Fees vary depending on exams. Authorization is good for one year from approval. Unlimited attempts are permitted. Exam results are good for one year. (*See page 2 for additional details.*)

Candidates are not permitted to retake a part of the exam that has already been passed during the one-year authorization period. Candidates are not required to return to the LREC for additional authorizations to continue testing.

## THE LICENSURE PROCESS

Licensure is the process by which an agency of state government or other jurisdiction grants permission to individuals to engage in the practice of, and prohibits all others from legally practicing, a particular profession, vocation, or occupation. By ensuring a minimum level of competence, the licensure process protects the general public. The state regulatory agency is responsible for establishing the acceptable level of safe practice and for determining whether an individual meets that standard.

The state of Louisiana has retained the services of Pearson VUE to develop and administer its real estate and appraiser examination program. Pearson VUE is a leading provider of assessment services to regulatory agencies and national associations.

## PRACTICE TESTS – GENERAL (NATIONAL) PORTION ONLY

National-portion practice tests are offered exclusively online at [www.pearsonvue.com](http://www.pearsonvue.com), giving candidates even more opportunity to succeed on real estate examinations. The national-portion practice tests will not only help prepare candidates for the types of questions they will see on the national portion of the licensure examination but also familiarize them with taking computer-based examinations.

Pearson VUE offers a practice test for real estate that contains questions developed by subject matter experts using concepts found in the national portion of the licensure examination. The test closely reflects the format of the national portion of the licensure examination, can be scored instantly, and provides immediate feedback to help candidates identify correct and incorrect answers. Candidates can purchase national-portion practice tests anytime by visiting [www.pearsonvue.com/practicetests/realestate](http://www.pearsonvue.com/practicetests/realestate).

# STATE LICENSING REQUIREMENTS

---

The Louisiana Real Estate Commission and Appraisers Board established the requirements for qualification for a real estate sales, broker, and appraiser license. Applicants must read this candidate handbook and any other information provided by the Commission or Board before applying for any license examination.

## EXAM ELIGIBILITY

The candidate must first make application to the LREC/LREAB for becoming a Real Estate broker, salesperson, or Appraiser. Once the LREC/LREAB approves the application, the candidate will be given authorizations to test by the LREC/LREAB through Pearson VUE.

Once your eligibility is established, the LREC will authorize you to take your examination. You will receive a notification from Pearson VUE regarding your eligibility and next steps via email.

The Louisiana Real Estate Commission will determine eligibility to take the real estate exam based on the submission of the initial license application form submitted by an applicant.

## REAL ESTATE LICENSE REQUIREMENTS

### A. Salesperson applicants must:

1. be at least 18 years of age.
2. have obtained a high school diploma or equivalency certificate (GED).
3. show proof of successful completion of ninety (90) hours of real estate education in courses approved by the LREC.
4. comply with all application procedures required by the LREC.
5. pass the real estate salesperson licensing examination.
6. complete the background check through the link on the LREC website.
7. be supervised by a licensed real estate broker and provide proof of errors and omissions insurance prior to license issuance.

### B. Broker applicants must:

1. have been actively licensed, in any state/jurisdiction, for at least four years, with two of the four years immediately preceding submission of a broker license application.
2. have obtained a high school diploma or equivalency certificate (GED).
3. show proof of successful completion of 150 classroom hours or its equivalent in courses specified and approved by the LREC.
4. comply with all application procedures required by the LREC.
5. pass the broker licensing examination.
6. complete the background check through the link on the LREC website.
7. provide proof of mandatory errors and omissions insurance prior to issuance of a license.

### C. Applicants currently licensed in another state

#### 1. Licensing/Education Requirements for Salesperson Applicants

Partial credit **may** be granted for real estate courses completed in other states. No substitution will be allowed for the 30-hour portion of the 90-hour salesperson pre-licensing requirement, which covers the Louisiana Real Estate License Law, Commission Rules/Regulations, Law of Agency and Civil Law pertaining to real estate. Credit for coursework completed in other states must be obtained by the applicant prior to submission of an application for licensing.

