# Overview

## The candidate handbook is a useful tool in preparing for an examination.

It is highly recommended that the Nebraska Real Estate Candidate Handbook be reviewed, with special attention given to the [content outlines](#), before taking the examination.

## Individuals who wish to obtain a real estate license in the state of Nebraska must:

### 1. Apply for a license, and exam authorization.

Before taking an examination, candidates must complete all prelicensing or qualifying education with the Nebraska Real Estate Commission. When the application requirements are met, and confirmation of course completion is received, authorization files will be sent to Pearson VUE and an authorization to test will be sent to the candidate via email.

Once the Commission approves you to test, you will receive an email confirmation from Pearson VUE / Nebraska Real Estate Commission.

A license application remains valid for 12 months from the date it is received by the Commission. If a candidate's examination registration expires, the candidate will need to reapply to the Commission.

Candidates who fail one or both parts of their examination may retest within six (6) month or three (3) attempts during their authorization period. Salesperson candidates who pass one part of the exam but fail the other portion may retake only the portion they failed. Broker candidates are required to take both parts of the examination.

Before scheduling a retake examination, candidates are required to return to the Nebraska Real Estate Commission to pay the fee and obtain additional authorizations, if necessary.

### 2. Make a reservation.

Once a candidate receives their authorization to test by email from Pearson VUE/Nebraska Real Estate Commission, they may sign into your Pearson VUE account and make a reservation for the examination. (See page 6)

### 3. Go to the test center.

Go to the test center on the day of the examination, bringing along all required materials. (See page 7)

## The Licensure Process

Licensure is the process by which an agency of state government or other jurisdiction grants permission to individuals to engage in the practice of, and prohibits all others from legally practicing, a particular profession, vocation, or occupation. By ensuring a minimum level of competency, the licensure process protects the general public. The state regulatory agency is responsible for establishing the acceptable level of safe practice and for determining whether an individual meets that standard.

The state of Nebraska has retained the services of Pearson VUE to develop and administer its real estate examination program. Pearson VUE is a leading provider of assessment services to regulatory agencies and national associations.

## Practice Tests – National Portion Only

National portion practice tests are offered exclusively online at [www.pearsonvue.com](http://www.pearsonvue.com). Practice tests provide candidates even more opportunity to succeed on real estate examinations. The national-portion practice tests will not only help prepare candidates for the types of questions they will see on the national portion of the licensure examination but also familiarize them with taking computer-based examinations.

Pearson VUE offers a practice test for real estate that contains questions developed by subject matter experts using concepts found in the national portion of the licensure examination. The tests closely reflect the format of the national portion of the licensure examination, can be scored instantly, and provides immediate feedback to help candidates identify correct and incorrect answers. Candidates can purchase national-portion practice tests anytime by visiting [www.pearsonvue.com/practicetests/realestate](http://www.pearsonvue.com/practicetests/realestate).

## State Licensing Requirements

---

The Nebraska Real Estate Commission established the requirements for qualification for a real estate salesperson or broker license. Applicants must read this candidate handbook and any other information provided by the Commission before applying for any license examination.

You will find the application and instructions at: <https://nrec.nebraska.gov/licensing-forms/applicationprocess.html>

## Exam Eligibility

The candidate must first submit application with the Commission and complete the appropriate prelicense courses. Once the courses have been completed, submitted to the Commission, and all other criteria for your eligibility established, an exam authorization will be sent to Pearson VUE. The candidate will then receive an Authorization to Test email from Pearson VUE / Nebraska Real Estate Commission advising them of next steps.

## Requirements for Obtaining a Nebraska Real Estate License

Applicants must be at least 19 years of age to be approved to take the Nebraska real estate license exam. Completed applications, fees, and all required documentation must be submitted to the Commission. The staff of the Real Estate Commission will process the application materials, prequalify applicants, and notify applicants of approval to sit for the examination. For more information, applications, and instructions, please visit: <https://nrec.nebraska.gov/licensing-forms/applicationprocess.html>

Candidates **must** go to [www.pearsonvue.com/ne/realestate](http://www.pearsonvue.com/ne/realestate) to make an online reservation for an examination. First-time users are required to create an account. The candidate will need to fill in all required fields, which are preceded by an asterisk (\*), on the online form in order to create an account and be assigned a password. Step-by-step instructions will lead the candidate through the rest of the examination reservation process.

## Test Center Locations

A list of test centers appears on the back cover of this handbook. In addition, candidates may review the test center locations by going to <http://www.pearsonvue.com/vtclocator>. These exams are available at Pearson VUE test centers throughout the United States, Canada, and US territories. If the candidate has questions regarding the confirmation of specific locations and/or examination schedules, please contact Pearson VUE.

