID (signature, not expired)

- U.S. Social Security Card
- Debit (ATM) Card or Credit card
- Any form of ID on the Primary list

If the ID presented has an embedded signature that is not visible (microchip), or is difficult or impossible to read, the candidate must present another form of identification from the Primary ID or Secondary ID list that contains a visible signature.

Pearson VUE does not recognize grace periods. For example, if a candidate's driver's license expired yesterday and the state allows a 30-day grace period for renewing the ID, the ID is considered to be expired.

EXAM PROCEDURES

Candidates should report to the test center thirty (30) minutes before the examination and check in with the test center administrator. The candidate's identification and other documentation will be reviewed and they will be photographed for the score report.

If the *Candidate Rules Agreement* is not followed and/or cheating or tampering with the examination is suspected it will be reported as such, and the appropriate action will be taken. The examination fee will not be refunded, the exam may be determined invalid, and/or the state may take further action such as prohibiting candidates from retaking the examination and/or denying a license.

Candidates will have an opportunity to take a tutorial on the PC on which the examination will be administered. The time spent on this tutorial will not reduce the examination time. The examination administrators will answer questions, but candidates should be aware that the administrators are not familiar with the content of the examinations or with the state's licensing requirements. Examination administrators have been instructed not to advise candidates on requirements for licensure.

Once candidates are familiar with the PC, they may begin the examination. The examination begins the moment a candidate looks at the first examination question. The time allotted for each examination is detailed on the back cover of this handbook. After the examination time has expired, the examination will automatically end. Candidates will leave the test center with their official scores in hand.

EXAMINATION QUESTIONS

All examination questions, each form of the examination, and any other examination materials are copyrighted and are the property of Pearson VUE. Consequently, any distribution of the examination content or materials through any form of reproduction or oral or written communication is strictly prohibited and punishable by law.

ABOUT THE EXAM

The content of the general examination is based upon information obtained from a job analysis performed by Pearson VUE. Responses from insurance professionals were analyzed to determine the nature and scope of tasks they perform and the knowledge and skills needed to perform them. This information is the basis upon which examination questions are written and ensures that examinations reflect the practice of insurance. The examination has been developed to reflect the laws, statutes, rules and regulations for the practice of insurance in Iowa, and has been reviewed and approved by Iowa insurance professionals.

Each major lines examination is given in a multiple-choice format and consists of two parts. The general section deals with basic insurance product knowledge. The state section deals with insurance laws, rules, regulations, and practices that are unique to Iowa.

The passing score for the examination is determined by the Iowa Insurance Division. Through standardization and control, Pearson VUE ensures that no individual has an unfair disadvantage or advantage because of a particular examination format.

EXAM SECURITY

Pearson VUE maintains examination administration and examination security standards designed to ensure that all candidates are given the same opportunity to demonstrate their abilities and to prevent some candidates from gaining an unfair advantage over others because of testing irregularities or misconduct. Pearson VUE routinely reviews irregularities and examination scores believed to be earned under unusual or nonstandard circumstances.

Pearson VUE maintains the right to question any examination score whose validity is in doubt because the score may have been obtained unfairly. Pearson VUE first undertakes a confidential review of the circumstances contributing to the questions about score validity. If there is sufficient cause to question the score, Pearson VUE will refer the matter to the state licensing agency, which will make the final decision on whether or not to cancel the score.

The performance of all candidates is monitored and may be analyzed statistically for the purpose of detecting and verifying fraud. If it is determined that a score has questionable validity, the Insurance Division will be so notified and will determine whether the candidate's scores will be released.

SCORE REPORTING

When candidates complete the examination, they will receive a score report marked "pass" or "fail". Candidates who pass the examination will receive a score report that includes information on how to apply for a license. Candidates who fail the examination will receive a score report that includes a numeric score and diagnostic information relating to both the general portion and state portion of the examination, as well as information about reexamination. Reservations for reexamination are not made at the test center, and **candidates must wait twenty-four (24) hours before making one.**

DUPLICATE SCORE REPORTS

Candidates may request a duplicate score report from Pearson VUE by completing the form in the back of this handbook.

QUESTIONS OR COMMENTS ABOUT THE EXAM

For security reasons, examination material is not available to candidates for review. Candidates who have questions, comments, or concerns related to the exams, scoring or score reports, or who wish to verify any data held in Pearson VUE files, should direct written inquiries to Pearson VUE at the address provided on the inside front cover of this handbook. Candidates may also email their questions directly to Pearson VUE Customer Service at pearsonvuecustomerservice@pearson.com.