#### 2. Licensing/Education Requirements for Broker Applicants

Applicants for an initial individual real estate broker license shall provide proof that they have been licensed as an active real estate licensee for four years, with two of the four years occurring immediately preceding submission of a broker license application. Partial credit **may** be granted for real estate courses completed in other states. No substitution will be allowed for the 30-hour portion of the 150-hour broker pre-licensing requirement, which covers the Louisiana Real Estate License Law, Commission Rules/Regulations, Law of Agency and Civil Law

pertaining to real estate. The LREC may accept a substitution for Real Estate 203, a 30-hour Broker Responsibilities course which is a mandatory part of the 150-hour requirement if it is determined that the course completed in another state is equivalent to Real Estate 203. Credit for coursework completed in other states must be obtained by the applicant prior to submission of an application for licensing.

### **3. Coursework Credit Review Procedure for All Applicants**

Applicants previously or currently licensed outside Louisiana who cannot apply as a reciprocal applicant must submit an official license history verification from the state(s) in which a license is/was issued. Applicant's submissions must include a cover letter that contains the applicant's complete name and contact information (mailing address, telephone number, email address, etc.). The applicant's license history should include all pre-licensing real estate education and testing completed, and information on any previous or pending disciplinary action against the applicant. Submissions must be sent to the Education Division for review prior to submitting an application for licensing. At the time of submission of the initial broker application applicants must also submit the official license history verification, which gives the detailed break down of Active & Inactive license status. If the active/inactive status is not shown on the history verification, a separate letter issued by the state may be submitted as proof. The documentation submitted for the active/inactive detail cannot be older than three months at the time of application submission.

### **4. Examination Requirement for All Applicants**

The LREC may accept the examination results from another state as a substitution for the National portion of the Louisiana examination if the applicant provides proof of passing an equivalent license examination within five years of the date of application for a license in Louisiana. If a waiver is granted, the applicant will be required to pass only the State portion of the Louisiana real estate license examination. Please note that examination results from other states will not be accepted from any applicant whose real estate license is expired.

Once you have received your review determination from the process listed above, please visit the Salesperson or Broker tab under the *Obtain a License* section on [lrec.gov](http://lrec.gov) for a helpful Checklist to guide you through the remainder of the application process.

If severe weather or a natural disaster makes the Pearson VUE test center inaccessible or unsafe, the examination may be delayed or canceled. Pearson VUE will notify and reschedule candidates in the case of severe weather.

## **ACCOMMODATIONS**

Pearson VUE complies with the provisions of the Americans with Disabilities Act as amended. The purpose of accommodations is to provide candidates with full access to the test. Accommodations are not a guarantee of improved performance or test completion. Pearson VUE provides reasonable and appropriate accommodations to individuals with documented disabilities who demonstrate a need for accommodations.

Test accommodations may include things such as:

- A separate testing room
- Extra testing time
- A Reader or Recorder, for individuals with mobility or vision impairments and cannot read or write on their own

Test accommodations are individualized and considered on a case-by-case basis. All candidates who are requesting accommodations because of a disability must provide appropriate documentation of their condition and how it is expected to affect their ability to take the test under standard conditions. This may include:

- Supporting documentation from the professional who diagnosed the condition, including the credentials that qualify the professional to make this diagnosis
- A description of past accommodations the candidate has received

The steps to follow when requesting test accommodations vary, depending on your test program sponsor. To begin, go to <http://pearsonvue.com/accommodations>, and then select your test program sponsor from the alphabetized list. # EXAM DAY

---

## WHAT TO BRING

All candidates must bring one (1) form of signature identification that is unexpired, government-issued, and photo-bearing.

### REQUIRED ITEMS

Candidates who do not present the required items will be denied admission to the examination, will be considered absent, and will forfeit the examination fee.

### Acceptable Forms of Candidate Identification

Candidate must present **one (1)** forms of current signature identification. The name on the identification must exactly match the name on the registration. The primary identification must be government issued and photo-bearing with a valid signature. Identification must be in English.

### Primary ID (photograph and signature, not expired)

#### Government-issued Driver's License

- U.S. Dept. of State Driver's License
- U.S. Learner's Permit (plastic card only with photo and signature)
- National/State/Country ID card
- Passport
- Passport Card
- Military ID
- Military ID for spouses and dependents
- Alien Registration Card (Green Card, Permanent Resident Visa)

If the ID presented has an embedded signature that is not visible (microchip), or is difficult or impossible to read, the candidate must present another form of identification from the Primary ID list that contains a visible signature.