Nebraska Real Estate exams are available at select Pearson VUE test centers on military installations across the globe. Service members, dependents, and contractors with authorized base access who want to gain Nebraska Real Estate licensure from their duty station or assignment in another state or foreign deployment will have the option to take their exam(s) without having to return to Nebraska to test.

To locate a Pearson VUE authorized testing center, visit <http://www.pearsonvue.com/military> and select Nebraska Real Estate.

Candidates **must** make an online reservation at least twenty-four (24) hours before the desired examination date. Candidates who wish to make a phone reservation at 800-819-3966 must do so at least twenty-four (24) hours before the desired examination date.

Candidates must either call Pearson VUE or log into their Pearson VUE Profile to change or cancel their appointment at least **forty-eight (48) hours** before the examination. Candidates who change or cancel a reservation with proper notice may transfer their approval to a new reservation. **Candidates who change or cancel their reservations without proper notice will forfeit the examination fee (paid to the NREC).**

## Absence/Lateness Policy

Candidates who are late or absent from an exam may call Pearson VUE within fourteen (14) days of the exam date to request an excused absence for the following reasons:

- Illness of the candidate or of the candidate's immediate family member
- Death in their immediate family
- Disabling traffic accident
- Court appearance or jury duty
- Military duty
- Weather emergency

A case number will be assigned and instructions provided for emailing supporting documentation.

**Candidates absent from or late to an exam who have not changed or canceled the reservation according to the Change/Cancel Policy will not be admitted to the exam and will forfeit the exam fee.**

## Weather Delays and Cancellations

If severe weather or a natural disaster makes the Pearson VUE test center inaccessible or unsafe, the examination may be delayed or canceled. Pearson VUE will notify and reschedule candidates in the case of severe weather.

## Accommodations

Pearson VUE complies with the provisions of the Americans with Disabilities Act as amended. The purpose of accommodations is to provide candidates with full access to the test. Accommodations are not a guarantee of improved performance or test completion. Pearson VUE provides reasonable and appropriate accommodations to individuals with documented disabilities who demonstrate a need for accommodations.

Test accommodations may include things such as:

- A separate testing room
- Extra testing time
- A Reader or Recorder, for individuals with mobility or vision impairments and cannot read or write on their own

Test accommodations are individualized and considered on a case-by-case basis. All candidates requesting accommodations because of a disability must provide appropriate documentation of their condition and how it is expected to affect their ability to take the test under standard conditions. This may include:

- Supporting documentation from the professional who diagnosed the condition, including the credentials that qualify the professional to make this diagnosis
- A description of past accommodations the candidate has received

The steps to follow when requesting test accommodations vary, depending on your test program sponsor (NREC). To begin, go to <http://pearsonvue.com/accommodations>, and then select your test program sponsor from the alphabetized list. Candidates who have additional questions concerning test accommodations may contact the ADA Coordinator at [accommodationspearsonvue@pearson.com](mailto:accommodationspearsonvue@pearson.com).

## Exam Day

### What to Bring

All candidates must bring **two (2)** forms of signature identification that are unexpired. One must be government issued and photo-bearing.

#### Required Items

**Candidates who do not present the required items will be denied admission to the examination, will be considered absent, and will forfeit the examination fee.**

### Acceptable Forms of Candidate Identification

Candidate must present **two (2)** forms of current signature identification. The name on the identification must exactly match the name on the registration. The primary identification must be government issued and photo-bearing with a valid signature. Identification must be in English.

#### Primary ID (photograph and signature, not expired)

- Government-issued Driver's License
- U.S. Dept. of State Driver's License
- U.S. Learner's Permit (plastic card only with photo and signature)
- National/State/Country ID card
- Passport
- Passport Card
- Military ID
- Military ID for spouses and dependents
- Alien Registration Card (Green Card, Permanent Resident Visa)

If the ID presented has an embedded signature that is not visible (microchip), or is difficult or impossible to read, the candidate must present another form of identification from the Primary ID list that contains a visible signature.

Pearson VUE does not accept expired driver's licenses. Newly renewed licenses which result in a temporary paper license will be accepted as long as the expired plastic license is also provided. Temporary licenses will not be accepted.

## Exam Procedures

### At Physical Test Location

Candidates should report to the test center thirty (30) minutes before the examination and check in with the test center administrator. The candidate's identification and other documentation will be reviewed, and they will be photographed for the score report.

Candidates are required to review and sign a **Candidate Rules Agreement** form. If the **Candidate Rules Agreement** is not followed and/or cheating or tampering with the examination is suspected, the incident will be reported as such and the appropriate action will be taken. The examination fee will not be refunded, the exam may be determined invalid, and/or the state may take further action such as prohibiting candidates from retaking the examination and/or denying a license.