In all correspondence, candidates should provide their name and address information. If questions or comments concern an examination already taken, candidates should also include:

- the name of the examination
- the date the examination was taken
- the location of the test center

TEST CENTER POLICIES

The following policies are observed at each test center. **Candidates who violate any of these policies will not be permitted to finish the examination and will be dismissed from the test center, forfeiting the examination fee.**

- **No personal items are allowed in the testing room.** Personal items include but are not limited to: cellular phones, hand-held computers or other electronic devices, pagers, watches, wallets, purses, firearms or other weapons, hats, bags, coats, books, and/or notes, pens or pencils.
- Candidates must store all personal items in a secure area as indicated by the administrator, or return items to their vehicle. All electronic devices must be turned off before storing them in a locker. **The test center is not responsible for lost, stolen or misplaced personal items.**
- Studying **is not** allowed in the test center. Visitors, children, family or friends **are not** allowed in the test center.
- Dictionaries, books, papers (including scratch paper), and reference materials are not permitted in the examination room (unless permitted by the exam sponsor), and candidates are strongly urged not to bring such materials to the test center. Upon entering and being seated in the testing room, the test administrator will provide the candidate with materials to make notes or calculations and any other items specified by the exam sponsor. **The candidate may not write on these items before the exam begins or remove these items from the testing room.**
- Eating, drinking, or chewing gum, smoking and/or making noise that creates a disturbance for other candidates is prohibited during the exam.
- Break policies are established by the exam sponsor. Most sponsors allow unscheduled breaks. To request an unscheduled break, the candidate **must** raise their hand to get the administrator's attention. **The exam clock will not stop while the candidate is taking a break.**
- Candidates must leave the testing room for all breaks. However, candidates **are not permitted to leave the floor or building for any reason during this time, unless specified by the administrator and the exam sponsor.** If a candidate is discovered to have left the floor or building they will not be permitted to proceed with the examination and may forfeit the exam fees.
- While taking a break, candidates are permitted to access personal items that are being stored during the exam only if necessary—for example, personal medication that must be taken at a specific time. **However, a candidate must receive permission from the administrator prior to accessing personal items that have been stored.** Candidates are **not** allowed access to other items, including but not limited to, cellular phones, exam notes and study guides, unless the exam sponsor specifically permits this.
- Any candidate discovered causing a disturbance of any kind or engaging in any kind of misconduct—giving or receiving help; using notes, books, or other aids; taking part in an act of impersonation; or removing examination materials or notes from the examination room—will be summarily dismissed from the examination and will be reported to the state licensing agency. Decisions regarding disciplinary measures are the responsibility of the state licensing agency.

HOW TO PREPARE FOR THE EXAM

PRETEST QUESTIONS

Many of the examinations will contain “pretest” questions. Pretest questions are questions on which statistical information is being collected for use in constructing future examinations. Responses to pretest questions do not affect a candidate’s score. Pretest questions are mixed in with the scored questions and are not identified.

The number of pretest questions are listed in the content outline heading of each examination for which they are available. If a number is not present then there are no pretest questions for that particular examination.

Examination scores are based on the number of questions answered correctly. Candidates who are uncertain about the correct answer to a question may be able to eliminate one or more of the answer choices as incorrect. It is always better to guess at the correct answer than to not answer a question because there is no penalty for incorrect answers.

CONTENT OUTLINES

Each examination is based on a detailed content outline of topics, subtopics, and references to applicable state laws, statutes and regulations. These content outlines are provided to publishers of study materials and to state-approved education providers for their use in developing and updating their educational materials and programs. Content outlines are updated periodically to reflect changes in practice, state laws and regulations. Iowa offers these content outlines as part of the handbook and online.

STUDY MATERIALS

Neither the Iowa Insurance Division nor Pearson VUE specifically endorses or provides any particular study materials. You are free to use the materials of your choice to prepare for the examination. Manuals have been prepared by different publishers to assist candidates specifically in preparing for the license examination. To purchase a copy of the study manuals, please contact the appropriate trade association or publisher.

For the examination questions regarding Iowa Laws and Regulations, refer to the Iowa Administrative Code, Insurance Division (191) Chapter 10 Licensing of Insurance Producers and (191) Chapter 11 Continuing Education for Insurance Producers.