Pearson VUE does not recognize grace periods. For example, if a candidate's driver's license expired yesterday and the state allows a 30-day grace period for renewing the ID, the ID is considered to be expired.

## EXAM PROCEDURES

Candidates should report to the test center thirty (30) minutes before the examination and check in with the test center administrator. The candidate's identification and other documentation will be reviewed and they will be photographed for the score report.

Candidates are required to review and sign a **Candidate Rules Agreement** form. If the **Candidate Rules Agreement** is not followed and/or cheating or tampering with the examination is suspected, the incident will be reported as such and the appropriate action will be taken. The examination fee will not be refunded, the exam may be determined invalid, and/or the state may take further action such as prohibiting candidates from retaking the examination and/or denying a license.

Candidates will have an opportunity to take a tutorial on the computer on which the examination will be administered. The time spent on this tutorial will not reduce the examination time. The examination administrators will answer questions, but candidates should be aware that the administrators are not familiar with the content of the examinations or with the state's licensing requirements. Examination administrators have been instructed not to advise candidates on requirements for licensure.

Candidates may begin the examination once they are familiar with the computer. The examination begins the moment a candidate looks at the first examination question. Candidates will be given from 2 to 6 hours depending on the exam type to complete the examination. The examination will end automatically after the examination time has expired, and candidates will receive a document stating that they have taken their exam and instructions will be included for how to obtain their official score reports through their profile on Pearson VUE at <https://home.pearsonvue.com/la/realestate>.

Only the 1st attempt is given at the discounted rate. All subsequent attempts are charged the repeat exam fee.

### SCORE REPORTING

Once you have passed the required exam(s) you must go back and complete the application process with the State. When candidates complete the examination, they will receive a score report marked “pass” or “fail.” Candidates will receive a document stating that they have taken their exam and instructions will be included for how to obtain their official score reports through their profile on Pearson VUE at <https://home.pearsonvue.com/la/realestate>.

Candidates who fail the examination will receive a score report that includes a numeric score and diagnostic information relating to the national section and the state section of the examination, as well as information about reexamination.

### REVIEW OF EXAMS

For security reasons, examination material is not available to candidates for review.

### RETAKING THE EXAM

Reservations for reexamination may not be made at the test center.

Candidates get authorized for one year with unlimited attempts to pass the exams that they were authorized for, at any Pearson VUE test center and do not need to return to the LREC for retake authorizations.

The salesperson and broker examination is divided into two parts: national and state law. Those who pass one part of the examination and fail the other, need to retake ONLY the failed part and must do so within one full year.

If a candidate only passes one part of the exam in the 1st authorization year, and the authorization year expires, the candidate must resubmit an initial application with the LREC, repay the license fee, and be authorized again for the part they did not pass. However, the candidate has one year from the date of the passed portion of the exam to pass the other part on a second authorization.

Once both parts of the exam are passed, the candidate may go back to LREC to complete the license application process.

## SCORE EXPLANATION (REAL ESTATE)

### Scaled Score

There are multiple versions of each of the licensing examinations. These versions are known as *forms*. Although all forms of an examination are developed based on the content outlines, the difficulty of the forms of an examination may vary slightly because different questions appear on each form. To ensure that no candidate is put at an unfair advantage or disadvantage due to the particular form of an examination that he or she is given, a statistical procedure known as *equating* is used to correct for differences in form difficulty.

The passing score of an examination was set by the Louisiana Real Estate Commission (in conjunction with Pearson VUE) after a comprehensive study was completed for each examination. Raw scores are converted into scaled scores that can range from 0 to 100. To avoid misuse of score information, numeric scores are only reported to failing candidates. The scaled score that is reported to you is neither the number of questions you answered correctly nor the percentage of questions you answered correctly. With a passing score of 70 for salesperson and 75 for brokers and prelicensing instructor, any score below 70 or 75 indicates how close the candidate came to passing, rather than the actual number or percentage of questions the candidates answered correctly.