Candidates will have an opportunity to take a tutorial on the computer on which the examination will be administered. The time spent on this tutorial will not reduce the examination time. The examination administrators will answer questions about the testing system, but candidates should be aware that the administrators are not familiar with the content of the examinations or with the state's licensing requirements. Examination administrators have been instructed not to advise candidates on requirements for licensure.

Candidates may begin the examination once they are familiar with the computer. The examination begins the moment a candidate looks at the first examination question. Candidates will be given from 1.5 to 3.5 hours depending on the exam type to complete the examination. The examination will end automatically after the examination time has expired, and candidates will receive an official score report.

## Score Reporting

Once you have passed the required exam you must complete the application process with the Nebraska Real Estate Commission. When candidates complete the examination, they will receive a score report marked "pass" or "fail." After completion of the exam, candidates will receive their official results.

Candidates who fail the examination will receive a score report that includes a numeric score and diagnostic information relating to the national section and the state section of the examination, as well as information about reexamination.

The Real Estate examination is a minimum competency examination. Therefore, if your score is a 75% or higher, you will be advised that you PASSED. Numerical scores are not provided to candidates who PASS.

## Failing the Examination

If you fail, you will need to reapply through the Nebraska Real Estate Commission. You will find the retake application at <https://nrec.nebraska.gov/licensing-forms/retakeexaminfo.html>. Keep your score reports for any portion of the examination you passed. You will be required to submit original score reports verifying you have passed both the state and national portions of the examination with your application for licensure. Salesperson applicants may retain credit for passing scores on either portion for three (3) subsequent examination attempts or six (6) months, or until the time their application expires, whichever comes first. If you do not pass both portions within the next three attempts or six months, you must take the full examination until you pass all or one part of it, in which case the retention schedule starts over.

## Available Exams and Time Allotted

EXAM TYPE	EXAM FEE	PRETEST ITEMS	EXAM ITEMS	TIME ALLOTTED	TOTAL TIME ALLOTTED
Broker Exam	Paid to NREC	5 to 10 pretest items	National - 80	2.5 hrs	4 hrs
			State - 50	1.5 hrs	
Salesperson Exam	Paid to NREC	5 to 10 pretest items	National - 80	2.5 hrs	4 hrs
			State - 50	1.5 hrs	

## License Issuance

Keep your score reports for any portion of the examination you passed. You will be required to submit original score reports verifying you have passed both the state and national portions of the examination with your license issuance materials. Once you have passed the exam there are additional steps needed for license issuance. Please refer to the Commission's website at <https://nrec.nebraska.gov/licensing-forms/licenseissuanceprocedures.html> for licensing information.

## Review of Exams

For security reasons, examination material is not available to candidates for review.

## Retaking the Exam

Reservations for reexamination may not be made at the test center.

Candidates get authorized by the Nebraska Real Estate Commission by reapplying after each failed attempt. The NREC will resend an exam authorization to Pearson VUE, once candidates have paid their retake fee to the Commission.

The salesperson and broker examination is divided into two parts: National and state law. Broker and Salesperson candidates will receive a score for each part. Broker candidates must retake the entire test if they fail. Salesperson candidates who passed one portion of the exam may retake the part they failed up to three (3) subsequent attempts or six months, or up until the time their license application expires, whichever comes first. If you do not pass both portions within the next three attempts or six (6) months, you must take the full examination until you pass all or one part of it, in which case the retention schedule starts over.

Once the entire exam is passed, the candidate must go back to the Nebraska Real Estate Commission to complete the license issuance process.

## Score Explanation

### PERCENTAGE Score

The passing score of the exam is determined by the Nebraska Real Estate Commission. Through standardization and control, Pearson VUE ensures that no individual has an unfair advantage or disadvantage because of a particular examination format. The passing score required on each examination is 75%.

To avoid misuse of score information, numeric scores are only reported to failing candidates. With a passing

score of 75% for salespersons and for brokers, any score below 75% indicates how close the candidate came to passing.

## Duplicate Score Reports

To obtain a copy of your score report, log into your Pearson VUE account. If testing before September 1, 2023 contact the Nebraska Real Estate Commission for exam information.

## Test Center Policies

The following policies are observed at each test center.