The passing scores for each examination are presented as follows:

PASSING SCALED SCORES	NATIONAL	STATE
Salesperson	(scaled) 70	(scaled) 70
Brokers and Prelicensing Instructors	(scaled) 75	(scaled) 75

### DUPLICATE SCORE REPORTS

To obtain a copy of your score report, log into your Pearson VUE account.

## TEST CENTER POLICIES

The following policies are observed at each test center. **Candidates who violate any of these policies will not be permitted to finish the examination and will be dismissed from the test center, forfeiting the examination fee.**

- **No personal items are allowed in the testing room.** Personal items include but are not limited to: cellular phones, hand-held computers or other electronic devices, pagers, watches, wallets, purses, firearms or other weapons, hats, bags, coats, books, notes, or pens or pencils.
- Candidates must store all personal items in a secure area as indicated by the administrator, or return items to their vehicle. All electronic devices must be turned off before storing them in a locker. **The test center is not responsible for lost, stolen or misplaced personal items.**
- Studying **is not** allowed in the test center. Visitors, children, family or friends **are not** allowed in the test center.
- Dictionaries, books, papers (including scratch paper), and reference materials are not permitted in the examination room (unless permitted by the exam sponsor), and candidates are strongly urged not to bring such materials to the test center. Upon entering and being seated in the testing room, the test administrator will provide the candidate with materials to make notes or calculations and any other items specified by the exam sponsor. **The candidate may not write on these items before the exam begins or remove these items from the testing room.**
- Eating, drinking, chewing gum, smoking, and/or making noise that creates a disturbance for other candidates is prohibited during the exam.
- Break policies are established by the exam sponsor. Most sponsors allow unscheduled breaks. To request an unscheduled break, the candidate **must** raise their hand to get the administrator's attention. **The exam clock will not stop while the candidate is taking a break.**
- Candidates must leave the testing room for all breaks. However, candidates **are not permitted to leave the floor or building for any reason during this time, unless specified by the administrator and the exam sponsor.** If a candidate is discovered to have left the floor or building they will not be permitted to proceed with the examination and may forfeit the exam fees.
- While taking a break, candidates are permitted to access personal items that are being stored during the exam only if necessary— for example, personal medication that must be taken at a specific time. **However, a candidate must receive permission from the administrator prior to accessing personal items that have been stored.** Candidates are **not** allowed access to other items, including but not limited to, cellular phones, exam notes, and study guides, unless the exam sponsor specifically permits this.
- Any candidate discovered causing a disturbance of any kind or engaging in any kind of misconduct— giving or receiving help; using notes, books, or other aids; taking part in an act of impersonation; or removing examination materials or notes from the examination room—will be summarily dismissed from the examination and will be reported to the state licensing agency. Decisions regarding disciplinary measures are the responsibility of the state licensing agency.

## QUESTIONS OR COMMENTS ABOUT THE EXAM

For security reasons, examination material is not available to candidates for review. Candidates who have questions, comments, or concerns related to the exams, scoring or score reports, or who wish to verify any data held in Pearson VUE files, should direct written inquiries to Pearson VUE at the address provided on the inside front cover of this handbook. Candidates may also email their questions directly to Pearson VUE Customer Service at [pearsonvuecustomerservice@pearson.com](mailto:pearsonvuecustomerservice@pearson.com).

In all correspondence, candidates should provide their name and address information. If questions or comments concern an examination already taken, candidates should also include:

- the name of the examination
- the date the examination was taken
- the location of the test center

# PREPARING FOR THE EXAM

---

## PRETEST QUESTIONS

Many of the examinations will contain “pretest” questions. Pretest questions are questions on which statistical information is being collected for use in constructing future examinations. Responses to pretest questions do not affect a candidate’s score. Pretest questions are mixed in with the scored questions and are not identified.

The number of pretest questions are listed in the content outline heading of each examination for which they are available. If a number is not present then there are no pretest questions for that particular examination.

## SALESPERSON/BROKER EXAM CONTENT

The content of the national section of the examination is based upon information obtained from a job analysis performed by Pearson VUE. Responses from real estate professionals were analyzed to determine the nature and scope of tasks they perform, and the knowledge and skills needed to perform them. This information is the basis upon which examination questions are written and ensures that the examination reflects the actual practice of real estate.