**Candidates who violate any of these policies will not be permitted to finish the examination and will be dismissed from the test center, forfeiting the examination fee.**

- **No personal items are allowed in the testing room.** Personal items include but are not limited to: cellular phones, hand-held computers or other electronic devices, pagers, watches, wallets, purses, firearms or other weapons, hats, bags, coats, books, notes, or pens or pencils.
- **Personal calculators are NOT permitted**, an online calculator is available as part of the exam. (photo of calculator on page 11)
- Candidates must store all personal items in a secure area as indicated by the administrator, or return items to their vehicle. All electronic devices must be turned off before storing them in a locker. **The test center is not responsible for lost, stolen or misplaced personal items.**
- Studying **is not** allowed in the test center.
- Visitors, children, family or friends **are not** allowed in the test center.
- Dictionaries, books, papers (including scratch paper), and reference materials are not permitted in the examination room (unless permitted by the exam sponsor), and candidates are strongly urged not to bring such materials to the test center. Upon entering and being seated in the testing room, the test administrator will provide the candidate with materials to make notes or calculations and any other items specified by the exam sponsor. **The candidate may not write on these items before the exam begins or remove these items from the testing room.**
- Eating, drinking, chewing gum, smoking, and/or making noise that creates a disturbance for other candidates is prohibited during the exam.

- Break policies are established by the exam sponsor. Most sponsors allow unscheduled breaks. To request an unscheduled break, the candidate **must** raise their hand to get the administrator’s attention. **The exam clock will not stop while the candidate is taking a break.**
- Candidates must leave the testing room for all breaks. However, candidates **are not permitted to leave the floor or building for any reason during this time, unless specified by the administrator and the exam sponsor.** If a candidate is discovered to have left the floor or building they will not be permitted to proceed with the examination and may forfeit the exam fees.
- While taking a break, candidates are permitted to access personal items that are being stored during the exam only if necessary— for example, personal medication that must be taken at a specific time. **However, a candidate must receive permission from the administrator prior to accessing personal items that have been stored.** Candidates are **not** allowed access to other items, including but not limited to, cellular phones, exam notes, and study guides, unless the exam sponsor specifically permits this.
- Any candidate discovered causing a disturbance of any kind or engaging in any kind of misconduct— giving or receiving help; using notes, books, or other aids; taking part in an act of impersonation; or removing examination materials or notes from the examination room—will be summarily dismissed from the examination and will be reported to the state licensing agency. Decisions regarding disciplinary measures are the responsibility of the state licensing agency

## Questions or Comments About the Exam

For security reasons, examination material is not available to candidates for review. Candidates who have questions, comments, or concerns related to the exams, scoring or score reports, or who wish to verify any data held in Pearson VUE files, should direct written inquiries to Pearson VUE at the address provided on the inside front cover of this handbook. Candidates may also email their questions directly to Pearson VUE Customer Service at [pearsonvuecustomerservice@pearson.com](mailto:pearsonvuecustomerservice@pearson.com).

In all correspondence, candidates should provide their name and address information. If questions or comments concern an examination already taken, candidates should also include:

- the name of the examination
- the date the examination was taken
- the location of the test center

# Preparing for the Exam

## Salesperson/Broker Exam Content

The content of the national section of the examination is based upon information obtained from a job analysis performed by Pearson VUE. Responses from real estate professionals were analyzed to determine the nature and scope of tasks they perform, and the knowledge and skills needed to perform them. This information is the basis upon which examination questions are written and ensures that the examination reflects the actual practice of real estate. Questions on the national section are also reviewed and approved by nationally recognized real estate professionals.

The state law section of the examination has been developed to reflect the laws, regulations, and practice of real estate in Nebraska, and has been reviewed and approved by real estate professionals in Nebraska.

## Pretest Questions

The examinations will contain “pretest” items. These items are unscored and will not affect a candidate’s score. These items are included in the exam to collect statistical data before use as scored items on future examinations. The pretest items are mixed into the exam and are not identified.

The number of pretest items included in each exam are listed in their respective content outlines.

## Math Calculations

The information below is NOT available at the test center and should be memorized.

Candidates may use the following information in making mathematical calculations on the national section of the real estate examinations unless otherwise stated in the text of the question:

- 43,560 square feet/acre
- 5,280 feet/mile
- Round off calculations (where applicable)

**The information below, if needed, will be contained within the test itself:**

*If a question requires the calculation of prorated amounts, the question will specify: a) whether the calculation should be made on the basis of 360 or 365 days a year; and b) whether the day of closing belongs to the buyer or seller for the purposes of prorations.*

Please find a sample of the calculator included in the exam below:

# National Exam

## Content Outline for Salespersons

Effective: September 1, 2023

The national portion of the real estate exam is made up of eighty (80) scored items, which are distributed as noted in the following content outline. The national examination also contains five (5) pretest items that are not counted toward the score. These items are used to gather statistics on performance and to help assess appropriateness for use on future examinations. Because pretest items look exactly like items that are scored, candidates should answer all the items on the examination.
